WKSC/Chicago night jock **Java Joel** spent last night (4/24) on the sidelines (just listening, that is) after he and **Jive** recording artist **Justin Timberlake** tangled on-air the previous day. For those who haven't heard the widely distributed aircheck, Joel persisted in asking Justin some very personal questions about his sex-life with **Britney**, **Christina** and **Janet Jackson**, as well as the "experiences" of members of **N'Sync**. WKSC PD **Rod Phillips** responded the following day by releasing an apology to Justin, his management and Jive, adding that Java would be suspended for that night's show. In addition, Java would join **Drex** the following morning for listeners to address the issue. Jive VP/Promotion **Denise George** responded favorably to the stations disciplinary action, calling it "...a very appropriate decision by WKSC." (To download and hear the interview visit <http://javajoel.web1000.com>.)

Conclave rumor #1: **Doc Wynter?**

According to reports from today's *Minneapolis Star-Tribune*, **Minnesota Public Radio's** "Mid-Morning" host and former *St. Paul Pioneer Press* columnist **Katherine Lanpher** was arrested April 12th on charges of driving while intoxicated and leaving the scene of an accident. The paper reports that Lanpher, who allegedly hit another car and then left the scene, has not yet been formally charged, and that her blood-alcohol content was .21, over twice the legal limit.

Conclave rumor #2: **Sam Weaver?**

Following the stunting at **Woodward Communication's** CHR WKSZ/Green Bay, the station flipped to a HAC presentation as "Mix 95-9, Today's Best Variety" under PD **Dayton Kane** Monday at 5pm. Dayton tells *The TATTLE R* that the staff will remain intact. However, the station will remain jockless for the next month as jocks take advantage of this music intensive period to concentrate on imaging and street level presence in the market.

Conclave rumor #3: **Bob Coburn?**

At long last the lawsuit by two men whom had claimed to have taken KORB/Quad Cities, IL-IA jock **Ben Stone's** off-handed remark to heart (getting the station's name tattooed on their foreheads) has been dismissed. The pair, **Richard "Boy Genius" Goddard** and his step-father **David "The Brainiac" Winkelman**, had sued **Cumulus**, Ben Stone and the station for not paying them \$30,000 a year for 5 years as Stone allegedly remarked during a promo for a temporary tattoo, and the station allegedly confirmed on the phone and in person. As a result of Goddard failing to appear for a deposition and hearing, the suit was dismissed. However, it may still be refiled.

According to reports from the *St. Louis Post-Dispatch*, **Bonneville's** Country WIL/St. Louis has announced that it will no longer carry **Jones Radio Network's** Syndicated Country host **Lia** following being named in a discrimination complaint, along with JRN, filed with the Missouri Human Rights Commission on (4/2) by **Robert A. Tart** of St. Louis. Mr. Tart, who speaks with a significant stutter, listens to the Lia show on WIL and called to make a request on the evening of (3/21) when assistant producer **Alexa** reportedly responded, "Bobby, we don't do the stuttering thing." WIL claims that they had not planned to renew the contract in favor of local broadcasting but moved up the timeline in light of the recent incident. Meanwhile, JRN VP/GM **Jim LaMarca** issued the following statement: "Jones has a written policy of non discrimination that every employee is given. Discrimination is not tolerated. This unfortunate incident is a reminder to all of us in this industry that we must be extremely sensitive to our listeners. It is incumbent up on all of us to take the extra time and effort to treat all of our listeners with the respect and dignity they deserve. We apologized to Mr. Tart before this became public and we apologize again today. In fact we would like to have him on the Lia show as soon as possible to make his request and even speak to the issue of discrimination he has faced in his life."

Conclave rumor #4: **Christopher Lowell?**

Continuing Education at the Conclave! Conclave rumor #5: **Mike McVay?**

MercyMe's "I Can Only Imagine" is already at 47x a week on WRVW/Nashville! Why? Top 5 phones from the get-go! Others who understand the powerful role this track plays with a radio audience: KRBB, KRBV, WYKS, WKZL, WMMX, WSPA, WLQT, WBBQ, KQKY, KKRL and more. Just one M-F 6a-12p spin is all it will take. It doesn't get any easier than this, gang!

Conclave rumor #6: **KJ Holiday?**

Notice this name on your eRADs this week: **Layne Larson?** Where did KKRL and KQKY get this single? What's all the fuss at KELO/Sioux Falls? Will the answers be in your mailbox next week?

Conclave rumor #7: **Bob Bellini?**

Speaking of **eRADs**, here's a question we don't want you to take personally: Are you getting yours each week? The eRAD – short for "Emailed Radio Add Data" – is an exclusive publication of **Main Street**, sent weekly each Wednesday evening. It features information found nowhere else: station adds from Monitored, Mediabase, AND secondary markets around the region...all on the same document! It comes in 2 flavors: one for T40, AC, and Hot AC; another for Active Rock, Mainstream Rock, Alternative and Triple A. And the best part? It's not \$600 per year, not \$400 per year, not even \$100 per year like some of those fancy snail-mailed publications. Nope!! It's free for the asking!! If you'd like to have a copy each week, let us know which version you'd like (or ask for both, if you want!) and email us your request at bsavage@main-st.net. It's THAT simple!!

Conclave rumor #8: **Jay Meyers?**

Talker WLW-AM/Cincinnati's **Bill Cunningham**, joined by Mayor **Charlie Luken** and several other luminaries, held a "Thank You" rally for U.S. troops earlier today (4/25) at Cincy's Fountain Square. The rally was aired live on WLW and was scheduled to feature injured Marine Lance Corporal **Mike Varner**, various Cincinnati Reds players and announcer **Joe Nuxhall**, Col. **Dean Smittle** (USAF, Ret.), and many more.

Conclave rumor #10: **Ginny Morris?**

Congrats to Conclave TalenTrak attendee **Jeff Stone** on his return to radio! Jeff had been out of the business for a few years, concentrating on voice-over and production duties for his company. As of a couple weeks ago, he returned to radio as morning host for Oldies "Cool 950" WCLB/Sheboygan, WI. He says it is great being back on the air, and that his attendance at the TalenTrak last fall in Chicago helped give him the "radio bug" once again!

According to reports found at www.thesmokinggun.com earlier this week, a quartet of Chicago-area **Creed** fans filed a class-action lawsuit on Monday (4/21) claiming that lead singer/crusader **Scott Stapp** was drunk or drugged-up during a disastrous December concert. They claim Stapp & Co. owe refunds to the 15,000 fans who attended the ragged performance. The Allstate Arena gig was apparently such a disaster that, in fact, the band circulated an e-mail apology acknowledging that, "There has been much concern about Scott's health and we want to assure everyone that he is doing very well and is taking a much needed break at home in Orlando." The band's e-mail concluded on an upbeat note: "For now we hope that you can take some solace in the fact that you definitely experienced the most unique of all Creed shows and may have become part of the unusual world of rock and roll history!"

Sum 41 is breaking big with "**The Hell Song**", a proven hit at alternative and now ready for Top 40. Already on WIXX, WIOG, KLZR, WCIL, WNDV, KCLD (27x!), and more. Just added at WWAX/Duluth! CAUTION: do not program this back to back with **MercyMe** (see above) or your hard disk system could have a melt down! **Island-Def Jam**

Entercom country Q-106 (WWQM) in Madison has been nominated for an ACM Award from the Academy of Country Music! PD **Mark Grantin** says, "This is an unexpected honor. The Academy Of Country Music Awards are prestigious and it is a thrill to be considered one of the top five radio stations in the entire country." Other nominees included KMPS/Seattle, KTTS/Springfield, MO, WIVK/Knoxville, and WTQR/Winston-Salem. The awards show takes place May 21 and will be broadcast live on **CBS** from Las Vegas.

The most fun track to come along for rock since **Custom: Presence!** These southern boys rock hard, and are causing reactions with their first single "**Tonz Of Fun.**" It's already on WWCT, KXXR (22x!), KQRC (10x), WKLQ, WRIF, KAZR, WJJO (18x), WEBX (15x), KFMW, KIBZ and more. More changes have occurred at **Linder Radio's** Classic Hits/AC 100.9 KOWZ-FM/Blooming Prairie-Owatonna. OM/PD **Randy Domstrand** has exited, and the station has expanded its satellite-delivered programming from **ABC's** AC format. The station continues to operate locally with a strong commitment to Southern Minnesota during daytime hours with frequent news, market reports, local events and a variety of classic hits and current music. **Rick Vaughan** has been upped to OM for KOWZ (1170), KOWZ-FM, and KRUE (92.1) and continues handling afternoons and music duties for KOWZ-FM.

John Ramsey Memorial Fund. The family of friends of the late John Ramsey (former PD, KCLD/St. Cloud, KKAZ/Cheyenne, and KFBQ/Cheyenne, etc.) have begun The John Ramsey Memorial fund. The Conclave will accept memorial contributions in John's honor, with all monies collected from the Fund to be used this coming summer providing Conclave tuitions to those in radio who would not be able to afford to attend on their own. If you'd like to contribute, write a check to "**The Conclave/John Ramsey Memorial Fund**" and send it to 4517 Minnetonka Blvd, Minneapolis, MN 55416. You'll receive a receipt; donations to the fund may be considered tax deductible. The Conclave will collect the money, awarding tuitions to the Conclave beginning in June. If you know of someone deserving of such an award or if you'd like to be considered as a recipient, email your nomination to info@theconclave.com. Nominations will remain anonymous.

Energy FM (KRTI) in Newton/Grinnell/Marshalls town, IA has filled its vacant morning position. **Steve Wasinski** debuts May 1st, inbound from **Clear Channel's** WMVX/Cleveland where he was an intern for the "**Brian and Joe Morning Show**." With this move, APD/MD **Tim Graves** segues back to afternoons. A few weeks ago, **Kyle Martin** exited KRTI to take on a PD chair at KBIZ/KTWA and mornings on KBIZ in Ottumwa, IA.

Clarification: **G.B. Leighton** is not the name of a **Hubbard** programmer. Details coming soon...

Powerful singer/songwriter **Plumb** is "**Real**", and it shows! Her debut pop single has been added at KQMB, KRSK, KVUU and dozens more in just 3 short weeks. She's already well known and critically acclaimed, so now is the time to introduce her to your mainstream audience! **Curb**

In the Quad Cities, **Clear Channel's** WLLR (AM) drops its simulcast of country sister WLLR-FM, and has picked up **Fox Sports Radio** with new call letters WFXN. Meanwhile, **Cumulus'** longtime sports outlet "K-jock" (1170 KJOC) dropped sports for talk on Wednesday, including the **Bill O'Reilly** show. The new "Super Talk 1170" is poised to challenge Clear Channel's heritage talker WOC (1420), possibly as a sign that Cumulus would rather compete in talk than sports. Cumulus market manager Jack Swart said in the *Quad City Times* that the timing was purely a coincidence, and that KJOC had been planning to flip to talk for some time.
