CONCLAVE SCHOLARSHIPS NEED YOUR HELP! The Conclave is in the final 2 weeks of soliciting 2005 scholarship applications for three radio/music industry scholarships given annually to attend three nationally recognized educational institutions. And YOU can help!! The radio scholarships are offered to attend **Brown College** of Minneapolis, MN or to **The Specs Howard School of Broadcasting Arts** of Southfield, MI. One Music Business scholarship will be awarded to **Musictech/McNally-Smith College** of St. Paul, MN. In all, these Conclave scholarships represent a value of over \$65,000. Entry forms and more information are available inside career counseling offices at high schools around America or by visiting the Conclave website at www.theconclave.com. **The scholarship deadline is April 1, 2005.** Now, here's where you – as a radio pro – come in. Radio stations can help notify listeners about these valuable scholarships by downloading public service announcements at www.theconclave.com. These PSA's are available for instant-download, alerting listeners to the possibility of winning one of these valuable awards! You'll have your choice of a variety of voice-over styles for your station. Download as many as you like and schedule them often! Quality? They're provided in broadcast quality mp3! (Special thanks to **Jamie Phillips** KCVW/Waterloo, **Gale Parmelee** WEZF/Burlington, and **Sandy Bennett** WNSY/Columbus for volunteering their voice over services!) **The 30th Annual Learning Conference, "Conclave XXX – Hardcore Radio"**, is scheduled for Thursday, July 21 to Sunday, July 24, 2005 at the Marriott City Center in Downtown Minneapolis.

The *Tattler* thinks that when it costs \$25 bucks to fill up a Ford Focus, gas prices have become ridiculous. Given their new **"Alternative Fuel Source"** promotion, **Emmis** Alternative WKQX/Chicago must share this sentiment. The station is giving away free gas to listeners registered on their Q101.com website. Every hour between 10 and 10, a winner is announced. They then have 10 minutes to call in and claim their prize. In addition, each Thursday in March, **Turd** from **Mancow's Morning Madness** (Yes, THAT Mancow...the one keynoting the 30th Annual Conclave Learning Conference in July!) will be at a different **Chicagoland Shell** station pumping free gas for one hour.
