"Hospital Tested!"

To the surprise of absolutely no one, **Entercom** active rock WAAF Boston PD **Keith Hastings** returns as PD at **Saga** active WLZR (Lazer103) Milwaukee, effective August 1. Hastings resigned at WAAF/Boston late last week, one day after **Sean Elliott** left his PD post at Lazer. Elliott had been at Lazer for nearly two years. Keith told *Billboard Radio Monitor*, "I never lost the fondness I have for WLZR, Saga Communications and Milwaukee. I feel very fortunate that the stars seem to have aligned perfectly for what can only be called a homecoming. I'm very proud of the chapters I helped write there and I am really chomping at the bit to write many, many more."

ARRIVING EARLY FOR THE LEARNING CONFERENCE? TAKE IN THE MINNESOTA TWINS-BALTIMORE ORIOLES BASEBALL GAME - FREE! This year, the Conclave along with Nielsen/BDS Radio will be treating early-arrivers to the Twins-Orioles baseball game, starting at 12:10PM on **Wednesday, July 20th**! See the 3-time Central Division champion Twins take on the surprising Orioles in a matinee contest. It'll be a replay of the All-Star game on the Metrodome field – **Miguel Tejada, Brian Roberts, Johann Santana, Joe Nathan...**along with **Torii Hunter, Sammy Sosa, Shannon Stewart, and Rafael Palmiero** (will Raf get his 3000th hit that day??). How do you get a ticket? It's simple. Email us – info@theconclave - and tell us you want to go. Let us know if you'd like one or two tickets, and tell us what name you'd like the tickets under at will call (you'll need identification). If you've registered for the 30th Learning Conference, you'll receive confirmation of your tickets by return email, and they'll be waiting for you at the Dome! But you've got to hurry. The deadline to receive tickets is Monday, July 18th. We have a limited supply and when they're gone, they're gone. If you're going to be in Minneapolis a day before the Learning Conference begins, see a major league ballgame courtesy of the Conclave and your friends at Nielson/BDS Radio. One more VERY important thing: It'll be Dollar-A-Dog day for the Twins-Orioles contest. Hot dogs, just a buck each that Wednesday!!

Propane grill ignited, weekend host fired. **Eric "Bubba Bo" Boulanger**, host of **America's Trucking Network**, had guests in the studio at **Clear Channel** Talk WLW-AM/Cincinnati. Apparently they were hungry guests, as they decided to grill up some burgers...in the studio. "Unbeknownst to me," Boulanger told the **Cincinnati Post**, "one of them had a propane grill and fired it up in the kitchen area of the building. I didn't handle the situation very well, and I got fired over it ... They were my guests. It was my fault. It was my responsibility. It wasn't what I did. It was what I didn't do."

Conclave Keynoter **Mancow Muller** is going to bat for his friend and colleague **Kevin Matthews**. The latter left **Infinity** Talk WCKG/Chicago in March, and the **Chicago Tribune** stated on 7/3 that Muller, of WKQX, is "openly lobbying his bosses at Emmis" to nab Matthews for afternoons at sister Classic Rock WLUP. **Tim Dukes**, PD for WLUP, was non-committal when asked, saying "at this point, it's too early to say who will wind up being in that position permanently."

As evidenced by the huge success of the recent **Live 8 Concerts**, music has a unique ability to rally support around worthy causes, just ask **Kory Van Sickle** of **Kory & the Fireflies**. While traveling as a guest with U2 the end of April, Van Sickle was introduced to the **ONE Campaign**, an organization whose goal is to raise global AIDS awareness and fight extreme poverty all over the world. (www.one.org) Inspired by the philanthropic ways of **Bono & Co.**, Van Sickle has been using the Fireflies' live appearances and promotion of their new single as platforms to spread the word about ONE. "We have teamed up with (ONE) and have basically "donated" our new single '**She's Comin' Back Again!**' to the One Organization," says Van Sickle. "At all our shows we're signing people up and handing out the white wrist bands along with copies of our new single. We've also made *She's Comin' Back Again!* available on several radio station websites. Kory and the Fireflies make a one-dollar donation every time it's downloaded. "The band's efforts haven't gone unnoticed by the organization. **Susan Guy**, Heartland Field Organizer for ONE, is ecstatic about the response, "Kory and the Fireflies have brought the awareness of ONE to South Dakota! More people joined the campaign at their Ribfest show than at any other event we've had in the entire Heartland! This speaks directly to the point of the campaign - ONE person (and ONE band) really can make a difference!" To learn more about Kory & the Fireflies or to request copies of "**She's Comin' Back Again!**", contact **Claire Sather** at 952-927-4487.

Des Moines Radio Group AC KLTI/Des Moines and **Dahl's Food's** are joining forces to prove that there is, afterall, such a thing as a free lunch. From 11-1 today (7/8) at **Nollen Plaza**, the first 2,000 people will eat for nothing at **The Lite Listener Lunch for the Community**, but it doesn't end there: each Friday for the rest of the year, a selected office in central Iowa will have lunch delivered free.

Omaha Spring Book, Phase 2 Trends. **Journal's** T40 KQCH and rock Z92 finish at the top. KQCH-FM 7.8-7.9, KEZO-FM 7.6-7.6, KFAB-AM 7.2-7.5, KGOR-FM 6.9-7.4, KXKT-FM 7-7.1, KQKQ-FM 6-6, KKCD-FM 5.3-5, KSRZ-FM 4-4.4, KBLR-FM 3.3-3.4, KEFM-FM 2.9-3.1, KOMJ-AM 3.9-3, KHUS-FM 2.7-2.9, KCTY-FM 2.5-2.7, KLTV-FM 3-2.7, KKAR-AM 3-2.5, KGBI-FM 2.6-2, KOZN-AM 1.6-1.8, KBBX-FM 1.4-1.5, KOIL-AM 0.7-1.1, KXSP-AM *-0.7.

Not only is singer/songwriter **Jon Patrick McClaren** making an impact with his single *Chasing Butterflies*, but it would also appear that he's making friends in radio, too. "Jon Patrick is the ideal kind of singer - the everyday kind of guy you can sit and have a drink with, yet the star talent when it's time to shine. Not enough O's in SMOOTH!" exclaims **Todd Mitchell**, KYYY/Bismarck, ND. Chiming in with praise for the single is **Dave Miller** (KWYR/Winner, SD) with, "Chasing Butterflies is a lyrical gem and it will strike a cord with many listeners. Great first album and good luck Jon." You can hear

BREANNA WOVES 'EM! 4 Entertainment recording artist **Breanna** had them standing in the aisles at last weekend's Twins-Devil Rays baseball game at the Dome. Of course, that's what happens when you're selected to sing the National Anthem! But the applause that followed was loud and long, coming from 30,000 and a few Twins who hear the song nightly. If you'd like her to tell you about the thrill of performing in front of a Dome crowd and LA's Whiskey all in the same week, let us know and we'll get a phoner set up for you! Oh yeah, her "**No Other Love**" is moving on up at KWOA, and has started the spin count at KQIC!

Keep your friends close and your enemies closer. **Infinity AC KEZK/ St. Louis PD Mark Edwards** can probably tell you a thing or two about that piece of wisdom after a strange encounter with former crosstown employer **Bonneville Modern AC WVRV (The River)**. Edwards parted ways with the latter company several years ago, so it came as a shock when a clueless rep from the station showed up at his house, hands full of River merchandise for them to give away. Edwards and his wife were holding a garage sale at their home, a sale they had advertised in the local **Suburban Journal**. Seems said paper was partnered with WVRV for a promotion that singled out one garage sale a week. The River employed told Edwards' wife that they'd been selected at random, that they would win prizes if they'd agree to give up an item to be auctioned on eBay. "My wife donated a small item," Edwards said, "but then very nicely informed the River person that she couldn't hand out the stickers and shirts because it would be a conflict of interest. She then told (her) who I was and where I worked to which (she) said 'I've never heard of him.' My wife omitted the fact that the River fired me a couple of years ago, I'm guessing since there were prizes to be won." What is it they say about karma...? Ask Mark when you see him at the Conclave Learning Conference in 2 weeks.
