Johnny Rock Returns! The last live voice heard on Jack-FM, now becomes its new PD. John Lassman, who was the morning voice of Mix104, returns to Infinity as PD of KJZK/Minneapolis. The 23 year vet has programmed a variety of music formats, from alternative to AOR in cities like Richmond, Detroit and Minneapolis. In the Twin Cities, John was Assistant Program Director at KQRS and Program Director for the "THE EDGE." John will begin his new position next Monday, September 26th.

A critical agenda, killer faculty and most of all, another Conclave spectacular, has been lined up for the 10th edition of TalenTrak, the industry's most unique and exclusive air-talent seminar, set for Cleveland on Saturday, October 15, 2005 at the Holiday Inn Select/City Centre Lakeshore in Cleveland, Ohio! Sponsored in part by BDS Radio and AudioXchange/BitXchange, TalenTrak's impressive agenda begins with an off-the-wall, but totally on-target presentation about "how NOT to get a job," led by McVay Media's Daniel Anstandig. It will be followed by a different kind of seminar - on the topic of "BEING different and succeeding," headed by Clear Channel/Pittsburgh's Mark Anderson! Then, the morning sessions conclude with a revelation of the important steps necessary to "KEEP a job," with point-person Kipper McGee, PD of WLS/Chicago! The TalenTrak 2005 seminar will feature

a keynote presentation by Rover, syndicated radio's most acclaimed newcomer (and morning maven at 92.3 Xtreme Radio/Cleveland), and served up with a free lunch! A Conclave tradition follows with the star-making Aircheck Clinic for the first 60 registrants who bring a scoped 3-minute CD aircheck. An all-star programming team has been invited to share and serve as career guides and Aircheck Clinic faculty for the day, including: Greg Ausham, Envision Radio/Cleveland - Jerry Boulding, Conclave Board member and All Access urban editor - Tracey Carroll, Lanigan & Malone/Cleveland - Tim Kelly, Elyria-Lorain Broadcasting/Cleveland - Allan Fee, WQAL/Cleveland - Mike McVay, McVay Media - Kim Monroe, Xtreme/Cleveland - Don Murphy, Int'l Morning Show consultant - Mark Pennington, WRIF/Detroit - Barb Richards, WJL/Ft. Wayne - Terese Taylor, WRMM/Rochester- Slats, Xtreme/Cleveland - Sue Wilson, WFHM/Cleveland and more to come. Once again serving as host for the day, Bill Klapproth from WLUP/Chicago! To conclude the day, TalenTrak presents "Great War Stories of Radio", an intimate glance at the trials and tribulations of some of the industry's most successful air talents, presented in story form! Then, TalenTrakkers can adjourn to Happy Hour...and enjoy some surprise evening entertainment. (Note that is agenda and faculty are subject to change.) What is the price for all this learning and fun? Just \$49 (\$39 if you're part of a group of 4 or more from the same station/cluster who register at the same time!), but these special tuition rates end soon. A limited number of hotel rooms are also available at the Holiday Inn Select for \$89! Call the hotel at 216-241-5100 to reserve your room! Excel in your radio career by attending TalenTrak 2005! For more information and to register now for Conclave TalenTrak 2005 call 952-927-4487 or register on-line at www.theconclave.com.

It's never too early for Christmas in Nebraska! At least that seems to be the case at **Clear Channel** KEFM/Omaha. Has the station really made the seasonal flip to all-Christmas already, or is it just a promotional ploy? Station officials replied: "No comment." Bah, humbug!

Wisconsin radio came together last week (9/13-9/14) for **Katrina** victims. **Midwest Radio Group's** Green Bay/Appleton/Oshkosh cluster (Country WNCY, Top 40 WIXX, Top 40 WLYD, Classic Rock WOZZ, Talk WNFL, Sports/Talk WTAQ) put together a fundraiser featuring **Epic/Nashville** artist **Susan Haynes** and rep **Bo Marinovich** who, along with WNCY APD/MD **Stix Franklin**, visited a local Target store in order to purchase supplies. It is quite an accomplishment, particularly given the fact that she's only been on the air for ten months in the market. Furr is described in the **Times** as "more of a middle-of-the-roader... (she) describes herself as 'the open-minded conservative'- an oxymoron not unlike 'Microsoft Works.'"
