"Doing a heckuva job!"

AGENDA SET FOR 10TH TALENTRAK! Featuring a faculty dotted with major market programmers and air talent (just added: KSYR/KHHT-Los Angeles' PD **Mike Marino** and **Don Hallett**, PD-WMVX (Mix 106.5)-Cleveland), the schedule for TalenTrak 2005 has been announced. Here's what Trakkers can expect two weeks from now in Cleveland: 9 AM Registration begins. 9:30AM- *HOW NOT TO GET A JOB* - How do job candidates eliminate themselves from getting the job they want? Are there specific actions and behaviors - either subtle or overt - which can cause otherwise-talented air personalities to put their employment in jeopardy? A candid, in-depth look at what keeps talented air personalities from getting the job they want or - worse yet - losing the job they have. Mentoring by **Daniel Anstandig**, McVay Media/Cleveland, **Barb Richards**, PD-WAJI FM/ Ft. Wayne and **Don Hallett**, PD-WMVX (Mix 106.5)/Cleveland. 10:30 AM- *AND NOW FOR SOMETHING COMPLETELY DIFFERENT!* Is your individuality keeping you from being fully appreciated as an air talent? During this hour, you'll discover what you'll need to develop your own uniqueness. You'll learn not only how to be yourself and find your own voice, but how to succeed in doing so! Mentoring by **Mark Anderson**, Clear Channel/Pittsburgh and **Mike Marino**, Clear Channel/Los Angeles. 11:30AM *HOW BIG IS THIS THING GONNA GET?* - It's one thing to get a job and another thing to keep a job. But what role do jobs REALLY play in growing a career? **Kipper McGee**, PD of WLS/Chicago, teaches the skills necessary to raise the ceiling on your personal and professional development, allowing you to maximize your full vocational potential! 12:30PM- *The Keynote Luncheon*. TalenTrak will have a keynote presentation served up with lunch, featuring nationally syndicated personality, **Rover** - who also toils daily as the Xtreme/Cleveland morning guy - in a stirring presentation, *"Do As I Say, But Not Like I Told You!"* 2PM- *The Aircheck Clinic* (first 60 registrants only)- Perhaps the most important facet of TalenTrak, the Aircheck Clinic will feature airchecking from most of the morning

session's faculty, along with **Greg Ausham**, Envision Radio/Cleveland - **Jerry Boulding**, Conclave Board member and All Access urban editor - **Tracey Carroll**, Lanigan & Malone/Cleveland - **Tom Cook**, Clear Channel/Philadelphia - **Tim Kelly**, Elyria-Lorain Broadcasting/ Cleveland - **Dr. John "Turk" Logan**, WCSU/Central State University (Dayton) - **Mike McVay**, McVay Media - **Kim Monroe**, Xtreme/Cleveland - **Don Murphy**, Int'l Morning Show consultant - **Mark Pennington**, WRIF/Detroit - **Bruce Ryan**, Ohio Center for Broadcasting/Cleveland - **Terese Taylor**, WRMM/Rochester- **Slats**, Xtreme/Cleveland - **Sue Wilson**, WFHM/Cleveland - **Brian Wright**, Audience Development Group - and once again serving as host for the day, **Bill Klapproth** from WLUP/Chicago! 5PM *Great War Stories of Radio* - The day's last general session, *War Stories* provides an intimate glance at the anecdotes, trials, and tribulations the industry has befallen today's faculty. You may laugh, you may cry, you may fall down and go boom...but we guarantee, you'll learn! (Additional faculty TBA; faculty subject to change without notice). 5:30PM- *The TalenTrak Cocktail Reception* - An Informal reception in the Holiday Inn bar/lounge where you'll get a drink ticket and complimentary snacks!

As reported in last week's edition of the **TATTLE R**, **Clear Channel KEFM/Omaha** got in to the holiday spirit early, flipping briefly to an All-Christmas format, but it was just a stunt used to their re-launch as **Rock KQBW!** The new playlist, which debuted Friday (9/23), borrows liberally from the group's successful "Brew" format in Milwaukee - meaning, it consists of 80's powerhouse bands **Def Leppard** and **AC/DC** as well as the occasional foray into the more contemporary. The station is currently broadcasting commercial free from their 5,000-song library. Along with new calls, the station, and the cluster at large, has made some modifications to their staff. Mornings for **KQBW** will consist of the **Michelle & Mooky** team as well as new co-host from sister Country **KXKT**: middayer **Kevin Kannon**. The midday hole at **KXKT** will be filled by Classic Country **KHUS'** afternoon driver **Ritch Cassidy**. Finally, **Dan Roberts** leaves middays at **KHUS** to take on Cassidy's drive time.

Formats were also flipping in Chicago as **ABC Active Rock WZZN** (The Zone) made the switch to **94.7 Chicago's True Oldies Station**. Listeners will now hear everything from the hits of **Elvis Presley** and **The Beach Boys** to the classic sounds of Motown. **WZZN GM Jim Pastor** says that this won't be a typical Oldies format because of its "deep playlist and current sound". Local news, weather, traffic and sports will augment programming during mornings and afternoon drive time. Taking leave of the new format are former PD **Bill Gamble**, APD/MD **James Vanosdol** and the entirety of The Zone's airstaff.

The search continues for **Howard Stern's** replacement at WCKG/Chicago. Continuing coverage by **Chicago Sun-Times' Robert Feder** is now reporting that **Eddie and JoBo** of sister WBBM may be given a try-out at all-talk mornings on Sports WSCR. They are far from the only rumored Stern-alternative, as the erstwhile **Garry Meier's** name has also come up and he had a chance to be heard on KLSX/Los Angeles last weekend with a few different co-hosts. Meier would come with baggage however; he was at one time a co-host of WCKG afternoons with current host **Steve Dahl**. But the two parted on bad terms. Meier also left afternoons at WLS/Chicago last year after a salary dispute.

CHANGES. Brian Foster is promoted from GSM to GM for **NextMedia/Joliet-Aurora-Naperville, IL...Opus Media** Top 40 WHTF/Tallahassee nabs former **Cumulus** Top 40 KCHZ/Kansas City's **Mo Bounce** for nights and APD/MD duties...**Clear Channel** Hot AC WMMX/Dayton ups afternooner **Shaun Vincent** to APD...**Sherman** moves from overnights to nights at **Emmis** Alt WKQX/Chicago, filling the shoes left vacant by **Fook**.

TALENTRAK SPONSORS! The following companies have made a generous contribution to the Conclave, making TalenTrak – and other Conclave programs - possible: Platinum Sponsor – **BDS Radio/Nielsen, BitXchange/AudioXchange, PromoSuite** Gold Sponsor – **Envision Radio, Jefferson-Pilot**.

Conclave XXX Keynoter Jonathan Adelstein continues to make clear the importance of the public's say in the revision of ownership rules for the **FCC**. The FCC Commissioner was in Philadelphia earlier this week (9/28) for a media consolidation forum where, in addition to the ownership issue, he made remarks similar to those he made the **NAB Radio Show** on 9/22, reiterating the necessity to "do something about" payola. These comments come in the wake of **Eliot Spitzer's Sony BMG** investigation/settlement.

Clear Channel has promoted **Jeff Hoberg** from GM/Grand Forks to VP/Market Manager for the seven stations in the company's Fargo cluster. Hoberg had been in the GM slot since 1999. Also in Fargo, Classic Rock KKBX has flipped to 80's and taken **Premiere's Bob & Tom** show from sister Rock KDAM for mornings.

Tom Gjerdrum is back; the former OM/PD at WMYX/Milwaukee, WI is now handling OM duties for the **Backyard Broadcasting/Sioux Falls** cluster. In addition he's taken on mornings for AC KELO as **Tom Mitchell**.

Envision's AudioXchange prep service is now offering audio clips and sound bites formatted for JACK-FM™ stations. Produced by the writers from BitXchange, the clips provide stations with pop culture audio for promos, sweepers, etc.

Radio One has agreed to purchase Adult Standards WRDA/St. Louis from **Emmis** for \$20 million. The stations' current "Red" format will make the transition to the web and weekends on sister Talk KFTK as Radio One takes on WRDA under an LMA effective October 1.

RUMOR. Rumbblings in the Black Hills - Is Northeast Broadcasting getting ready to flip the switch on it's 2 CP's in Rapid City, SD?

CHANGES, TOO. Carter-Sherman Urban KSJM/Wichita leaves afternoons there for mornings at **Radio One** Urban WCKX/Colombus...**Entercom/Milwaukee** makes GSM **Jeff Jeanpierre** Dir/Sales, while **Mike Donovan** moves from Sales Manager into the GSM slot. Also, **Sue Schmitz** is upped from Sr. Account Exec to NSM...Middays at **Archway** Rock KKZR/Little Rock will now be woman-ned by syndicated talent (*Tour Bus*) **Stacey X**; Middays at sister Oldies KOLL will be taken on by author/personality **Rachel Donahue**.

TALENTRAK HOTEL INFO! The **Holiday Inn Select/Cleveland-City Centre Lakeshore** is located at Lakeside & 12th, Cleveland, OH 44114. When you call for reservations (216-241-5100), identify yourself as an attendee of the Conclave's TalenTrak and you'll be offered a room for \$89 (while supplies last). You must make your own reservation; the cost of the hotel is not included in your TalenTrak tuition. *Note: there is a daily charge for parking your vehicle, even if you are a guest at the hotel. Call the hotel for details.*

Road construction seems to stretch on long past projected dates all the time, so it was likely something of a lark for Country WFYR/Peoria morning man **Rick Stephenson** to claim that if the local **Murray Baker Bridge** was actually completed by the October 2nd deadline, he would broadcast a portion of his show from the rooftop of the station wearing only an orange barrel on Monday (10/3). It looks like he'd better go barrel shopping, because the Illinois Dept. of Transportation (I-DOT) has announced that the bridge will open as scheduled.

Radio continues efforts to help **Katrina** victims, this time in Kansas where **Zimmer** Hot AC KLZR/Topeka joined forces with area elementary schools to raise over \$25,000. Students at various schools made donations, competing with one another for a grand prize pizza party.

PD-KWYR/Winner

Clear Channel Outdoor and **Clear Channel Country KZSN/ Wichita's The Morning Lips Service** are coming together for a 5-week, \$50,000 promotion. The morning show talent will make “appearances” as figures on various billboards in the area each week day, and the first listener to spot them and call in to the station will win a thousand bucks M-W and \$5,000 on Thursdays, with one fourth of the money going to the winner’s preferred charity.

Format and staff changes abound in Springfield, MO as Christian KADI made the flip to *The All New 99 HIT FM*, hoping to nab some of the all-important 18-24 demographic. A new logo and jingle aren't the only additions, as **Julie Berry** will now appear at middays moving **Cindy Rippee** to crosstown Light Rock KTXR. At nights, **Andrew Beard** exits with no replacement yet named.

Congrats to: **AAA** Top 40/Rhythmic WZPW/Peoria PD/morning guy **Don Black** and his wife **Kim** on the 9/24 birth of son **Payton**... **IN De Goot Entertainment/McGathy Promotions** President **Bill McGathy** and wife **Jenny** on the 9/4 arrival of **Emma Leigh**.

MORE CHANGES. **Aware Records** announces **Scott Burton** as VP/Promotions, in charge of all promo efforts from the Chicago office...**Lava Records/Chicago** names **Brett Dumler** Regional Dir/ Promotions...**Josh Reich** takes on Assoc. Dir/National Top 40 Promotions for **RCA Music/Midwestern Division**. He will remain based in Cincinnati...**Dana Daniels** exits mornings at **Emmis Adult Standards WRDA/St. Louis**.
