**"Doctor Recommended!"**

Could it be that **Infinity** CEO **Joel Hollander** doth protest too much? He certainly seemed on the defensive in statements made in a recent article in the **Chicago Sun-Times**. When reporter **Robert Feder** asked about the recent top-secret format flip from Oldies to Jack at WJMK, Hollander was quick to stand by the change saying, "...The radio station was bleeding. I stopped the bleeding. Only time will tell if we're right about it. We made a change. And I don't apologize for that...(p)eople want to put their goddamn foot on your neck whenever you make a change. The problem is that there's a lot of people who don't have the balls to make a change. OK? We're on the offense. We're not on the defense. OK? We might have made a mistake. Right now, I don't think we made a mistake." He went on with his invective, adamantly denying any desire to harm fans or staff by keeping the flip under wraps. He claimed the veil of secrecy was to prevent competitors from beating infinity to the Jack punch. "If we could have done it a different way, we would have. But we couldn't...I'm not trying to come across as cold and callous...if you want to portray me as a cold and calculating person, that's fine. That's your prerogative. But you're doing total misjustice (sic) because that's not who I am." But how do you REALLY feel, Joel?

**I WENT TO THE CONCLAVE AND ALL I GOT WAS THIS LOUSY BOOK!** The 30th Annual Conclave Learning Conference at the Marriott City Centre Hotel in Downtown Minneapolis, July 21 through Sunday, July 24, 2005, is destined to be a spectacular, once-in-a-lifetime event. To help remember this special anniversary year, the Conclave has published, **"AIN'T MISBEHAVIN', JUST CONCLAVIN! – 30 YEARS OF THE CONCLAVE LEARNING CONFERENCE."** The big news is that the 148-page retrospective will be FREE (book list price, \$49.98!) with each paid registration to the 2005 Conclave Learning Conference! Readers of the book, which was compiled and edited by **Jay Philpott** and contains a foreword by **Joel Denver** with illustrations by artist, **Bobby Ocean**, will find golden nuggets of Conclave history. Such as, which Conclave Keynote speaker had a role in the arrest of another Conclave keynoter? What four individuals have had their names mentioned the most times in Conclave literature? How many different hotels have hosted The Conclave during its first 29 years? In what year did the first Bowling Party occur? In what year did the Conclave offer

the "No Sweat Guarantee"? In what year did the Conclave present its first live performance and who was it? With plenty of historic photos, the book answers those questions and many, many more. According to Philpott, "It's hard to believe that the Conclave has been at it for 30 years! Consider this a "yearbook" for the radio class of 1976 - 2005! It's a guided history of the Conclave for newcomers as much as it is renewing memories for the cagey veterans! We look forward to presenting this book as a gift to our industry." And it'll be inside everyone's Welcome Bag when they check in. Don't miss out!!

HD Radio is coming to Chicago. An **FCC** Experimental Authorization was granted to **Infinity** 60/70's Hits WJMK HD-2, allowing the station to broadcast digitally and online at [www.wjmk.com](http://www.wjmk.com). The station will be programmed separately from sister Jack WJMK-FM, and will boast it's own line-up of on-air personalities including **Dick Biondi**, **Fred Winston**, **Greg Brown** and **Paul Perry**. The station is expected to launch some time in July.

**Tom Gjerdrum** has made the decision to step down as PD for **Entercom** Hot AC WMYX/Milwaukee, with OM **Brian Kelly** taking on the role in addition to hi PD duties at Top 40 WXSS. The parting is a friendly one. Tom can be reached at (262) 751-7853, or [tomgradio@aol.com](mailto:tomgradio@aol.com)

**The Tattler** reported last week on a fire that consumed the home of WGN/Chicago morning man **Spike O'Dell**; it seems the cause for the blaze was an ember that fell from a gas grill that had been fired with charcoal instead of propane by the housesitter caring for the property while the O'Dells were on holiday in Alaska.

**OPENING NIGHT SHOWCASES ADDED TO LEARNING CONFERENCE AGENDA!** 30<sup>th</sup> Anniversary Conference-goers will be treated to very special performances by two very special artists on Thursday, July 21<sup>st</sup>. Immediately following the Opening Night Welcome Gathering featuring performances by artists belonging to **The MuzikMafia**, Learning Conference registrants are invited to Minneapolis' famed Quest nightclub (just 2 blocks from the Marriott) to enjoy the music of **Warner Brothers' Trapt** ("Headstrong") and **Island Records** artist **FeFeDobson** ("Take Me Away")! Ms. Dobson performs in the Quest's Ascot Room (second floor) shortly after the festivities inside the Marriott end, and Trapt will entertain after FeFe's full-band performance in the Quest main room. Both labels will have laminates available for admittance to the club, but each registrant's Conference name badge will also serve as a "ticket" for the night. And Claver's can expect a generous food and beverage bounty through the evening, beginning at the Welcome Gathering (sponsored by Warner Brothers) and then provided by both Warners and Island at the Quest/Ascot Room.

**Infinity** Top 40/Rhythmic WBBM/Chicago is paving the way for a new technology...at least new to the US. The station will be launching **Visual Radio**, already in use in Europe, in a partnership with **Nokia** and **Hewlett-Packard**, making FM radio available on celphones, along with interactive graphics and pictures.

The MuzikMafia members **Gretchen Wilson, Big & Rich and Cowboy Troy** have joined forces with **Chevrolet** to make their recording entitled *Our America* available for free over the holiday weekend. Starting today (7/1) and continuing through Tuesday (7/5), fans can log on to [www.OurAmerica2005.com](http://www.OurAmerica2005.com) to download the tune free of charge. It's appropriate for the 4<sup>th</sup>, as the song intermingles *The Star Spangled Banner* with excerpts from various patriotic missives, including the preamble to the Constitution, Martin Luther King, Jr.'s *I Have a Dream* speech and the Declaration of Independence. Of course, the MuzikMafia pulls up at this month's Conclave Learning Conference on Thursday, July 21<sup>st</sup> entertaining those attending the Opening Night Welcome Gala!

**Radio One** R&B/hip-hop WDTJ/Detroit moves from 105.9 to 102.7 to become Hot 102.7, "We R Hip-Hop." Sister WDMK relocates from 102.7 to 105.9 as Kiss-FM, "Detroit's R&B Leader." The swap also will see WDMK moving from strictly R&B oldies to a mix of "ol' school jams and today's hits." The station also becomes the new home of the **Tom Joyner Morning Show**, from 6 a.m. to 10 a.m.

**XM Satellite Radio** and **Raytheon** have constructed a communications system that would use XM satellites to allow communication to military and emergency personnel. The system is called the **Mobile Enhanced Situational Awareness Network (MESA)** and will use a special channel reserved for such use and only accessible with special receivers. If you want to know more, hunt down XM VP/Programming **Lee Abrams**, who'll be serving as a faculty member at the Programming Summit during this month's **Conclave Learning Conference**, July 21-24.

And here's the second piece of great news: If any participating employer or applicant wants to take in the remainder of Saturday's Learning Conference agenda, the cost will only be \$49 - which includes the Conclave's famed Legends Luncheon! Employers interested in reserving a table are encouraged to contact **Karol Baumeister** of Brown College at 651-905-3499 or **Tom Kay** of the Conclave at 952-927-4487. Space is limited to the first twelve employers who respond by Friday, July 15, so hurry!

**CONTINUING EDUCATION SCHOLARSHIP DEADLINE EXTENDED.**

The Conclave will award a \$1,500 Continuing Education Scholarship during the 30th Annual Conclave Learning Conference being held at the Marriott City Centre Hotel in Downtown Minneapolis from Thursday, July 21 through Sunday, July 24, 2005. The Continuing Education Scholarship will be awarded to someone already working within the industry, or a student/teacher, or someone serving the radio industry! In short, the scholarship is available to anyone registered for the 30th Learning Conference. To allow late registrants an opportunity to win this valuable award, the scholarship application deadline has been extended to Monday, July 11, 2005. A scholarship application form/instruction was emailed as part of each registrant's confirmation package, but if you need another copy, contact the Conclave office. The application process is simple. Just submit a brief essay on the topic "Why I'd Like to Win the Continuing Education Scholarship". And here's an Important Hint: because this is such a specific scholarship aimed at a specific audience, it does not attract a ton of applicants. That means, if you apply, you have a great chance of winning it!. The \$1500 Continuing Education Scholarship may be applied to tuition, books, or other materials pertaining to the winner's course of study at a recognized institute for higher learning. This school/institution may be a college, junior college, trade or vocational school, Internet or extension course/offering or any other school offering the education/training, which is desired by the applicant. A winner will be notified on or before the first day of the 2005 Conclave (July 21, 2005). Entries are to be judged by an assembly of the Board of Directors and the Executive Committee. So, if you're registered use this long holiday weekend to write your essay. Then, prepare to be honored at the Learning Conference in 3 weeks.
