

THE MAIN STREET Communicator Network TATTLE R

The intersection of radio & music since 1974
Tom Kay - Chris Mozena - Brad Savage

The industry mourns the death of **Atlantic Records** VP, **Steve Ellis**. He succumbed to cancer early Tuesday morning in New York at the age of 41. A 1971 White Bear Lake Mariner (suburban St. Paul) graduate, he began his radio career at the age of 15, working for KSTP-AM. Eventually, he segued to KDWB, working for his lifelong friend, **Dave Hamilton**. In 1981, Dave and Steve moved to New York to put on **Doubledays'** WAPP. Steve ultimately rose the radio ladder, landing important gigs in New York and L.A. He made the transition to the record industry as a NE regional promotion person for Atlantic Records in 1988. While Atlantic would be Steve's label home for much of his career, he did become a Sr. VP/Promotion for **Mercury Records** in the mid-90s before returning to Atlantic in April 2001 after a brief respite from the industry while he addressed health issues. Steve will always be known for his unbridled compassion for BOTH industries. As **ABC/Disney** Minneapolis OM Dave Hamilton remembers, "Steve never had a cynical bone in his body. He was continually upbeat in all his dealings." Earlier today, in New York's Central Park, there was an industry gathering to remember Steve. On Monday, at the St. John of the Wilderness Church in White Bear Lake (2175 First St.), there will be another memorial service for his Minnesota friends and family. He'll be cremated and buried with his father. Steve leaves twin daughters, 12 year old **Amber** and **Britney**, along with his ex-wife **Marianne**. In lieu of flowers, a trust fund has been established for his daughters; Make checks payable to: **Amber & Britney Ellis Custodial Account**, 41 Plymouth Road, Glen Rock, NJ 07452. Professionals like Steve come around only once in awhile. For those of us who knew him, we were truly blessed.

Leann Rimes is on her way to another smash hit with "Life Goes On." It's already doing great at CHR, Hot A/C and A/C simultaneously, with airplay from WLTE, WKQI, KSTZ, KKRD, KKDM, KUDL, KSRZ, KBMX, KFRX, WZEE, WYCO and many more. Believe us, "Life Goes On" after country! **Curb**

Former WYSP/Philadelphia, KLSX/Los Angeles, WRQC/Minneapolis programmer **Andy Bloom** has rejoined **Jacobs Media** as a consultant for Active Rock and Classic Rock, based in Minneapolis. Prior to Jacobs, he has been serving as GM of **Emmis'** "Radio 10" and "Mega 98.3" in Buenos Aires.

Congratulations and best wishes to WKFR/Kalamazoo, MI PD **Woody Houston** and his fiancée **Amy Miskowski**, who'll tie the knot this weekend.

Hubbard Broadcasting has announced that **Ian Punnett's** show will be heard on the new "FM 107" WFMP-FM/Twin Cities exclusively, effective September 16. Upon the new Twin Cities move-in signal's sign on in June, Punnett was being simulcast on both AM 1500 KSTP/Twin Cities and the new "female-friendly talk" FM 107 signal. It had been noted that by the end of the summer, a decision would be made regarding which signal Punnett would be heard on regularly. In a notice to his listeners, Punnett stated, "As a radio station, FM 107 has developed a style similar to my show —more conversational and less confrontational —while focusing on real life issues that appeal to many talk listeners. This makes my show a natural fit for this growing audience." He also acknowledged that getting in on the "ground floor" for a new franchise like FM 107 is too tempting to resist. And now, the question is: *What will KSTPAM do with the vacant 8am to 11am slot?*

Check out the airplay on these regional calls: KMXV (42x-47x), WSNX (12x-15x), KLZR (20x-26x), WKSZ (17x-27x), KJCK (32x-37x) and KKCK (30x-40x) to name just a few! (Need we say more about this run-away pop/rock hit?) **Island-Def Jam**

Clear Channel CHR "Y-100" WHYI/Miami morning show stunt-boy "Nudge" recently got some attention after noting that actor **Jason Priestley's** career was elevated after his recent race-car crash. Nudge decided to attempt to further his own career on the air, by driving his worn out Chevy (which he calls "Junker 96", a jab at competitor Power 96) into a wall at Hialeah Speedway. Nudge was fine after the wreck, and *The TATTLE R* thinks his career didn't need much help anyway! After part-time stints in his native Philadelphia at Q-102, Nudge proceeded to Minnesota for nights at CHR "Kiss 96" KKSR/St. Cloud as **Kevin Fox**, as well as part-time duties at powerhouse CHR KDWB/Minneapolis as **Kevin Seville**. In April 2002, he relocated to sunny Miami with Y-100.

Cindy Barton is the host of WLTE/Minneapolis' successful "Saturday Night At The '70s" specialty program (as well as the WLTE morning show co-host). She offers a syndicated version of the '70s program, called "The '70s With Cindy Barton." It is quickly gaining affiliates, as its most recent sign-ons include Classic Hits KARZ/Marshall, MN and Adult CHR KDOG/Mankato. To learn more about this show, contact Cindy at (612) 339-1029, ext. 3406.

Westlife has sold over 15 million records worldwide! That's no small feat, considering their major success has been outside of the United States. That is quickly changing, however, as "World Of Our Own" is making them a household name stateside with listeners of KCHZ (24x!), WSNX (26x!), WYCO, WKQI, KSLZ, KFMD, WIAL (25x!), WWAX and more. Just added at KJCK! **RCA**

Rumor #1: Is former KDOG/Mankato APD **Dan Edwards** getting ready to make a move? (Will there be expensive *champagne* involved?)

Arbitron has begun the election process for the 2003 Radio Advisory Council. The following formats are up for election: AC - Continuous markets only, AOR - Non-continuous markets only Black/Urban - All Markets, Country - Non-continuous markets only, News/Talk - Non-continuous markets only. The Conclave Learning Conference announces the return of **TalenTrak**, an intense one-day seminar for radio personalities. After a five-year hiatus, TalenTrak will be held in Chicago on Saturday, October 19, 2002 at the Hyatt Regency Oak Brook Hotel. The agenda for this seminar is designed to give each registrant the skills necessary to be a more compelling air personality. Sure to be a highlight of the day will be a keynote presentation by Chicago radio legend, **John "Records" Landecker**. He will be joined on the TalenTrak faculty by a group of well-respected Chicago area Program Directors. TalenTrak will start at 9 AM with a session titled, "Keeping it Real: Life Experience as Show Prep", featuring air talent coach, educator and President of **True Talent, Karen Young**. Ms. Young will show how life experiences are a personality's own secret weapon. This interactive session will help air personalities learn to effectively integrate their personal experiences into their shows. At 10:15 AM, **Elroy Smith**, Program Director for Chicago powerhouse WGCI FM & WVAZ FM, will present the "Habits of Effective Personalities." Mr. Smith will discuss how some of the great personalities he has worked with such as **Tom Joyner, Doug Banks, and Steve Harvey** have gone on to gain national and international acclaim and the keys to their success. At 10:45 AM, **Mary Ellen Kachinske**, PD, WTMX FM/Chicago, **Tim Richards**, PD, WKQX FM/Chicago, and **Joe Limardi**, PD, WZOK FM/Rockford, will join Elroy Smith and moderator, Karen Young for the session, "You and Your Audience: Connect the Dots." Audiences and program directors both complain that personalities sometimes seem disconnected from the listeners. This session is designed to give registrants the skills necessary to learn about and connect with their audience. At 11:30 AM, the entire faculty will take part in "Panel Discussion: Making Yourself an MVP!" The session will present tips, tricks, stories, and question and answers designed to help registrants enhance their value to the radio station. This session is designed for entry-level personalities and seasoned veterans alike. At 12:30 PM, TalenTrak lunch will be served with a keynote presentation provided by John Records

Landecker. As the night jock for legendary Top 40 powerhouse, WLS AM, Landecker has entertained millions and has been an influence on many of the personalities that have come out of the Midwest over the last several decades. Currently the morning personality at oldies WJMK FM in Chicago, Landecker will be a tremendous inspiration to all those that attend TalenTrak. Beginning at 2PM, the entire faculty (and faculty guests) will participate in an Aircheck Clinic, as registrants will be able to receive one-on-one counseling and critiques of their shows. At 5 PM, TalenTrak registrants are invited to kick back and finish the day with good-byes and a final chance to network at a Cocktail Party to be held at the Hyatt Regency Oak Brook. The cost for this career "must-attend" event is only \$49 per person from now through September 18, 2002. From September 19 through October 11, 2002, the tuition cost will be \$59 per person. From October 12 through the event on October 19, the cost will still be an unbelievable \$69. Group rates are available for a limited time as well! From now through September 18, the cost for two or more people from the same station/group is only \$39 per person. From September 19 through October 11, the group rate is only \$49 per person. There will be no group rate offered after October 11, 2002. The Hyatt Regency Oak Brook is offering registrants a special \$86 per night room rate (normally \$140-\$160 per night). Registrants can reserve rooms by calling the hotel directly at 630-573-1234 and asking for the Conclave rate. The address for TalenTrak and the Hyatt Regency Hotel is: 1909 Spring Road, Oak Brook, Illinois 60523. There is a limited supply of \$86 rooms and they'll be available on a first-come, first-served basis. For TalenTrak registration and information, call the Conclave office at 952-927-4487 or visit www.theconclave.com for more details. Please note that the faculty is subject to change without notice.

WKSZ/Green Bay pulled a great stunt to introduce their new morning guy, and former WXSS/Milwaukee talent, **Jack Taylor** this past week by putting him on the streets to pass out thousands of dollars in cold, hard cash! The catch was he didn't tell anybody who he was...until after getting press from several television and radio stations in the market, that is! Taylor finally announced his identity on WLUK-TV (Fox 11)'s "Good Day Wisconsin" morning, with a live feed on 95.9 KISS FM as well! (Well done guys!)
