Tom Kay • Chris Mozena

Emmis, which has battled the FCC throughout recent years over whether broadcasts by WKQX/Chicago morning man **Mancow Muller** are indecent, announced earlier this week that it has settled its indecency cases with the FCC by signing a consent decree. The company will reportedly make a voluntary contribution of \$300,000 to the U.S. Treasury, and the FCC will end all pending indecency proceedings against the company. Pres./CEO **Jeff Smulyan** said,

Earlier this year we adopted an aggressive policy to ensure that Emmis provides quality, compelling, on-air content that conforms to decency standards. We announced a zero tolerance policy and are taking extraordinary steps to educate our on-air employees and program directors. The consent decree settles all pending indecency-related issues, and allows us to move forward. Meanwhile, FCC Commissioner **Michael Copps**, who has been vocal in pushing for license revocation hearings, was critical of the settlement, citing in a statement that, the totality of a broadcasters record is pertinent and should be considered when licenses are renewed. Today's decision takes an entire part of the record off the table.

This week the **Radio Hall of Fame** in Chicago announced the inductees for their November 6th ceremony, including; **Clear Channel's Lowry Mays**, new **XM** host and former **NPR** Morning Edition host **Bob Edwards**, Chicago Top 40 legend **Larry Lujack**, WOMC/Detroit morning-man **Dick Purtan** and the late gossip master **Walter Mitchell**. The five will be inducted at an event to be broadcast live by **Premiere Radio Networks**, with **Glen Beck** hosting. Learn more at radiohof.org.

Kimberley Locke continues her ascent up the *R&R* CHR chart this week on the merit of her new single **Wrong** climbing from #38-36! New adds this week include **WRVW** and **Disney Radio!** Don't miss the Kimberley feature in *US Weekly* either, it is on stands now! **Curb**

Marty Brennaman, the longtime voice of Cincinnati Reds baseball and recipient of the Hall of Fame's **Ford C. Frick Award** in 2000, has inked a new three-year deal to stay with the team through 2007. Reds games air on **WLW/Cincinnati** and (50) affiliates in six states.

Infinity VP/AC Programming, **WNEW/New York PD** (and former **KYKY PD/OM**) **Smokey Rivers** is reportedly transferring to the PD post at sister AC **KVIL/Dallas**, effective Monday (8/30). Smokey will replace **Kurt Johnson** as PD at **KVIL** reporting to **KVIL VP/GM David Henry**. Johnson, who remains **Infinity/Dallas VP/Programming**, takes over the PD post at **KJJK**, and in addition he'll continue to program Smooth Jazz **KOAI**.

Regional stations already in the know include; **KSRZ 29x**, **KYKY 19x**, **WXSS 18x**, **KFBZ 14x** and many more! **Manhattan**

Congratulations to legendary Urban radio consultant, columnist (and Conclave BOD) **Dr. Jerry Boulding** on being named Urban/Urban AC Editor for **Allaccess Networks** earlier this week! Jerry replaces **Terry Fox** who joins **X-Radio Networks** as Director of Programming.

Citadel President of Programming **Eric Logan** left the company this week to take the as Exec. VP/Programming position at **XM Satellite Radio**. A 19-year radio industry veteran, Logan has also held senior executive positions at **Infinity** and received numerous programming awards over his career in radio which included VP/Operations at **Country WUSN/Chicago**.

Minnesota Public Radio (MPR) buys non-comm Classical **WCAL/Minneapolis** and simulcast **KMSE/Rochester, MN** from **St. Olaf's College** for a reported \$10.5 million this week. The deal may mean the end of the Classical format on the stations, since MPR's cross-town **KSJN** is already in the format. However, it is expected to stay classical - through December - when the sale should close.

TALENTRAK 2004 AGENDA SET! The 9th edition of the Conclave's exclusive air talent seminar, TalenTrak 2004, has set its agenda for Saturday, September 18, 2004 at the Holiday Inn/City Centre Lakeside in Cleveland, Ohio. The day begins at 9AM with *It's All In the Package* — an in-depth look at resumes and resume-building with WRIF/Detroit PD **Doug Podell** and WNCI/Columbus PD **Jimmy Steele**. At 10 AM, *It's All In The Presentation* — a session chaired by **Mike McVay/McVay Media** (2004 Conclave Rockwell recipient) which will dissect on-air expectations and performance in each of the major dayparts. Joining Mike will be **Dave & Geri** — WLHT/Grand Rapids, WAJI/Ft. Wayne's **Barb Richards**, **Moonlight Groove Highway's Raechel Donahue** and Cleveland broadcast legend **Bill Gable**. At 11:30AM — *It's All In the Politics*, a most extraordinary session which will actually teach how to play the in-station and corporate game for personal and professional gain, featuring; WXTM/Cleveland MD **Tim Slats**, 95.5 The Fish PD **Sue Wilson**, and **Clear Channel Market Manager Diana Coon!** At 12:30PM, it's TalenTrak Keynote time, featuring what is sure to be a lively and entertaining one with the NHL's Columbus Bluejackets play-by-play guy **George Matthews** and the voice of the Cleveland Indians **Tom Hamilton!** At 2PM, the all-important *Aircheck Clinic* (for the first 60 registrants, only; bring your scoped 3 minute aircheck ON CD ONLY!!) At the conclusion of the day, TalenTrak presents *Great War Stories of Radio*, and intimate glance at the trials and tribulations of some of the industry's most successful air talents, taught in story form! You'll laugh, you'll cry, and for sure — you'll learn! It wouldn't be a Conclave event if more food and drink weren't supplied, so that's why the TalenTrak Happy Hour wraps up the day! But wait, there's more! For the first time at a TalenTrak there will be special off-site gatherings on both the Friday evening prior to TalenTrak, and Saturday evening after the event. Faculty for all these sessions, as well as a very special keynote, will be announced in the next 14 days. The price for all this learning? Just \$49 (\$39 if you're part of a group of 4 or more from the same station/cluster who register at the same time!). But hurry, these special tuitions expire on September 1st, just one month from now. For more details, check www.theconclave.com or call the Conclave office at 952-927-4487.
