Yesterday, KDWB/Minneapolis became the successful bidder for an automobile owned by **Marshall (Eminem) Mathers**: a cherry-red 1995 Camaro. The **Clear Channel** Top 40 won the car with an \$18,000 bid! According to PD **Rob Morris**, "We're still trying to figure out what to do with it, but rest assured...it'll be fun." The car will be picked up from its Detroit home over the next couple of weeks. Personal to Rob: make sure you check that trunk before you take possession...

**Bon Jovi** continues their decade-plus string of top-notch singles with "**Misunderstood**", now scoring big spins at Hot A/C and CHR. It's on KDWB, WDRQ, WWWQ, WZEE, KMXV, WMYX, WQLH, WZPL, KWOA, WYCO, KDOG and more, with a HUGE Target-sponsored album time-buy hitting regional TV *bigtime!* Don't let Jon and gang own a television audience that YOU could have simply by adding and spinning this track like the hit it IS! **Island-Def Jam**

The wraps came off KCSX/KC this week, as the station became KZPL, 97.3 The Planet...in a Triple A format. **Union Broadcasting** is the owner/operator, and while the station will be jockless for the next 2 months, an entire staff is being recruited. WHB GM/PD **Chad Boeger** is overseeing the station, for now. See JOBS for details.

**Art Garfunkel's "Bounce"** has been added at WRRM/Cincinnati, WJXB/Knoxville, and KTDY/Lafayette, LA. And it's not a Simon & Garfunkel oldie, either - it's a fresh, uptempo presentation with Art as a part of a trio with **Buddy Mondlock** and **Maia Sharp!** WLTE (5x), WLTX (4x), KOSI (9x), WFMK (8x), WHBC (5x), WMEZ (4x), KDEC (13x), KLMJ (38x), KRTI (10x), KAYL (21x). **Manhattan**

**Saga Communications** Hot AC KSTZ/Des Moines' morning team of "**Big Ken And Colleen**" kicked off their first annual "Big Ken And Colleen's Mile Of Men" this morning... Single men lined up down Locust Street as women drove by to see if a particular man caught their eye. Once the shopping was done, the woman customer called the morning show and gave them the appropriate number of the single male! Both were conferenced together, hoping to spark a romance.

**Clear Channel** AC KKDI (K-Lite 105.3)/Bakersfield PD/morning host and Iowa native, **Kenn McCloud** will appear on *The Price Is Right* on March 4th. For his efforts, Kenn will win a sofa and a sauna (hint to Ken: keep the sofa out of the sauna...)

Veteran Talk WTAX-AM/Springfield, IL morning man **Donald (One Eyed Jack) Jackson** exits as the result of a dispute with a local newspaper. Jackson accused a reporter for the *State Journal-Register* of an improper relationship with a member of the police department, an accusation for which the station - but not Jackson - apologized. PD **Joe Crain** and anchor **Jennifer Fuller** take over on a temporary basis, running a morning news block until the **Saga** outlet figures out a permanent solution.

This week at CHR, "**I'm Not Anybody's Girl!**" by **Kaci** is officially adding at the format. It's on the soundtrack to *A View From The Top*, and if you've been paying attention lately you'll know that Kaci is poised to break big-time, into a format that hasn't been the same since it sacked the very essence of pop music which brought it successful numbers (right, Britney???)! **Curb**

Clear Channel Top 40 KDWB/Minneapolis' "Dave Ryan In The Morning Show" hosted a wedding Friday morning (2/14) at a local **Subway** restaurant as part of their "My Big Fat Fat Wedding" contest. The station solicited offers from generously proportioned listeners who wanted to get married, with the heaviest couple winning a free marriage complete with rings, tuxes, flowers, and the honeymoon (the winning couple weighed in at a hefty 565 lbs). Besides the wedding, the couple will also receive free memberships to a local health club, and free Subway sandwiches for a year. Subway's "Mr. Slim" **Jared Fogle** was present at the romantic ceremony to root on the couple towards a slimmer future.

WNOU/Indianapolis' morning duo **Wank & O'Brien's** conducted a "Drive-Thru Wedding" today in a promotion deemed a LARGE success. **Dave O'Brien**, an ordained minister of Universal Life Church (the same mail-order/Internet church which counts WRLT/Nashville's **Keith Coes** as a "Reverend") invited three couples to come to a local **McDonald's** to get married. O'Brien read them their vows over a drive-thru speaker, with partner **Ed Wank** in the car with each couple to be a witness. Each couple was then asked: "Wanna Super-Size your wedding?" They all answered "yes" and got their own Happy Meal prize: an all expenses paid trip to Jamaica and other goodies!

*Comment.* A just-released study by **Katz** of **Arbitron's** Fall 2002 response rate indicates the rate dropped 4.4% from the previous year's Fall book to 34.4%. The only book with a lower rate? Summer 2002...a book completed just 5 months ago. According to Katz, the average market's consent rate dropped over 6%. Top 10 markets fell from 29.8 to 28.9%. Markets 11-25 were off from 33 to 31.7%; markets 26-50 down from 32.3 to 30.6%. The rest of the top 100 slipped from 33.5 to 32.5%, with markets over 100 up from 35.9 to 37.7%. What does all this mean? Smart radio programmers have been telling anyone willing to listen that phone-solicited surveys/research is getting harder and harder to accomplish, what with increased usage of caller-ID...and now, the recently passed "no call" bill by the U.S. House (which supposedly will still allow phone solicitation for research groups...yeah, right...). There's a growing and justified fear that the only people left to become part of any research sample will possess a common psychographic profile: someone who indiscriminately answers any and all phone calls placed to their residence. That profile may not match up well with the profile of a potential radio audience, or call-out research sample. The solution? Not easy to find, unless someone is interested in reviving the Fuller Brush "knock on every door" routine. But an answer had better be found soon, before response rates drop below double digits or your call-out sample becomes filled with people you know on a first-name basis. Otherwise, get used to: "Okay, if you don't want a copy of *Watchtower*, could you at least fill out this radio diary and return it to Maryland??"

**Lava Baby** has been added at WZKL/Canton! "**Sex Junkie**" is a one-listen pop/rock song with a candid message a savvy female audience will applaud! Don't worry if YOU don't get it, Mr. PD/MD...

**Clear Channel** CHR KDWB/Minneapolis welcomes **Wes McKane** as its new night jock. Current KDWB night-slammer **Scotty Davis** is moving to Dallas to assume nights at 106.1 Kiss FM. Upon his arrival, Wes will compete with his former "Kiss-ster" in crime at WXSS, **Zannie K**, KTTB/Minneapolis' newest PM driver...who came to B-96 from WXSS late last year. This leaves afternoons and nights open at WXSS (see JOBS). Scotty Davis is also currently the voice-tracked host of the night slot at sister CHR "Kiss 107" KKDM/Des Moines.

The **Country Radio Broadcasters** have announced the *CRS-34 Radio Promotion Award Winners*, including a prominent Midwest country signal: Small Market honors went to WTHI/Terre Haute, IN for their *Clabber Girl Classic*. The criteria for judging was based on the contestants' creativity, promotion implementation, effect on cume (if measured), goals and professional style of any successful promotion during 2002. The winners will be given an all expenses paid trip to CRS-34 next week where **Diamond Rio's Dana Miller** will present them with their awards on Friday (2/21) at the conclusion of the *180 Great Promotion Ideas In 90 Minutes* presentation.

WNCY/Appleton-Oshkosh-Greenbay just concluded their 2003 St. Jude Children's Radiothon collecting over \$250,000 and shattering 2002's record of \$215,000!

According to reports from last week's *Northwest Indiana Times*, Hammond, IN Mayor **Duane Dedelow Jr.** has filed a letter with the FCC and is planning a meeting with the area's Congressional representatives in an attempt to block the sale of WJOB-AM/Hammond to Catholic station operator **Starboard Broadcasting**. The previous station owner, **St. George Broadcasting**, went into receivership and the station was sold to Starboard for \$3.25 million. Dedelow, also a Catholic, apparently buys time on a bi-weekly basis from WJOB for a call-in show and is protesting the pending loss of local programming on the station. In addition, the Times suggests St. George owner **George W. Stevens** has threatened in a memo to fire any staff member making negative comments about the proposed sale, supporting those fighting the sale or even giving out the FCC's phone number. Good God-fearing folk will stay tuned for more developments!

**Stone Sour** continues its ascent into the upper echelons of the CHR and Hot A/C charts with "**Bother.**" Stations supporting the song with over 25 spins a week include KMXV, KQKQ, WZEE, WYCO, KZIA, KCLD, KDOG, KGLI, KJCK, WMYX, KSTP, KKRL, KBMX, KDAO and KRTI. **Island-Def Jam**

A highlight presentation will be aired on WLS-TV (ABC-7) on Sunday night...Under new OM/PD **Jeff Schwartz**, FM talker WCKG/Chicago (105.9) is changing its style slightly. Many of its "testosterone-laden" image liners have been replaced with a female voice, and they've added the word "Chicago" to the station's imaging. Much of the active rock music played in nights and weekends has been replaced by classic rock, and some adult alternative offerings like **Coldplay**, **Dave Matthews Band**, and **Peter Gabriel**...Former "Energy 92-7&5" afternooner **Joe Vlazny** has resurfaced as morning host for **Next Media's** "96.7 Will Rock" WLLI/Joliet-Chicago. Current morning host and PD **Lonny Tyler** has moved to afternoons...Former Energy/Chicago staffer **Kyle Kelly** is the new night guy for Rockford's 97.5 WZOK... **Skywind** continues to enjoy new airplay each and every week. This time, it comes from WZOR, KICT, and WJJO! "**Lamhaj**" is the focus track as the band embarks on a major East Coast tour, culminating in a gig at world-famous CBGB's/New York. Already in rotation at KFMW, KRRO, WHMH, WDRK and more!
