

# THE MAIN STREET Communicator Network TATTLE R 30 30th Anniversary 1974 - 2004

"All the news that fits, we gits!"

**The Cow returns to Conclave XXX!** Fresh off his newly signed syndication agreement with TRN-FM, **Erich Mancow Muller** will keynote the 30th Anniversary Conclave Learning Conference on Saturday, July 23, 2005 at the Marriott City Centre in Minneapolis! Host of "Mancow's Morning Madhouse" on **Emmis'** Q101/WKQX-FM in Chicago, Mancow promises a thought provoking, educational, funny and entertaining speech as only he can deliver (you MUST be in the room for his XXX-rated "tribute" to Radio's Best Friend, **Art Vuolo!**) No stranger to the Conclave (he keynoted in 1999, and in the early stages of his career he attended as a radio newbie), he's a longtime ratings winner - "Mancow's Morning Madhouse" pulled a 9.4 share for men 18-34 in Chicago, easily besting all other morning shows by a healthy margin, including Howard Stern! In addition to his radio program, Mancow has been a weekly contributor on the **Fox News Channel's** "Fox and Friends" and has appeared on a variety of television programs such as "Politically Incorrect," **Jerry Springer**, **David Letterman** and "Hard Copy" amongst others. Muller is also the author of the best-selling book, *Dad, Dames, Demons, and a Dwarf* and he has written for *Playboy*, *Gear Magazine* and other publications. **Conclave XXX: Hardcore Radio** happens July 21- July 24, 2005 at the Marriott City Center in Downtown Minneapolis. Early bird tuition is only \$199 now through December 31, 2004. For more information and to register now for the 30th Anniversary Conclave Learning Conference, call 952-927-4487 or visit the website at [www.theconclave.com](http://www.theconclave.com).

Omaha-Council Bluffs Fall Book Phase 1 Trend. **CC's** N/T KFAB down but still in charge. *Rumor:* Will that be our very own **Tremolo** being prominently heard on **Fox' North Shore** next week? Makes that airplay on "Waiting Room" that much more special now, doesn't it. **ADD KQIC!!**

**Clear Channel** didn't have to give a "Dam", as **Monterey Licenses** (AKA **Triad Broadcasting**) challenged the group's acquisition of **KDAM-FM/Fargo** (Hope, ND) from **Michael Radio Group**. Triad Broadcasting first attempted to stop the sale in 2001. Although Commissioners **Michael Copps** and South Dakota's **Jonathan Adelstein** agree with Triad, its petition for review was denied, primarily because of the new Arbitron-geographical market definition. The FCC points out that this regimen was not in use at the time of the sale, and explains, "We do not generally apply changes in ownership rules retroactively so as to require divestiture of existing combinations..." According to *Radio Business Report*, the suggestion that the cluster was too big based on an "alternative signal contour prediction methodology" which would have brought **KRVI-FM Detroit Lakes MN** into play was also rejected on general principles. FCC noted that before allowing the **KDAM** deal, **CC** controlled 53.6% of ad revenue, and **CC** plus **Monterey** had 92.6%. Now, despite adding **KDAM**, both numbers are down, to 50.1% and 90.4% respectively, which the FCC says refutes antitrust concerns. So, there.

Indianapolis Fall Book Phase 1 Trend. **Susquehanna** country **WFMS** leaving folks in the dust. **WFMS-FM** 11.9-12.2, **WFBQ-FM** 9.0-8.9, **WIBC-AM** 7.6-7.4, **WHHH-FM** 6.6-6.4, **WGLD-FM** 6.7-6.0, **WYXB-FM** 5.2-5.5, **WTLC-FM** 5.5-4.9, **WRZX-FM** 5.1-4.7, **WTPI-FM** 4.1-4.5, **WNOU-FM** 4.2-3.9, **WYJZ-FM** 2.8-3.4, **WZPL-FM** 3.5-3.4, **WENS-FM** 2.4-2.5, **WISG-FM** + 2.4-2.3, **WTTS-FM** 2.1-1.9, **WTLC-AM** 1.8-1.8, **WXNT-AM** 1.4-1.5, **WKLU-FM** 0.7-1.2, **WNDE-AM** 1.0-1.1, **WRDZ-FM** 1.1-1.1, **WSYW-AM** # 1.0-1.0, **WEDJ-FM** 0.9-0.9, **WXLW-AM** 0.6-0.9, **WKKG-FM** 0.6-0.6, **WIJY-FM** 0.5-0.5, **WWWY-FM** 0.5-0.4, **WCBK-FM** 0.4-0.4.

Notice how the station's playing **Richard Marx' "Ready to Fly"** kinda look like a 'who's who' of tough, adult radio: **KBIG, KHMx, KIOI, WOMX, WKTI, WWZZ, WMWX?** Think the reason is, it might just be a big hit? Yeah, we did too. **EMI/EMC**

FCC Commissioners **Michael Copps** and **Jonathan Adelstein** have set the stage for their public forum on media concentration next Thursday (12/9) in St. Paul. Hamline University is the site for the hearing, moderated by Macalester College professor and former St. Paul mayor **George Latimer**. Dozens of smart Midwest stations are spinning our own **Blenders** and **"When It Snows"**, both in regular and special holiday rotations. If you've misplaced your copy, let us know. If not, let the "Snow" fall on your listeners ears this season!

A Lil' Rascal Joins Journal! **Darla Thomas** has been named Program Director for (Hot A/C) KSRZ-FM in Omaha. **Erik Johnson**, who had been programming both KSRZ and KQCH, will return to his full-time duties as PD and afternoon talent on KQCH. Director of Operations, **Tom Land** says, "Darla is a highly talented, strategic programmer. Her knowledge of the Hot A/C format and leadership skills makes her the perfect choice to lead Star 104.5. Our goal with these announcements is to continue to lead and be dominant in each format with dedicated programmers for both stations." Thomas said, "Star 104.5 is one of **Journal Broadcast Group's** top Hot AC stations and a leader nationally in the format. I am thrilled to join the team and work with OM Tom Land to bring the station to the next level. I can't wait to rejoin the company and get started!" Thomas comes to the Journal Broadcast Group from **Sandusky's** KLSY in Seattle. Prior to Seattle, she was program director of Journal's KZPT-FM in Tucson. She also worked in San Antonio at KSMG-FM. She'll be in place shortly after the start of the new year.

In the mail to Minnesota country, AC, and Christmas stations: **"Minnesota Christmas Eve"**. **Darrin Rosh**a (pronounced, ROW-shuh) is a Twin Cities songwriter who's new holiday single wrings as much emotion out of the radio as **"Christmas Shoes"** did several years ago. This is a must-audition track which is guaranteed to get phones...which it's doing in Rochester, St. Cloud, Owatonna, Princeton, etc. already.

**Andrew Z** – morning man and now, MINISTER! The outgoing WIOG/Saginaw morning guy (he's really outgoing...to KZPT/Tucson) used his mail-order ministry to perform an emergency on-air marriage. Says **PD Brent Carey**, "Andrew heard from this engaged couple that had planned a 2005 wedding. The guy then found out he needed emergency back surgery, but he didn't have health insurance — his fianc e did, however." You can see where this is going, right? Andrew married the couple one hour before the gentleman's scheduled surgery, so he'd be covered by his new wife's health plan. On the man's way to the operating room, Andrew shouted that he also had a mail-order physician's license and would do the surgery FOR FREE! We believe the last words of the new groom before his anesthesia kicked in were, "No #%\*&-ing way!" Some or all of the above may be true. It's up to you to figure it out.

**WTMX (101.9 The Mix)/Chicago** VP/ Programming & Station Manager **Barry James** is the new VP/GM of Bonneville's recently launched **WILV (Love FM)**. James remains Station Manager of WTMX.

Chicago's **Museum of Broadcast Communications** has received a \$250,000 grant from **The Oprah Winfrey Foundation** for the museum's education program, *DocuFest*. The program provides free online access to streamed television programs as well as lesson plans for students and teachers. The grant will support the digital transfer of 150 programs from the museum's civil rights collection and create online curriculum for the programs. Included in the collection are many television and radio programs highlighting specific stories and events related to civil rights, along with programs that showcase the influence and accomplishments of America's civil rights leaders — including 2004 Conclave Keynote, **Dick Gregory**. Says MBC President **Bruce DuMont**, "Preserving important radio and TV programs is a part of what the MBC does, but sharing that content by turning programs into educational tools is how we maximize the influence of our collection. There is a tremendous appetite for accurate information in the online world, and we are grateful to The Oprah Winfrey Foundation for sharing our enthusiasm about the use of vintage television shows for educational purposes."

**Greg Solk**, longtime VP/Programming for The Drive and **WLUP-FM (The Loop 97.9)** has been named VP/Programming for the three remaining **Bonneville/Chicago** stations: WTMX, WDRV and WILV. He exited his Loop duties when Emmis took over the station this week. Also moving over: WLUP & WDRV Creative Services Director **Matt Bisbee** is now Director/ Creative Services for WTMX, WDRV, and WILV.

*Changes.* **Jeffrey T. Mason** checks in from his new home: 7-mid at Beasley's country WKIS/Miami... Six years in the making, **Matt Luecking** is now the official PD of **WMGI/Terre Haute**...WPGU alumni **Chuck Allen** has been hired as LSM for WPGU/Champaign, Illinois. He was most recently employed as the Associate Publisher of **Tucker Publications, Inc.** in Lisle, Illinois...**Bo Richi** is the new PD of **Cumulus CHR/Pop WKFR/Kalamazoo, MI.** He makes the move from upstate CHR/Pop WKHQ and PD/mornings on AC sister WLXT. Richi replaces **Woody Houston**, who exited a few weeks ago...**ABC/Disney** rocker WZZN/Chicago weekender **Shark** moves to afternoons at WZGC/Atlanta.

The morning show crew at Cleveland Active Rocker WMMS better watch their backs. **Sean, Cristi** and **Hunter** laughed it up earlier this week when they pulled a holiday prank on their very own afternoon guy, **Maxwell**. The jokesters wrote up a fake email from the powers that be and sent it to the unsuspecting Maxwell, convincing him that starting Monday (12/6), the station would be flipping to an all-Christmas format. This naturally didn't sit well with the rock fans that got the news from the disgruntled Maxwell who spent the afternoon complaining about the flip. Imagine his surprise when one of the calls he took was from Hunter...informing him that he'd been had. Stay tuned for the story of Maxwell's inevitable revenge!

Country legend **Charlie Daniels**, CMA Horizon Award Winner **Joe Nichols**, Brewers Announcer **Darren Sutton**, and Milwaukee Wave Coach **Keith Tozer** were among the celebrities who phoned Milwaukee's New 104.7 The Wolf (WEXT) to congratulate Jim Shea and Lisa on conducting a successful fundraiser to benefit the area's local troops. Since September 11<sup>th</sup> of this year, the station partnered with local **American Legion** chapters for their *Operation Phone Home fundraiser*. The drive wrapped up over the weekend, with The Wolf raising a total of \$12,819 for members of Wisconsin's military stationed overseas. According to **Dave Kurtz**, American Legion spokesperson, funds raised through Operation Phone Home will be used by the Legion to purchase two permanent satellite phones for the Fox Company Attachment of the Marine's 24<sup>th</sup> Battalion based in Milwaukee. In making the announcement, Kurtz squandered the opportunity to tell everyone this is the first time a Wolf has ever bought something for a Fox!

The holiday spirit arrived early for WWCK/Flint, who just wrapped up its fourth annual *High School Spirit* food drive. Said PD **Scott Free**, "This was our best year yet. Local high schools were competing to collect food for a local shelter called **Carriage Town Ministries**. We had this big 18-wheeler that went to all the schools that participated in the food drive. I'm proud to announce that the 'Caring Caravan' collected 33,767 food items this year! Free adds, "We are so proud of

**ABC/Disney's WDRQ/Detroit** got in the holiday spirit last week, stuffing a bus for 7 straight days! It was all part of the stations annual *Stuff-A-Bus* promotion. Says PD **Alex Tear**, "Last year, we collected close to \$1 million in toys, and all toys collected will benefit **Children's Hospital, St. Vincent DePaul, Haven, Lighthouse, Salvation Army, Toys for Tots** and more." Meanwhile, across the hall, Infinity Hot AC **KIMN/Denver**, PD **Ron Harrell** went direct to DVD...as the new PD of ABC's **WDVD/ Detroit**. He replaces **Greg Ausham**, who exited earlier this fall.

The **West Town Mall** in Madison was the site of live broadcasts for **Clear Channel Top 40 WZEE (Z104)/Madison** last week. Morning show hosts **Connie and Fish** got there bright and early at 6am Monday morning to kick off their "**Toy Tour 2004**". Their effort were well worth it, raising over \$15,000 and filling two large trailers with toys.

Last Tuesday, in an attempt to introduce a "truce" to the whole KISS (WKSC) vs. B96 saga in Chicago, **Java Joel** invited Kisser's **Chris Kelly** and **Silly Jilly** go to the B96 studios. There, they brought **Stylz & Roman** a freshly carved Butterball turkey as a belated Thanksgiving gesture of peace. Says Kelly, "We got to the building and told the security guard we were there to meet Stylz & Roman. We were allowed right up! When we walked in the studio, J. Roman told the intern who brought us up to take us right back down. In the midst of the confrontation, Dougie Stylz pushed me to try and get me to leave the studio. He eventually called security and we were escorted out. Dougie Stylz threw our turkey on the ground at the security guard, and told him to take it downstairs with us." Hmmm...sounds like a truce: Iraq-style!

Changes, Too. **Infinity Country KFKF/Kansas City** taps **Renee Fonner** as its new Promotion Director, checking in from Country WTHI/Terre Haute...Former **Emmis/Phoenix** Regional VP/Market Manger **Marv Nyren** has stepped into his new job as Regional VP/Market Manager of **Emmis/Chicago**...**Hunter Quinlivan**, former Top 40 WHZZ (Z101.7)/Lansing jock, has been named Promotions Coordinator for **Clear Channel Hot AC WVMX (Mix 94.1)** and Top 40 **WKFS (Kiss 107FM)**...**Matt Luecking** is now the official PD at **Bright Tower Top 40 WMGI (100.7 Mix-FM)/Terre Haute**. Luecking had been the Interim PD after **Steve Smith** left for **Cumulus Top 40 WHHY (Y102)/Montgomery** at the beginning of November...AC **WMRI (Lite Rock 106.9)/Marion, IN** has a new afternooner: former **WTPI/Indianapolis** personality **Pat Moore**...**Mark E.** is the new Imaging Director for **Three Eagles**. Coming from late nights at Top 40 **KQKQ/Omaha**, Mark E. will be working with the Lincoln cluster of Top 40 **KFRX, Classic Rocker KRKR (95 ROCK), Sports KLMS (ESPN 1480), and KFOR-A**, in addition to the 44 Three Eagles stations.
