Publisher: Tom Kay Associate Publisher/Editor • Claire Sather 2006- Main Street Marketing's 20th Anniversary!!!

Tom Land, OM at Journal Broadcast Group/Omaha and Rick Belcher, VP/Operations at Journal/Milwaukee, have been named Senior Group Programmers for the company! The announcement was made today by Doug Kiel, CEO, Journal Broadcast Group. "In many ways, this promotion formalizes the roles that Tom and Rick have played in our company for quite a while," said Kiel. "Both of them have been heavily involved in many of our markets and across many formats. Their expertise complements the talented group of programmers working across our company." In their new jobs, Land and Belcher will work closely with Journal's local radio programming teams to continue building dominant local brands and developing new product platforms. Land has been with Journal since 2000 where he oversees the programming of KEZO-FM, KKCD-FM, KXSP-AM, KSRZ-FM, KQCH-FM, KBBX-FM and KOMJ-AM. Belcher joined the company as program director of WTMJ-AM in 1998 and assumed programming oversight for WTMJ and WKTI-FM in 1999.

HoJo Scores Major League Gig! Clear Channel and KIOI (Star 101.3)/San Francisco has named APD/MD James Baker as its new PD, replacing Casey Keating. James joined the station four years ago moving northward from LA, after cutting his teeth on Minnesota and Iowa radio in the Midwest as Howard Johnson. SVPP Michael Martin said, "James is experienced, creative, and talented — and he knows the station, the market and our listeners inside and out. We are lucky to have him on our team, and excited to have him take the wheel to drive Star to its next great levels." Baker begins his engagement as PD immediately. But could there be ANOTHER important engagement for James in the very near future? Stay tuned.

Looks like A Prairie Home Companion will be staying at the Fitzgerald Theater after all. Despite Garrison Keillor's prior assertion that the long-time resident at the Fitz would be looking for new digs, he now says that about a dozen shows in the 2006-07 season will be broadcast from their historic St. Paul home, with the rest being done on the road.

Condolences to the family and friends of longtime Omaha radio veteran and former Conclave Board member Terry Mason, who was most

recently co-hosting mornings on NRG Media N/T KKAR-A. Terry succumbed to a heart attack just before Christmas. Terry had the most infectious laugh in the industry, and he used it often. Known as a mentor and friend to hundreds of broadcasters, he will be sorely missed in an industry that needs all the good, honest and decent people it can muster.

Infinity Country WYCD/Detroit host Erin Weber won't be taking home \$10.6 million...just \$814,000. Weber was awarded the former amount by a judge late in 2005 for the suit she brought against defendant and co-worker Linda Lee over a perfume that was making the plaintiff ill. The judge who slashed the amount of the award, U.S. District Judge George Caram Steeh, wrote that he considered setting aside the verdict entirely; Weber's attorneys say they will appeal the reduction of the award.

Clear Channel WMAD/Madison, WI said goodbye to their Alternative format right before the holidays, making the transition to Country with Jeff Buckley's Last Goodbye and Jimi Hendrix' Star Spangled Banner leading to a new imaging promo for 96.3 STAR Country and then into Gretchen Wilson's All Jacked Up. Sister T40 WZEE PD Jon Reilly will program, and a new airstaff will be on soon.

Next month, the O'Neill Brothers/Deborah Gibson Valentine's Tour kicks off in the O'Neill's hometown of New Prague, Minnesota on 2/4 and travels to Sheboygan, Mankato, Eau Claire, St. Cloud, Omaha, Sioux Falls, Des Moines, and concludes 2/14 in Minneapolis. If you view QVC, you know the O'Neill's as dual pianists who perform regularly on the cable channel. What you may not know is they have quietly become million-selling artists, thanks to QVC and the Internet! Deborah was "Debbie" when she broke onto the music scene as a 16-year old in the mid-80's, scoring hit after hit. She's since become a sought-after Broadway performer and TV personality. In fact, Fox TV will feature her and a host of other stars in their new reality series - SKATING WITH CELEBRITIES – premiering Wed 1/18. (The show partners six famous personalities with six professional figure skaters to compete for an unprecedented figure skating title). To promote the tour and the new O'Neill Brothers f/Deborah Gibson album, a single – "Someone You Love" – has been released. If you'd like a copy, give Main Street a holler. In the meantime, interviews and visits are being set up with radio in or near tour cities. If you'd like to be involved, call 920-927-4487.
