ANNOUNCING THE CONCLAVE'S FIRST INDUSTRY AWARDS. AND THE WINNER IS -YOU! The Conclave has taken a dramatic step which will allow radio and record professionals to bypass the old school method of nominating and selecting PD OF THE YEAR, MD OF THE YEAR, AIRTALENT OF THE YEAR, LABEL OF THE YEAR, VP/PROMOTION OF THE YEAR, etc. with a novel concept. *Conclave 29: Paradigm 2004 - It's Full of Shift* will be offering the industry's first **"You're Already A Winner Weekend!"** (7/15-18, Minneapolis Marriott City Center). Each and every registrant for Conclave 2004 will be receiving an award recognizing them as PD OF THE YEAR, MD OF THE YEAR, AIRTALENT OF THE YEAR, LABEL OF THE YEAR, VP/PROMOTION OF THE YEAR...whatever your job is, you'll be recognized as the industry's best! No boring Industry Awards Ceremonies! No more having to recite "It's an honor just to be nominated over and over again"! No more endless parades of acceptance speeches! And best of all: No more hanging your head in shame because YOU DIDN'T WIN!! If you're coming to Conclave 2004 and you're a PD - Congratulations! You will become the 2004 PD OF THE YEAR. Are you an overnight jock registered for Conclave 2004? Congratulations - you've just won 2004 AIR TALENT OF THE YEAR! Are you a label executive attending the Conclave? You've just won the 2004 RECORD EXECUTIVE OF THE YEAR! And EVERYONE will be recognized as such by their peers, who like you, ARE A WINNER! Need a photo of your proud moment? No problem! Stop by the Conclave's 30th Anniversary Prep Booth, and get a snapshot of you receiving your award from any number of Conclave celebrities: **Danno Wolkoff**, Chairman of the Conclave Board - **Tim Kelly**, Conclave Agenda Chairperson - or **Big Bob**, the Conclave's security chief! If you want a trophy just like those hanging on the walls of **Scott Shannon**, **Rick Dees**, or **Clive Davis**, it's easy as pie. Register for Conclave 2004 today...and **"You're Already A Winner!"**!!

Comment: The Conclave is serious. If you've stuck it out in the industry this long and you're headed to the Conclave with a positive attitude and a will to learn and grow, you deserve as much - if not more - recognition than the notable luminaries who always seem to "win" those fancy statuettes! It's your turn to be recognized, and the Conclave is proud to honor you in 2004. Yes, the paradigm HAS shifted.

TV tip: Kimberley Locke, fresh after an add week which saw New York and Chicago coming on board, will be on the *American Idol*/this coming Tuesday, 3/23. As you know, Kimberley competed on A-1, so it's a bit of a homecoming that should be fun to watch. Oh, by the way, her **"8th World Wonder"** on **Curb** is America's top selling single this week.

Hanson's "Penny & Me" is catching fire all over America, and not just at radio. Here's a short list of Hanson exposure now and in the coming weeks: VH1 Add! *Sunday New York Times* (huge article last Sunday)! *Rolling Stone Magazine* (5 page spread...on stands now)! *Details* (on stands now)! **Leno** (appearing 4/22)! **VH1** Documentary (begins airing 4/12)! **Kilborn, Seacrest, Wayne Brady** appearances (all happening in the last 10 days)! **Good Morning America** (appearing 4/16)! **Today** (appearing 4/17)! Sorry - we just ran out of space to tell you about the hundreds of stations all over the USA spinning this hit! **3CG**

According to reports from the *Associated Press* this week, the FCC has fined **Infinity** Talker WKRK/Detroit \$27,500 for indecency on **Howard Stern's** syndicated show, and has slapped a \$55,000 fine on **Clear Channel** for "a broadcast on two Florida radio stations where the host conducted an interview with a couple allegedly having sex." The report also said that the FCC overruled its staff and found the "f-bomb" dropped by **Bono** at the 2003 Golden Globe Awards was indecent but did not propose fining the network, and that the commission has affirmed its \$7,000 fine of **Infinity Urban WLLD/Tampa** for airing references to oral sex during a live hip-hop concert broadcast, "The Last Damn Show," on September 11, 1999. Late last night (3/18), the *AP* added details indicating that the Florida fines were for a broadcast on WAVW (then WZZR)/Stuart, FL and WCZR/Vero Beach, FL, and that the proposed fine was issued despite the lack of any transcript or tape of the incident. Commissioner **Michael Copps** dissented, noting he would prefer to move to revoke the stations' licenses. Copps said in his dissent that, "The time has come for the commission to send a strong message that it is serious about enforcing the indecency laws of our country." (They sound serious folks!)

In an act of defiance last Friday (3/12), Talker KCJJ/Iowa City, IA shut-off all programming to run a loop of promos telling listeners to e-mail the FCC to protest the current anti-indecency storm in Washington, including the address and phone number of lawmakers. KCJJ owner **Steve Soboroff** referred to the recent hearings on Capitol Hill as a "witch hunt," and went on to tell local **NBC** affiliate KWWL-TV/Waterloo-Cedar Rapids, IA that "There is a threat to our programming and to everyone else's programming by people that are screwing around with the first amendment."

The *Cincinnati Enquirer* has reported that a local pressure group *Citizens for Community Values* has targeted **Clear Channel** rocker WEBN/Cincy's "Dawn Patrol" morning show for an indecency complaint. Group leader **Phil Burress** told the paper that they want a meeting with the broadcast group's corporate leadership to see if they can be convinced of the company's intentions to clean up it's act. The group has reportedly already met with FCC commissioners **Michael Copps** and **Kevin Martin** as a part of a campaign along with (20) other anti-indecency groups.

Worried that some of your treasured tracks just aren't researching well because you can't get the familiarity numbers to be respectable? What if we told you that you could play a song that has already had over 2 million impressions per day, all across America? That song is **Beth Hart's "World Without You"**, which is heard daily during **CBS Daytime TV** (*Guiding Light*, *As The World Turns*, *The Young & The Restless*, and *The Bold & The Beautiful*) AND is the music bed for the shows' promotion spot, airing dozens of times daily since January 26th. The **Koch** single should be in your hands now, and it goes for hot AC adds on April 5. But why wait, when your audience already knows the song?

Lansing-East Lansing Winter Book, Phase 1 Trend. **Citadel's** country WITL maintains lead, despite the top 5 stations losing AQH listening! WITL-FM 11.5- 11.1, WJIM-FM 9.5- 8.4, WMMQ-FM 8.2- 7.8, WJXQ-FM 8.0- 6.4, WFMK-FM 7.0- 6.2, WHZZ-FM 5.2- 5.8, WQHH-FM 5.2- 5.3, WVIC-FM 3.5- 4.3, WILS-AM 4.1- 3.9, WJIM-AM 2.9- 3.7, WQTX-FM 2.3- 2.1, WJR-AM 1.6- 1.6, WXLA-AM **- 1.4, WOOD-FM 1.7- 1.4, WKMY-FM 1.6- 1.2, WVFN-AM 0.8- 0.8, WIOG-FM 0.6- 0.8, WNWN-FM 0.4- 0.4, WBCT-FM 0.4- 0.4, WODJ-FM 0.4- 0.4.

As we hinted last week, **Waitt Radio**/Omaha VP/Programming and Dir./Operations **Phil Wilson** is the new FM OM at **Infinity**/Minneapolis, where he'll be responsible for AC WLTE and 80's WXPT. Phil's resume includes PD duties at KGGG/Des Moines and OM of **Journal**/Omaha. He begins April 5th! No replacement was named for Phil in Omaha..

Arriving at your station this week: **Mercyme's** brand new hit, "**Here With Me**" on **INO/Curb**. "**I Can Only Imagine**" became #1 researching single, garnered 100,000 total pop spins, sold in excess of 800,000 CD's. And this will be bigger!

Infinity VP/Adult Top 40 Programming and KMXV and KSRC/Kansas City OM/PD **Jon Zellner** has announced he will leave the market after (8) successful years to become OM/PD at sister HAC WBMX and Oldies WODS/Boston, replacing former VP/PD **Greg Strassell**, who was recently promoted to Infinity Sr. VP/Programming. Meanwhile, cross-town **Greater Media** GSM **Barbara Jean Scannell** joins WBMX as its new VP/GM, effective Monday (3/22).

Former KDWB/Minneapolis talent **Scotty Davis** is headed back to KDWB for afternoons. He left the station after nearly four years, citing family reasons, and has been heard doing nights at KHKS/Dallas for about the past year. Ironically, Scotty will be followed in Dallas by another former KDWB personality **J.J. Kincaid** (AKA **Special Ed**) who will move into afternoons.

Active Rocker KRQC/Omaha has flipped to *Legendary American Country US933* as PD/morning-man **Tim Sheridan** exits to assume similar duties at sister Rocker KIBZ/Lincoln while the remaining KRQC staff have been absorbed within the 5-station cluster. **Saga**/Springfield, IL OM **Michelle Matthews** joins the Country station for PD duties as former **Clear Channel** Country KXKT/Omaha morning man **TJ** is currently on-air during *all/day-parts*...building the station one listener at a time. Is there at least one more flip being planned for the big O? We'd never kiss and tell.

Keri Noble's "Talk To Me" picked up a marvelous add this week, courtesy of **Leighton Peck & Jill Roan's** KS95/Minneapolis. Not so coincidentally, the *Minneapolis Star-Tribune* features her in today's edition. You can read all about it at <http://www.startribune.com/stories/468/4673156.html>!

2 out of 3 prefer silly-ass grins over smirks! K-SKY/Rapid City MD **Bobby Rock** (L) and PD **Chad Carlson** (R) greet Atlantic artist **Joe Firstman** for an in-studio performance last week.

Did you know the **Conclave** has quietly extended the earlybird deadline until the end of the month? Many programmers indicated they wanted to take advantage of the bargain, but the budgeting/payment process is simply taking too long at most companies to beat the old March 1st deadline. So the good news is: the \$199 rate will be honored through the month of March, raising to \$299 on Thursday, April 1st. Save a C note...register for **Conclave XXIX – Paradigm 2004: It's Full of Shift NOW!** Download a form on www.theconclave.com (ignore the deadline date of February 1), or register securely right on the website using our partner, **Paypal!** Or if all else fails, call or email us and we'll fax you a form.
