The Conclave has tapped **Warren Kurtzman** of **Coleman Insights** as its Agenda Chair for the 2012 Conclave Learning Conference, and elected **Pamela Muldoon**, CEO of **Next Stage Media Group** to its Board of Directors as the chairpersonship of the Conclave's newly revised Diversity Committee. "I am honored and thrilled by the opportunity to help grow the Conclave Summer Learning Conference," commented Kurtzman. "Building on the great work of my predecessor Harv Blain, I am committed to solidifying the Conclave's position as the best conference in the radio industry." **Mark Bolke**, Conclave Board Chairman, spoke of Muldoon's forthcoming role inside the organization, "The recently concluded Summer Learning Conference reinforces the mission of the Conclave as a learning organization and the important role we play in our industry. Having Pamela Muldoon head the Diversity Committee with its mission to assure Conclave programs are created to address the needs of all members of the industry without regard to gender, race, religion, or sexual preference, is an important aspect of the Conclave's legacy of industry education." In addition to Kurtzman and Muldoon, Conclave Board Members and new chairs for 2011-2012 include: **Mark Bolke**/Music Master (Board Chair), **Lester St. James**/Clear Channel-Omaha (Board Co-Chair), **Jane Dyson** (Board Secretary), **Harv Blain**/Vallie-Richards-Donovan Consulting (Marketing Chair), **J. Pat Miller**/Journal Broadcast Group-Milwaukee (Social Media Director), **Jay Philpott**/Hubbard Broadcasting-St. Louis (Webinars Chair), **Dan Spears**/BMI (Outreach-Speaker's Bureau Chair), and **Bob Taylor**/Max Media (Scholarship Chair). *COMMENT: Warren is a long-time contributor to not just the Summer Learning Conference, but all things Conclave. For this year's 36th annual Conclave, he spearheaded the management track under Agenda Chair Harv Blain and contributed greatly to one of our most ambitious and well-received agendas ever. We're thrilled he'd like to up his stake in the success of the Conclave by volunteering to become our 2012 Conclave Agenda Chair. That he's already plotting and planning for next summer bodes well for our 37th Learning Conference. And Pam Muldoon was drafted into action, helping organize several Conference events, especially the AWM/Conclave Networking Event that kicked off the 2011 weekend. As a Brown College grad and frequent attendee, Pam brings a unique and valuable perspective to the Conclave. We're proud to enlist Warren & Pam in our efforts! - TK*

Mountain Dog Media owner **Randy Hopper** was voted out of the Wisconsin State Senate last week as one of two Republicans to lose a recall election. Republicans maintained control of the Senate despite a challenge fueled by union anger over Gov. **Scott**

Walker's budget-cutting and the Senate's vote to end collective bargaining for state employees. Hopper owns four stations in Wisconsin, including Talk KFIZ-AM and AC WFON/Fond Du Lac, Sports WCLB-AM/Sheboygan and Sports WMBE-AM/Chilton-Appleton, WI.

Longtime **Westwood One** EVP/Affiliate Sales and **Conclave** partner **Dennis Green** leaves after 15 years to join **Cumulus** in the same position. Cumulus COO **John Dickey** said, "Dennis is in a league of his own. Nobody knows the network affiliation and broadcast business like Dennis. We are thrilled to have him on our team. He brings a deep bench of relationships and ideas that will take root and grow in our company." Green will join Cumulus when its deal to acquire **Citadel** and its **Citadel Media** syndication operation closes. As a result, Westwood One upped **Max Krasny** to SVP/GM Entertainment Division and Affiliate Sales.

Longtime top Programming consultant and former Conclave Rockwell Award recipient **Mike McVay** is joining **Cumulus** as SVP/Programming. McVay, who will exit **McVay Media**, the company he founded 28 years ago and has built into an industry leader with syndication, new media and the recently developed Listener Driven Radio divisions, will join Cumulus at its Atlanta HQ September 1. *COMMENT: The appointments of both Dennis Green and Mike McVay to executive Cumulus positions does wonders for the image of the company. Dennis and Mike are true 'people' persons who are, in their professional dealings, the exact opposite autocrats. Rightly or wrongly, those are traits Cumulus is regularly accused of missing in its corporate culture. Congrats to the Dickey family for getting these important hires right! - TK*

A full-time sports format is now being heard on Twin Cities FM as **Clear Channel**/Minneapolis swapped the formats of Talk KTLK-FM and Sports KFAN-AM August 15th. KTLK moved to AM 1130 and FM translator K273BH. Sports moved to a bigger signal at 100.3 FM. KFAN's former FM translator (103.5) is rumored to be set relay Sports KFXN-AM, the station being donated by Clear Channel to the **Minority Media and Telecommunications Council**.

Former **Clear Channel** Rock WEBN/Cincinnati MD and "Dawn Patrol" personality **Dave Fritz** is suing his former employer, alleging that he was fired because he has Multiple Sclerosis. Fritz claims that his managers disapproved of his missing work because of his disease and, after he left work angry at their position, asked him to resign. When he didn't, he says they fired him. The **Family Medical Leave Act**, Fritz said, protects him, and his position is that Clear Channel violated the law by asking him to not miss work.

NRG Media's Nebraska stations and the sports website **HuskerMax.com** inked an exclusive marketing partnership. NRG's Talk KLIN-AM/Lincoln and Sports KOZN-AM/Omaha will provide new, exclusive content to the site, which covers **Nebraska Cornhuskers** sports. In addition, the station will brand Husker coverage and play-by-play as "powered by HuskerMax.com."

Radio, the music community, and the Conclave lost two dear friends over the past few weeks. **Ira Heilicher**, a force in the Minnesota music scene since the 1960s. He not only played a huge role in the success of Musicland (and later, The Great American Music Company) but was responsible for the 'Big Hits of Mid-America' made by the Castaways, Chancellors, Trashmen and so many more chartmakers of the 60's. Ira died Tuesday, 8/2 from complications of pneumonia. He was 65. Longtime promotion exec **Rich Fitzgerald**, who passed Monday 8/15 in LA. He was one of the first national promotion executives to recognize the value of the Conclave, and attended regularly in the late 70's and thru the 80's.

What is the Conclave and why is the Learning Conference different?

The Conclave is a non-profit education organization founded in 1976. Unlike other conferences, seminars, and conventions, the Conclave's Learning Conference's primary mission isn't to make money, secure advertising, enlist members/subscribers, etc. (although those are important purposes). Instead the Conclave mission is - Through education, the Conclave's mission is to improve the quality of broadcasting and all industries related to it, so they may better serve the public interest. What about YOUR mission? The mission of your radio station - as stated in your license - is to best serve in your public's interest. That's why the Conclave's mission is to help you learn how to best assess - and then serve - the needs of your listeners in the best possible manner. Consider it our common mission. It's what the Conclave - and Radio - is all about.
