**"Doesn't Know How To Play The Blame Game"**

The blogosphere, spearheaded by conservative scribe **Michelle Malkin** ([www.michellemalkin.com](http://www.michellemalkin.com)), is buzzing this week about the latest developments in the **Air America/Gloria Wise Boys and Girls Club** affair, only this time the ire is focused not on former executive **Evan Cohen**, but on 2005 **Conclave Keynote Al Franken**. Malkin, along with **New York Sun** reporter **David Lombino** and others, are claiming that contrary to his initial claims of ignorance, left-leaning talker Franken knew all about the money exchanging hands between the Boys and Girls Club and Cohen's Piquent, LLC, which owned Air America at the time. Backing up their claims are documents detailing the loan agreement bearing what appears to be Franken's signature. **Danny Goldberg**, CEO for Air America, claims that said document is in now way an indication of any wrong-doing on Franken's part, and is in fact a settlement agreement that was created for certain investors, executives and talent to waive any claim they might have had against **Cohen** and co., not the initial loan paper that Malkin alleges. Franken has made no comments.

**TALENTRAK 2005!** The 10<sup>th</sup> edition of the Conclave's exclusive air talent seminar, TalenTrak 2005 is Saturday, October 15<sup>th</sup> at the Holiday Inn/City Centre Lakeside in Cleveland, Ohio. The day begins at 9AM with a rapid-fire series of hard-hitting instruction. Then, it's TalenTrak Keynote time with X-treme Radio/Cleveland's controversial morning talent, **Rover!** At 2PM, it's the all-important *Aircheck Clinic* (for the first 60 registrants, only; bring your scoped 3 minute aircheck ON CD ONLY!!) At the conclusion of the day, TalenTrak presents "Great War Stories of Radio," and intimate glance at the trials and tribulations of some of the industry's most successful air talents, taught in story form! You'll laugh, you'll cry, and for sure – you'll learn! It wouldn't be a Conclave event if

more food and drink weren't supplied, so that's why the TalenTrak Happy Hour wraps up the day! Faculty for all these sessions will be announced shortly. The price for all this learning? Just \$49 – for one more week. On 9/16, tuition rises to \$59...so why wait? (The group rate of \$39 each for a group of 4 or more from the same station/cluster who register at the same time has been extended until 9/16, as well!). For more details, check [www.theconclave.com](http://www.theconclave.com) or call the Conclave office at 952-927-4487.

South Dakota's **Stockinrock Records** is proud to announce the signing to exclusively represent country music artist and Wilmot, SD native, **Greg Hanson**. His Stockinrock CD will be re-issued in the Spring of 2006 (FYI- it was written and recorded with Dennis Morgan, a Minnesota native, who resides in Nashville and has penned more than 20 number one hits for artists like Faith Hill, Rod Stewart, Reba McEntire and many others!). ## "You'll Think Of Me"

"People automatically assume that because I'm in Nashville I can play these kinds of records more easily. Actually the opposite is true. With all the country in this town I have to let my audience decide which ones they want to hear. This is one they love. HUGE callout scores before I even played it once. Sometimes great songs just transcend all genres. THIS is one of them."  
- Rich Davis, PD, WRVW/Nashville

"We put 'You'll Think Of Me' in callout and it came back number three. Since we had never played the song at that point we thought it was a fluke. So we put it back in research the next week and we were right - it was a fluke. This time it came back NUMBER ONE!"  
- Jeff McHugh, PD, WKZL/Greensboro

"Need a good 'Urban' crossover song? Top five, even with our younger female demo's."  
- Tias Schuster, PD, WKRZ/Wilkes Barre

Nominations aren't the only thing making headlines for **CMA**. An article in Thursday's (9/8) edition of *The Tennessean* brought into question CMA's decision to move the awards location to **New York City's Madison Square Garden**. Staff writer **Peter Cooper** brings to light Big Apple residents' confusion as to why the event is being held in a city home to exactly zero Country radio stations. One confused New Yorker said, "...I can't think of anyone at all who listens to country. That's why I'm surprised to find out they're going to have the awards up here." To CMA Executive Director **Ed Benson**, this attitude is exactly the point, "This evidences the reason we're here. The media in New York is incredible...more than we'd get back in Nashville." This media was on hand to capture the scene in Union Square Park later that day as 2005 Conclave performer **Cowboy Troy** to the stage in his uniform of cowboy hat and belt buckle the size of a few metro cards. Surrounding him? Hay bales. It's remains a mystery to many why the Nashville music association establishment – when they want to do country presentations like award shows outside of Tennessee – travel to places like New York or Los Angeles. When was the last major national country music event held in the heartland cities of Minneapolis, Kansas City, or Milwaukee...where country radio is not only present, but has been known to dominate?

All across the country, radio has been partnering with their listenership in order to give to the victims of **Hurricane Katrina**. The outpouring has been overwhelming: **Little Rock, AR:** 9/1, **Archway** Top 40/Rhythmic KHTE's **Toni & Brad in the Morning** broadcast live at the **Pine Bluff Convention Center**, raising money for the victims housed there. Also, co-host and Conclave Board Member Brad Erickson will lead a group of listeners to Louisiana over the weekend to help in any capacity needed. **Larimer County, CO:** 9/10, *Radio United*, 12 stations will come together for a live broadcast and auction...**Manchester, IA:** 9/2, KMCH staff and listeners raised \$5,000 and filled a 53 ft. semi with goods requested by the **Houston Food Bank**...**Boise-Twin Falls, ID:** 9/9, *Radio Relief*, 35 area stations united for a 6am-8pm radiothon...**Bloomington, IL:** 9/1-5, **Radio Bloomington** collected donations totaling nearly \$130,000...**Decatur, IL:** 9/2, **NextMedia** News-Talk WSOY and WAND-TV broadcast live with for 12 hours raising \$250,000...**Indianapolis, IN:** 9/8, *Hurricane Relief Online Auction*, Indiana-based syndicated team **Bob & Tom** raised \$311,975.00, including a \$100,000 gift from **Colts** coach **Jim Irsay**...**Detroit, MI:** **ABC Radio** stations have partnered with the **Salvation Army**. Current donations top \$500,00...9/7, **Clear Channel** Urban WJLB and Urban AC WMXD broadcast live from area **McDonald's**, all donations went to the **Salvation Army**... **Lansing, MI:** 9/4, **Citadel** teamed with TV affiliate WILX for a live broadcast bringing in over \$250,000...**Minneapolis, MN:** 9/9, *River of Relief*, 30 stations came together for a live 5am-noon broadcast raising over \$200,000...**St. Louis, MO:** *Hand from the Heartland*, **Bonneville** Country **WIL** has set up drop off centers at 37 **Dobbs Tire** stores to collect food and toiletries...**Springfield, MO:** 9/2, **Clear Channel** AC KGBX played requests from 6am-7pm in exchange for donations raising over \$19,000...**Columbus, OH:** 9/1, **Saga** AC WSNY's **Sunny in the Morning with Dino and Stacy** broadcast for 30

hours, raising nearly \$170,000.00...**Madison, WI:** 9/7, *Labor of Love*, **Clear Channel** Top 40 WZEE's **Connie & Fish** joined with **Two Men and a Truck**, donations were enough to fill 7 vehicles and 3 semi-trucks...**Milwaukee, WI:** 9/9, *Mothers Helping Mothers*, **Journal** Hot AC WKTI partnered with area businesses to host collection centers gathering necessities for infants...In a drive spearheaded by the **Saga/Des Moines** cluster of stations, central Iowans showed their generosity yesterday as nearly 200 volunteers from Mercy Medical Center and **Des Moines Radio Group** collected over \$138,000 for **American Red Cross** Hurricane 2005 Relief.
