1986 Main Street's 20th Anniversary 2006

Another chapter opens in the legal tussle between the **Recording Industry Association of America (RIAA)** and **XM Satellite Radio**, over the recording capacity of some XM radios. **The Songwriter's Guild** has just filed an amicus brief in support of RIAA, calling the radios' recording abilities an "illegal download service disguised in broadcast radio clothing." XM is almost certain to evoke the Audio Home Recording Act (AHRA) in defense against RIAA's lawsuit, which seeks additional payments from the satcaster. The AHRA (now 14 years old) was intended to compensate rights holders from reproduced recordings made on digital audio tape, but it has gone on to serve multiple RIAA agreements regarding mp3 players. The most famous of these was 1999's RIAA vs. Diamond Multimedia, a landmark case that eventually led to the explosion in popularity of a whole generation of portable music devices, such as the iPod.

Don't Turn Your Knob to this Bob: **Bob Uecker's** alleged stalker has been ordered to stay away from him and all the **Milwaukee Brewers** games he broadcasts for the next four years. That was the result of a restraining order from a Milwaukee court yesterday. **Ann Ladd** has been accused of stalking Uecker, the Brewers' longtime PBP guy for WTMJ-AM/Milwaukee, after she sent him gifts and kept after him at ballparks and hotels across the country.

On the fifth anniversary of the worst terrorist attack on American soil, KYGO/Denver's morning team of **Kelly, Jonathan** and **Mudflap** will join local firefighters at the city's South Metro Fire Station for a memorial broadcast (many South Metro Firefighters assisted at Ground Zero five years ago). The show will observe a moment of silence at the exact time the first plane hit the first tower at 6:45AM MDT. That moment of silence will be followed by a solemn bell ceremony performed by the South Metro Honor Guard. The bell ceremony is a time-honored tradition to pay tribute to fallen firefighters. Governor **Bill Owens** will be on hand to share his thoughts on the anniversary. Monday's broadcast will also feature interviews with two South Metro firefighters who went to New York and served at Ground Zero in the days after 9/11. Also on hand will be South Metro Fire Chief, **Robert Rinne**. Throughout the morning, 3rd graders from Brighton's South Elementary will perform

patriotic songs. "At KYGO, we believe it's important to remember 9/11 because of the shocking tragedy and how it brought us all closer together. After five years, we all need to reflect on how we all felt that day and the triumph of human spirit. We need to ask ourselves, where were you when the world stopped turning," said KYGO Program Director **Joel Burke**.

Bonneville Modern AC WVRV/St. Louis is "movin' on", as it flips to the **Alan Burns**-created *Movin' On* format. The station, now known as "Movin 101.1-Makes You Feel Good", is being programmed by sister WARH PD **Jules Riley** - who maintains PD-ship of WARH-The Arch, as well. She'll be working closely with consultant Burns and Bonneville National PD **Greg Solk**. A call-letter change is expected.

New owner **Entertainment Media Trust/Insane Broadcasting Co.** flips the format of WXOX-AM -formerly a Gospel daytime under **New Life Evangelistic Center** - to Talk this week. In the interim, the station has been playing Oldies. Former Washington Park police chief (and strip club owner) **Bob Romanik** will serve as host and GM, and syndicated **G. Gordon Liddy** is also set to air. Convicted of lying to a grand jury as well as for bank fraud, Romanik has served two prison terms.

Triad Broadcasting Co. has just been given a six-month waiver by the **FCC**. Triad is allowed to keep JSA of Oldies KEGK/Wahpeton-Fargo, ND, while the FCC considers a permanent divestiture requirement. Triad is officially over the limit for station ownership in the Fargo market. Pointing to **Clear Channel's** grandfathered situation there, Triad is arguing that they need extra sales inventory in order to remain competitive.

During an announcement on the Morning Mess show, the PD of WNOU/ Indianapolis, **Chris Edge**, explained that, "**Radio Now** has played the most requested song of the hour since its inception in 2000, but listeners can vote using text messaging. By texting your favorite song to 66993, you'll get a message back with what song is in the lead at the moment. Listeners can also follow along online at radionow931.com. At the top of the page you'll see the Top 10 requested songs scrolling in real time." This announcement followed a weekend of promotional teasers.

Reclaiming the format and slogan dropped back in 1999, CIDR/Windsor-Detroit flips back to AAA and "The River." **Murray Brookshaw** stays on as OD (as well as OD of sister Alternative CIMX), but **Phatt Matt** newly joins "The River" from CIMX as APD/afternoons. The flip occurred exactly at 3 pm on Friday, 9/1, in the middle of "Move Along" by The All American Rejects. This also signaled the beginning of a weekend long promotional stunt in which clips of over 7,000 songs were played commercial-free. CIDR is owned by **Chum Ltd**.

WRIT/Milwaukee (formerly Oldies) is now repositioned as "The Greatest Top 40 Hits of All Time, Milwaukee's 95.7." The station is owned by **Clear Channel**.

After two years as an online-only version of the late Alternative **WOXY/Cincinnati**, the woxy.com stream will be shut off on Sept. 15 — a victim of limited advertising and membership support. The terrestrial WOXY originally launched in September 1983, when **Doug and Linda Balogh** bought the station and flipped it from Top 40 to Alternative. In September 1998, the station began simulcasting online. In January 2004, the Baloghs sold the station's license and assets to **First Broadcasting** but retained ownership of the intellectual properties of WOXY, which signed off May 13, 2004. Shortly thereafter, anonymous investors stepped up to fund an Internet-only version of WOXY, which launched on July 16, 2004 as "97X, The Future of Rock and Roll."

WNRB/Wausau, WI, a low-power noncommercial station owned by **Northcentral Technical College**, has turned its license into the **FCC** and gone off the air, citing the need to save money.

Sterling Scheissler, after serving as a fill-in for several months, will take over the Noon-2 pm timeslot on **Hubbard Talk KSTP-AM/St. Paul-Minneapolis, MN**. Known for previous stints at **Clear Channel's Talk WLW-AM/Cincinnati** and **WTVN-AM/Columbus**, as well as mornings at Alternative **WAQZ/Cincinnati**, Scheissler takes over from **Ron Rosenbaum** and **Mark O'Connell**.

Beginning October 20th, **KWOF-AM/Waterloo, IA** will not receive its simulcast from Contemporary Christian **KWOF/Cedar Rapids**. Instead, they will deliver "legendary" Christian rock programming from the 70s, 80s, and 90s, also broadcasting via the Internet at www.theprodigalradio.com.

Afternoon drive personality **Garfield** has been named PD of **Triple A Entertainment** Top 40/Rhythmic WRPW/Bloomington, IL, after Triple A split its simulcast of WRPW and WZPW/Peoria. **Miss Amber**, former morning co-host, takes over middays while weekender **Cantone** will handle nights on an interim basis. WRPW's new Web site can be seen at www.power929fm.com.

The 11th edition of the Conclave's exclusive one-day air talent seminar, **TalenTrak 2006**, will be held on Saturday, October 21, 2006, at the Holiday Inn-Charlotte Center City in Charlotte, North Carolina. In typical Conclave fashion, the day will be filled with learning, laughter, and food and beverage. **Sheri Lynch**, the better half of The Bob & Sheri Show fame, will be the keynote presenter during lunch. The price for all this learning is just \$49 per person or \$39 each if you're part of a group of two or more from the same station/cluster who register at the same time! But hurry, the special tuition rates expire on October 1, 2006. TalenTrak 2006 begins at 9AM. with a rapid-fire series of hard-hitting instruction, including the first **TalenTrak Job Fair** which gets underway at 2PM. Then, during lunch, **Sheri Lynch** of **Bob & Sheri** fame will regale the gathering with stories of syndication success! At 2 PM., it's the all-important **Aircheck Clinic** where the first 60 registrants who sign up will be able to have their scoped three-minute aircheck CD critiqued by top-notch industry programmers. "Great War Stories of Radio" — an intimate glance at the trials and tribulations of some of the industry's most successful air talents — concludes the academic agenda! Finally, It wouldn't be a Conclave event if more food and drink weren't supplied, so The TalenTrak Happy Hour wraps up the day! WLUP/Chicago's **Bill Klaproth** will serve at Trakmaster again this year, and faculty for each TalenTrak session and the Aircheck Clinic will be announced shortly. Register now or learn about some great sponsorship opportunities by visiting www.theconclave.com. Or call the Conclave office at 952-927-4487. To reserve a room at the Holiday Inn (230 N. College Street in Uptown Charlotte, NC 28202), call 704-335-5400 or 1-800-HOLIDAY(4329).

WBEZ/Chicago, a noncommercial station run by **Chicago Public Radio**, has opened a second satellite office, following a bureau opened in February in Chesterton, IN. The new bureau is in the Humboldt Park neighborhood of Chicago. Reporter **Chip Mitchell** will work out of the new office at 2531 W. Division St. Plans are afoot to open a bureau later this year in Englewood, followed by three more offices at currently undisclosed locations.
