America's fastest rising talk radio stars and bestselling author – **Neal Boortz** - will keynote Conclave 007-RADIO UNDER CONSTRUCTION on Friday, June 29th, at the Marriott City Center Hotel in Minneapolis, Minnesota! Self-proclaimed as “America’s most under-rated and over-paid radio talk show host”, Neal makes his first appearance at the Conclave Learning Conference and pragmatically instructs those who will be present for his keynote to do the same thing he asks his listeners to do: “Don’t believe anything you hear unless it is consistent with what you already know to be true, or unless you have taken the time to research the matter to prove its accuracy to your satisfaction!” A radio personality who labels himself as the High Priest of the Church of the Painful Truth, Boortz promises an hour of thought-provoking, gut-wrenching, and non-traditional advice for living in these turbulent times while attempting to scratch out a living in this wild, wonderful and wacky world of radio. Boortz has been a Talk Show Host in Atlanta, Georgia since 1969. Since 1993, he has been holding forth on News Talk 750 WSB, and beginning in early 1999, his show has been syndicated on radio stations from Maine to California and from Alaska to Florida. His program airs live from 10 am to pm each weekday. Of his success, Neal exclaims, “Right now I am closing in on four million listeners nationwide. Hey, that’s not up to Limbaugh standards, but then I’m growing faster than he is!” He admits his show is “monitored by the Federal Censorship Commission so that, God forbid, you should ever have to exercise your own power of choice.” In addition to his successfully syndicated **Jones Radio Networks** talk show, Boortz is an accomplished writer. His first book, *The Commencement Speech You Need To Hear* broke new ground for Neal in 1997. *The Terrible Truth About Liberals* in 1998 - a book that has already been through six different printings - followed that success. In 2005, he co-wrote *The FairTax Book*, proposing to implement a national retail sales tax in lieu of federal income taxes, payroll taxes, estate tax, etc. The hardcover version debuted at #1 on the *New York Times* bestseller list and held that spot for two weeks! His latest book is *Somebody's Gotta Say It*, a compilation of topics from his radio shows and his life, also sits at the top of the nation’s bestseller lists! Neal hits the Learning Conference stage on Friday morning, June 29th. You’ve GOTTA see him to believe him!

THE \$99 THURSDAY! Are you a promotion director or program director who cannot take in the entire upcoming Learning Conference June 28-July 1 because you have a promotion that weekend? Never fear! For just \$99, you can take in the conference for Thursday-only but for a limited time only (until May 31st). This one-day offer will allow a registrant to take in the **McVay Summit**, the **Songwriters Forum** presented by **BMI**, the **Welcome Gathering** presented by **Lincoln Financial Media**, and especially, **THE PROMOTION SUMMIT**, presented by **R&R and PROMO SUITE!** Here’s the lineup, crafted especially for radio promotion directors or anyone else interested in elevating a station’s visibility inside a marketplace: **MARKETING TO WOMEN**. How To Connect With Women, Regardless Of Format. Marketing strategists **Fran and Bill Lytle** (CoFounders/Brand Champs) will share global truths, and discuss specific strategies that can work for radio. **NO MORE REMOTES**. Emmis, Indianapolis has committed to “No More Remotes” (a Marketing/Promotion Director’s dream!). Hear from Director of Sales, **Mike Cortese** and **Rebecca Falk**, Clear Channel on why they made this public commitment and what alternatives they have developed to help their clients. **HOW BRANDS DEFY GRAVITY & RISE ABOVE THE NOISE**. Brand strategist **David Brier** (President/Creative Director/DBD International, Ltd.) will share the strategies successful companies use to “rise above the noise.” Learn how to apply these same strategies to your radio station and increase your popularity. **NO-BUDGET MARKETING AND PROMOTIONS**. “You don’t have a “book promotion” budget...heck your market doesn’t even have a “book”. After this interactive session you’ll walk out of the room with great promotional ideas that don’t cost a thing which you can take back to the station and implement.” This incredible hour will be taught by **Corbin Pierce** – PD The Beat/Tulsa and **Lindsay Reinert** – Dir of Mktg & Promo/WASK Radio Group, Lafayette, IN. And finally, **E-MAIL MARKETING THAT WORKS AND GENERATES REVENUE**. **Craig Zimmerman** – VP & GM/PromoSuite and **Melinda Krueger** - Krueger Direct/Interactive, reveal how to gain marketing revenue without jeopardizing the relationship with the listener, but rather enhance it. In this session you’ll learn best practices - the do’s & don’ts, ideas for sponsorship opportunities and segmenting/targeting the database. You’ll also hear from a digital buyer explaining what are looking for in today’s online ad world. All this learning, just \$99 for anyone who can only attend the Learning Conference on Thursday, June 28. Chicago-based **Radio-Info.com**, the independently-owned website launched in 1999, announces another expansion with the creation of the new position of Executive News Editor. Publisher and co-owner Diana Fleming says longtime Inside Radio Editor-In-Chief **Tom Taylor** has accepted that position and will work with recently-hired Executive Editor **Dana Hall** (who moved to Radio-Info from *R&R*). Taylor had been the editor of *Inside Radio* (for the second time) since it was merged with the *M Street Daily* in August 2002, after **Clear Channel** acquired *Inside Radio*. He begins work at Radio-Info on Monday, May 21. Radio-Info.com is a division of Chicago-based in3media, inc.

ELECTROPOP
ARRIVING NOW

From Jack White to Barry White, Overnight! With commercial spots promising “We’re always here whenever you’re in the mood for love,” **ABC’s** (soon **Citadel**) alt/triple A trio of 105.something frequencies – Drive 105: WGVX/WGVY/WGVZ – flipped to “Love 105” Tuesday morning with a vintage oldies mix of soft rock and light R&B hits. Heard on the first day: **Barry White, Barbra Streisand, Neil Diamond, Al Jarreau, Bread, Gloria Gaynor, REO Speedwagon, Carpenters** and classic-rockers like the **Guess Who, Eagles** and **Fleetwood Mac**. Station officials said the station will feature songs from a roughly 20 year window beginning in the mid 1960’s to early 1980’s. While the station signed on jockless (voicers were done by **Dick Ervasti** and **Mei Young**), Love 105 will ultimately bring most of the Drive 105 air talents back onto the air as early as today. Those who won’t “feel” the Love will be reassigned elsewhere in the ABC complex (to work either for classic rock KQRS or active rock KXXR). **Chris Rahn** continues as PD. In speaking of the transformation, OM **Dave Hamilton** said, “In this format flip, no one lost their job. Not too many stations who undergo a change like we did, can say that...” The station format was created in house; no outside consultants were used.

Condolences to the family and friends of **Robert E. Ingstad**, who passed away at his home on May 4 at age 62. Ingstad is survived by his wife **Jan Marie**, his children, **Todd and Brenda Ingstad, Tami (Lance) Knudson, Bob (Stacy) Ingstad, Tallie (Casey) Colville**, 10 grandchildren, his mother, **Mary Jean**, and his brothers, **Tom, Jack, and Jim**.

registrants will gain insight into new P1 observations and they will learn how – and why – they should conduct strategy sessions for their stations every year. PPM is ushering in a new era of accountability for programmers. The lessons learned during this session will easily translate to markets that may never be impacted by electronic measurement – but whose stations will continue to need to reach the largest possible audience in those markets. This session will truly be a ‘can’t miss’ Conclave 007 opportunity! Register today at www.theconclave.com.

The third annual **Musicares Map Fund** benefit concert, honoring Chicago-based independent music promoter **Jeff McClusky** and singer/songwriter **Chris Cornell**, will be held tonight in Hollywood, CA. All proceeds will benefit the Musicares Map Fund, which provides members of the music community access to addiction recovery treatment regardless of their financial situation. Jeff will be the recipient of the *Musicares From the Heart Award* and Cornell will be honored as the recipient of the *Stevie Ray Vaughan Award*. Both recipients will be honored for their dedication and support of the Musicares Map Fund and their devotion to helping addicts with the recovery process.

As we approach the 32nd annual Learning Conference in June, it should be remembered that the event would not be happening if it were not for the support of major sponsors of the Conclave, like Platinum Partner – **Radio & Records**. Partners **Arbitron, AudioXChange/BitXChange, Brown College, Edison Media Research, Envision Radio, Jones Radio Networks, Lincoln Financial Media, McNally-Smith College of Music, MediaSpan, Megatrx, MusicMaster, Nielsen Entertainment/BDS Radio, Premiere Radio Networks, PromoSuite, RCS, Specs Howard School for Communication Arts, and Troy Research**.

Clear Channel has offended the masses this week with their new billboard, and it’s coming down. Protests by the **Hispanic Chamber Cincinnati USA** prompted the removal of the boards, which are a play on “The Big One” slogan of Talk WLW-AM/Cincinnati, depict a man in a sombrero and moustache with a Mexican flag and burro, with index finger extended, under the title, “The Big Juan.” There were 82 boards in the Cincinnati area, drawing criticism from the chamber’s President **Alfonso Cornejo**, who now demands an apology published in the local news and an explanation. Cornejo wrote a letter to the station management team, copying Clear Channel’s corporate management, calling the boards a “hateful campaign” and saying, “this is not funny in the least.” He went on to say “the boards do nothing to help our city or its people. On the contrary, they serve as a daily reminder of the offensive mind-sets that cause the disgraceful acts that divide our community.” The boards were a second campaign to incur the wrath of Cornejo, who cited an earlier billboard with a Mexican flag and the Spanish translation of “Radio for Great Americans” “very offensive, but I didn’t want to do anything. The second one was clearly offensive. Maybe I should have reacted sooner.” Cornejo informed the Enquirer that if no apology is forthcoming, he will “revisit” the possibility of a boycott against the station.

The deal is reportedly to the tune of \$452 million, and includes Ohio stations in Lima, Findlay, Tiffin, Marion, Sandusky, and Chillicothe. Other Midwest markets are reported to be Bismarck, ND, and Rochester, MN.

Leatherman Oldies KCHI-AM/Chillicothe, MO was booted from the airwaves this week after storms in the Midwest cost the station its transmitter. The building housing the transmitter was flooded with up to four feet of water, and water was also creeping up the base of the tower itself. The station will likely be on hiatus for the next few weeks.

Kassie Bannister, formerly of **Emmis** Classic Rocker WLUP and ABC Oldies WZZN/Chicago, has joined **Clear Channel** Top 40 KDWB/

Minneapolis under the direction of OM/PD **Rob Morris** to become the new morning co-host **Dave Ryan**. Kassie has also been with Emmis Top 40 WNOU/Indianapolis, and she began in Minneapolis this week.

The event was held last Friday at a local club in downtown Wichita called **Flashbacks**, and although prom attire was not required, Tooker reports that everyone was "dressed to the nines." The next morning Tooker and his morning colleagues **Jon Watkins** and **Colby Erickson** hosted the **American Lung Association's Asthma Walk**, with over 500 "Wheezer Walkers," going on a mile and half trip. The station, with the assistance of the **Salvation Army**, raised over \$50,000 for tornado victims in Greensburg, KS.

Journal Communications has promoted EVP **Steven H. Wexler** and Director of Investor Relations **Sara Leuchter** to Corporate VP's.

Jack Swart has been hired at **Artistic Media Partners/South Bend, IN** as Market Manager, moving from his same position at **Cumulus/Quad Cities**. He's been in Iowa for the past six years, working all four Iowa Markets. He begins his new job this Monday.
