"...and the Horse We Rode In On"

**TATTLE BULLETIN:** Infinity launched the *Jack* format in New York City and Chicago today. Oldies WCBS-FM in New York City made the switch at 4P CDT, the same time Oldies WJMK-FM launched the format in Chicago. Details as they develop!

**MUZIKMAFIA - BIG & RICH, JON NICHOLSON, COWBOY TROY & FRIENDS – HEADLINE CONCLAVE OPENING NIGHT GALA!** The unique, multi-talented Nashville music review – *The MuzikMafia* will be appearing at the 30<sup>th</sup> Annual Conclave Learning Conference, providing the entertainment for the traditional Opening Night Gala. Presented by **Warner Brothers Records**, the Gala promises to be one of the most memorable in Conclave history (and some pretty fine folks have graced the Opening Night stage, like **R.E.O. Speedwagon** and the **Jayhawks!**). Convening at 6PM on Thursday, July 21<sup>st</sup> at the Marriott City Center Hotel immediately after the All Access Conclave College SuperSession - with ABC Radio's **Gil Gross, John Dickey/Cumulus, Peter Smyth/Greater Media, and Don Benson/Jefferson-Pilot** – the Gala offers libations, food, fun, and frivolity. The Gala, which has always been the premier rendezvous point for further Thursday evening activities, is now a destination in itself! What is the MuzikMafia? Otherwise known as "The Godfathers", the organization includes **Cory Gierman, Big Kenny, John Rich, and Jon Nicholson**. The Godfathers founded the phenomenon back in October of 2001. Big Kenny, Rich, and Nicholson would play with various guests at Nashville's *Pub of Luv* every Tuesday night, while "The Don" Gierman handled all of the Mafia's business. Soon Nashville's movers and shakers began to take notice of this weekly happening, and felt the Godfather's love of music needed to be shared with the masses. Big Kenny, and John Rich were eventually signed as the genre defying act, known as Big & Rich, and Jon Nicholson along with Cowboy Troy were recently added to the Mafia, as well. Other members of the Mafia family include double platinum artist **Gretchen Wilson, James Otto, Shannon Lawson, Chance, Mista D, Rachel Kice and Cowboy Troy**. You've never seen or heard anything like the MuzikMafia ([www.muzikmafia.com](http://www.muzikmafia.com)), and your only industry chance to witness these masters at work is by attending the **30<sup>th</sup> Anniversary Conclave Learning Conference: Hard Core Radio**. Call 952-927-4487 for a registration form (\$399 tuition extended for a limited time only) or more information!

That **Oprah**, she's got a hand in everything. Her **Oprah Winfrey Foundation** is behind support for an innovative educational program being offered by the Chicago **Museum of Broadcast Communications**. The program provides web to k-12 teachers, illuminating the history of civil rights. It includes a vast searchable database with access to video and audio components, putting 215 relevant TV and radio programs at student and educator fingertips. And then Oprah gives everyone a new car....or not.

Did any one else notice that **Colin Powell** was at the **Indy 500**? No? Hmm. Too caught up in the **Danica Patrick** excitement no doubt...what with her fourth place finish and all. Perhaps then **Buddy Lazier's** fifth place finish was also overlooked. The **Jonathan Byrd/ESPN 950 AM-Indianapolis/Dallara-Chevrolet** sponsored car was badly damaged in a crash on 5/27, but managed a top ten finish none the less. Congrats!

The Conclave is proud to announce that **Luke Prins** of Isanti, MN has won the **Dennis Becker Memorial Scholarship** to attend **Brown College** of St. Paul, Minnesota and **Gary Steven Ahlberg** of Dryden, MI has won a scholarship to attend the **Specs Howard School of Broadcasting Arts** of Southfield, Michigan. The scholarships will be presented to the winners during the 30<sup>th</sup> Annual Conclave Learning Conference Awards Luncheon being held on Friday, July 22, 2005 at the Marriott City Centre in Minneapolis, where they will be recognized along with the winners of the soon-to-be-announced recipients of the **McNally-Smith College** (formerly Musictech College) Scholarship, **3 Doug Lee Memorial Scholarships**, and the **Conclave Continuing Education Award**. In all, Conclave scholarships represent a value of over \$70,000. Hosted by syndicated afternoon drive hosts, **Matt & Ramona**, the Conclave Awards Luncheon annually provides the record and radio industry with fresh new talent where previous winners have gone on to have successful media careers since the first scholarships were awarded in 1979. Rumor: Will a surprise superstar provide the musical merriment at this extra special luncheon??? The 30th annual Conclave Learning Conference begins Thursday, July 21 and goes through Sunday, July 24, 2005 at the Marriott City Centre in Downtown Minneapolis, Minnesota. Tuition is at an industry best \$399 now through Thursday, June 2. For more information and to register now for the 30th Anniversary Conclave Learning Conference, call 952-927-4487

Everyone can rest easy. **Clear Channel/Akron** was not being pirated, after all. It was, instead, a rather obvious prank heralding the flip of Sports WTOU-AM to a liberal talk format. The line up at the new station will include **Jones/Democracy Radio** personalities **Stephanie Miller** and **Ed Schulz** along with **WOR Radio Networks's Lionel**. Former California Democratic Party Leader **Bill Press** will be on morning duty, talking from 6-9

**Changes.** KZIA/Cedar Rapids names three interns for the summer. **Natalie Owens, Erica Kolsrud, & Tara Monson...Cabana Boy** leaves afternoons at CKHZ/Kansas City to move crosstown to **Infinity Top 40 KMXV** where he'll be on night duty. The Boy is filling the shoes left vacant by **Lucas** who moved on to MD/Middays at KDWB/Minneapolis...**Clear Channel** Mainstream AC KESZ/Phoenix welcomes former sister Hot AC WVMX/Cincinnati morning dude **Kevin Gossett** on as PD...**Big Greg Williams** is upped from APD/MD to acting PD at **Radio One** Urban WIZF/Cincinnati.

Ohio. Format Flip. What? You need to know more. A hint: **First Broadcasting** Modern WOXY/Oxford is *not* flipping to a format featuring tons of local and new music. Instead they, along with sister stations Classic Country WAOL/Georgetown and country WAXY/Ripley, are assimilating into the brave new world of Jack, effective 5/28. Never fear, though, listeners will still have some say about the stations; there will be contests to let them pick new names. The stations will be overseen by GM **Heather Frey**.

WKLH/Milwaukee's **Dave & Carole Miracle Marathon** successfully wrapped up the 2005 edition this afternoon at 5, again raising over \$1.4 million dollars for Children's Hospital of Wisconsin. All of the money raised goes directly Children's Hospital.. WKLH's morning team of **Dave Luczak** and **Carole Caine** based their 60-hour marathon broadcast from the Children's Hospital dining room. On-site, Dave & Carole connected with patients in addition to playing 'KLH's regular music and customized songs featuring snippets from interviews. "This place not only saves the lives of children, it saves their families", said Luczak. In addition to patients and families, medical staff members at Children's were also on the air with updates on the latest research being done at the hospital. "Children's is the greatest pediatric care facility in the Midwest, probably even the country," said Caine. "And to have it here in our own backyard is truly awesome for those who need it." At the end of the on-air portion of the marathon, Dave & Carole thanked volunteers and the hospital for letting the WKLH audience make a difference in the lives of children who come to the hospital. As Dave & Carole signed off last Friday at 5pm, the \$1.4 million amount was announced, matching 2004's record amount. To date, the WKLH audience has pledged over \$7.5 million dollars for Children's Hospital of Wisconsin through the eight Miracle Marathons!

**CONCLAVE PRESENTS CLASSIC CRS PROMO SESSION!** Here's session moderator, **Gator Michaels** (Sr VP/Promotion- **Warner Bros**) to tell you all about it! "One of the big challenges for radio stations, regardless of market size, is how to create fresh promotional ideas that can help sponsors achieve their goals and promote their station at the same time. Given the demands on today's Program Director, it is increasingly difficult to find time for "out of the box" thinking...Of course, the *Country Radio Seminar* is one of the best sources of promotional ideas for radio. Each year **Country Radio Broadcasters** presents a panel that provides a wealth of successful ideas garnered from stations all across America. Many of these ideas were submitted for consideration for the promotional awards that are presented each year at CRS, which recognizes the best promotions done during the past year by Country stations in small, medium and large market categories...This is always one of the most popular panels at CRS, and we have been asked to present it at The Conclave this July in Minneapolis...This presentation is intended to provide ideas that stations in markets of all sizes can put into place on the Monday morning following The Conclave and increase audience and revenues...The session, "CRS at The Conclave: 60 Ideas in 60 Minutes" will be presented at 3:30 pm on Saturday, July 23. That's sixty great promotion ideas from some of the best radio stations in the country, all in 60 minutes!" Couldn't have said it better, Gator!
