Minnesota natives **Al Franken** and **Katherine Lanpher** launched “**The O’Franken Factor**” on **Air America** last Wednesday. The debut featured in-studio guests **Michael Moore**, **Al Gore**, **Senator Bob Kerrey** and a host of others. The reviews were basically positive, with most understanding the liberal talk/skit show to be a work in progress. Coming in at the last moment to provide a Twin Cities outlet for one of it’s favorite sons was **WMNN-AM**. That was the good news. The bad? “**The O’Franken Factor**” will be dumped as soon as **Starboard** – the station’s new owner – takes over and flips the news/talk format to it’s standard religious fare later this year. Too bad for Al. But still the thought of an unsuspecting listener tuning in one day...and then, hearing something like “All praise the Lord” on the radio is just too good to be ignored (“Hey Margaret, come and listen to this! I think God has finally gotten even with Al Franken!”

Here’s a **Beth Hart** story: a few weeks ago, Beth and her band played four songs live on the **Mark & Bryan Morning Show** from **KLOS** in LA (the show is syndicated into 9 other markets around the country). At 10AM west coast time, at the time Beth had finished performing, her CD was ranked #732 on **Amazon.com**. By 4PM that same afternoon, her record had jumped to # 31on Amazon! To call that reaction would be an understatement. But wait – there’s more. **Soundscan** just 7 days later, showed a 300-400% increase in sales in EVERY market where Mark & Bryan are heard. Beth’s new single, “**World Without You**” is adding NOW! **Koch Entertainment**.

Minneapolis Winter Book, Phase 2 Trends. **Infinity** mainstream AC **WLTE** jumps nearly a point, but not enough to undo market leader **ABC’s** rock **KQRS**. **KQRS-FM** 9.3-8.6, **WCCO-AM** 8.5-7.9, **WLTE-FM** 5.0-5.9, **KEEY-FM** 5.6-5.9, **KQQL-FM** 5.6-5.5, **KSTP-AM** 5.7-5.4, **KTCZ-FM** 4.5-4.8, **KSTP-FM** 4.6-4.6, **KXXR-FM** 5.2-4.5, **KDWB-FM** 4.5-4.4, **KFAN-AM** 3.6-3.3, **KJZI-FM** 2.6-3.2, **KTTB-FM** 3.1-2.7, **WXPT-FM** 2.6-2.7, **KLBB-AM** 1.7-1.9, **WDGY-AM** 1.4-1.0, **WWTC-AM** 0.9-1.0, **WFMP-FM** 0.9-0.8, **WGVX-FM** 0.8-0.8, **KLCI-FM** 0.6-0.6, **WMNN-AM** 0.4-0.6, **WMGT-AM** 0.4-0.5, **WWJO-FM** 0.4-0.4, **WGVZ-FM** 0.5-0.4, **WGVY-FM** 0.1-0.1, **KLBP-AM** 0.1-0.1. What’s all this buzz about **Fastball**? A clue: it has nothing to do with baseball, even though the season is here, and everything to do with “Wigs”!

The Wisconsin State Journal reports this week that **Clear Channel’s** Madison cluster has rejected radio ads for the touring show “Puppetry of the Penis” over indecency concerns. VP **Jeff Tyler** told the paper “...there’s a heightened awareness of the decency issue now. We felt the commercial was right there on the borderline and we’ve taken steps that our programming is not on that border.” Meanwhile, cross-town **WMMM** and **WBZU** are taking the ads.

Suffering the same pangs of PD doubt all new artists undergo, **Kimberley Locke** needs a success story or two to calm those with a twitchy Selector finger. Here’s one you’ll enjoy. **WFBC/Greenville** has 395 spins on “**8th World Wonder**” with these results: 75% familiar, #10 of 35, #10 18-24, and #10 25-31. Then again, **RateTheMusic** checked in with #12 results, 18-24, 71% familiar. There. Feel better now? **Curb**

Talker **WKZO/Kalamazoo, MI** is denying a story in the *Slate* online magazine that it fired talk show host **Kevin Vanderbroek** for reporting on bribery allegations made by Rep. **Nick Smith** (R-MI). PD **Dave Jaconette** reportedly told the *Kalamazoo Gazette* that the firing “...had nothing to do with politics.” Smith charged in a December 1st interview that a member of the House leadership was offered \$100,000 in Congressional campaign funds for Smith’s son if Smith would vote for the Medicare bill. When Smith later backtracked on the claim, Vanderbroek played the tape to show the conflicting story. In Tuesday’s *Slate*, an article insinuated that Vanderbroek was fired for his actions, but the station’s owner **William Wertz** e-mailed the online publication insisting that Vanderbroek was fired for violating station e-mail policy. (Stay tuned for more developments!)

WBYT/South Bend PD Tom Oakes has accepted the OM post for **New Northwest Broadcaster’s** five station cluster in Billings, MT, which includes Country **KGHL**, Classic Country **KGHL**, Top 40 **KRSQ**, AC **KZRV** and AAA **KNDZ**. Oakes last day at **WBYT** will be next Friday (4/9), and current **APD/MD/morning show** co-host **Lisa Kosty** has been tapped to handle PD duties on an interim basis.

Congratulations to **Infinity** Talker **KMOX/St. Louis** which is celebrating its 50th consecutive season carrying **St. Louis Cardinals** baseball! Also worthy of a mention, is **Tribune’s** **WGN/Chicago** which has carried **Cubs** games for 46 straight seasons!

Sales can either illustrate hit potential (see **Norah Jones’** 1st album), or serve as a positive reinforcement on a record you just started playing...which is exactly what happened this week for **HAC KSTP/Minneapolis** who added **Keri Noble’s** powerful single “**Talk to Me**” on the first day it was out (3/15). Now - just three weeks later, following a 27x a week - an undeniable story has begun to develop with sales of **Keri’s** record more than doubling each week, to well over 300 units scanned in just the past week alone! Don’t miss this hit, audition today! **EMI /Blue Note**

According to reports from this week’s *Kansas City Star*, **Union Broadcasting’s** President **Chad Boeger** said that the company’s local **KC** cluster, including; Sports **WHB**, Talker **KCTE** and Modern AC **KZPL**, is not being sold to **Cumulus**.

Milwaukee Winter Book, Phase 2 Trends. A fairly flat trend, with the exception of **Saga** urban AC WJMR suffering a nearly one point fall. Over 35 reporting stations are validating what dozens of non-reporters have found: **Hanson's "Penny & Me"** sounds like a hit! The believers? Here's a few: KHKS, WPRO, WQAL, WXSS! It debuted at #2 in single sales this week (next to Kimberley Locke...good company, we think) and it's spinning ("viewing"?) 62x on MTV Hits! That 12-24 core audience they enjoyed a few years ago has grown into YOUR core. Make it easy on yourself. Add Hanson! **3CG**

This week WKTI/Milwaukee has announced the winner of their "Rockstar Project." After (6) full weeks of heated competition and 50,000 people voting, **Kevin Paap** of Racine, WI is WKTI's Rockstar! Paap's first single, "My Heart Is Here" was officially added at WKTI and Paap will begin a very busy spring & summer booked with appearances throughout the state, including a performance at Milwaukee's world-famous music festival "Summerfest."

All Hit 98-9 WHTS/Quad Cities Davenport/Rock Island had a Britney Spears look alike contest for tickets to seats in "Britney's Lounge", a special concert viewing area for Britney's show in the Quad Cities. The only catch was, this contest was for the guys, who could win tickets for their girlfriend, daughter or themselves. The event was covered by all Quad Cities TV and newspapers. Says PD Tony Waitekus, "I don't think Britney has anything to worry about!" Here's a peek at the contestants, with the runners-up pictured in front: All Hit 98-9's Joey Tack, Red Hot Brian Scott, PD Tony Waitekus & Mark Manuel.

ANNOUNCING THE CONCLAVE'S FIRST INDUSTRY AWARDS. AND THE WINNER IS -YOU! The Conclave has taken a dramatic step which will allow radio and record professionals to bypass the old school method of nominating and selecting PD OF THE YEAR, MD OF THE YEAR, AIRTALENT OF THE YEAR, LABEL OF THE YEAR, VP/PROMOTION OF THE YEAR, etc. with a novel concept. *Conclave 29: Paradigm 2004 - It's Full of Shift* will be offering the industry's first "**You're Already A Winner Weekend!**" (7/15-18, Minneapolis Marriott City Center). Each and every registrant for Conclave 2004 will be receiving an award recognizing them as PD OF THE YEAR, MD OF THE YEAR, AIRTALENT OF THE YEAR, LABEL OF THE YEAR, VP/PROMOTION OF THE YEAR...whatever your job is, you'll be recognized as the industry's best! If you're coming to Conclave 2004 and you're a PD - Congratulations! You will become the 2004 PD OF THE YEAR. Are you an overnight jock registered for Conclave 2004? Congratulations - you've just won 2004 AIR TALENT OF THE YEAR! Are you a label executive attending the Conclave? You've just won the 2004 RECORD EXECUTIVE OF THE YEAR! And EVERYONE will be recognized as such by their peers, who like you, ARE A WINNER! Need a photo of your proud moment? No problem! Stop by the Conclave's 30th Anniversary Prep Booth, and get a snapshot of you receiving your award from any number of Conclave celebrities or guest artists! If you want a trophy just like those hanging on the walls of **Scott Shannon, Rick Dees, or Clive Davis**, register today for Conclave 2004...and "**You're Already A Winner!**"!! *Comment: The Conclave is having a little fun with one of our industry's proudest traditions - the hundreds of "Best of" awards given away each year by dozens of respected radio and music organizations. But it is serious in wanting to recognize those individuals upon whose backs the industry has grown, and who - because they're not on the air in New York, LA, Chicago, etc. or who don't work for a major label - have been by-passed for the so-called "bigger name." Being a contributing member of the industry in these trying times is difficult. Someone needs to recognize ALL of it's important members...and the Conclave is just the organization to shift the paradigm, and do just that! Come to the Conclave, and be among the industry's BEST!*

Ever hear the saying "It's not the quantity - it's the quality"? Try these call-letters on for size: WXSS, WXLO, WXKS, KRBV, KIIS, WPRO. Quality, right? With your add of **Artemis' Joey McIntyre** and "**L.A. Blue**" this week, you'll be able to add quantity AND quality. Y'dig?

The FCC has extended the license-renewal and EEO filing deadline for stations in (6) states due to electronic filing system problems. Stations in Delaware, Indiana, Kentucky, Pennsylvania, Tennessee and Texas will now have until Thursday (4/15) to file.

An unusual phenomenon is taking place on the charts. Rarely does an artist have most-played status at both triple A and top 40. But that's what **Joss Stone's "Fell In Love With A Boy"** is doing at T40 kingpin WSTR (31x) and triple A WOKI (27x). Also registering double-digit counts for this **S-Curve** artist: WXRT, WPXY, WRLT, WBBO, WXXX, KBCO, WBOS, etc.

Can you name an artist whose CD has been out for a month, and has sold over 2.3 million units? **Norah Jones!** And nobody else comes close. "**Sunrise**" is the vehicle which is propelling the record sales, so why ignore the obvious? Play Norah. Grow audience. Nice equation, we think! **Bluenote**

April fools Dept. KMCH/Manchester, IA Promotions Director **Rob Edwards** and morning man **Mike Johnson** kicked off "The New Funnybone 94.7" yesterday (4/1) playing all comedy music and clips from stand-ups, complete with their voice guy doing liners and sports guy reporting from an alligator wrestling tournament. What initially seemed like a typical prank gave way to numerous calls of concern as the "new format" stuck well after the morning show was over, with the station finally giving in at 11:30am. Calls quickly changed to that of relief...In lieu of the usual "Look We're A Polka Station!" April Fools gags, WDRQ/Detroit's **Jay & Rachael** in the Morning, along with other station personalities, held an "April Fuel's Day" event this Thursday (4/1) whereby the station gave (193) listeners up to \$9.31 worth of free gas...

Full Service KFOR/Lincoln, NE brought in over 1,500 listeners for the fourth consecutive year at its KFOR "Taste of Home Cooking School" on Tuesday (3/30). The event featured home economist **Tricia Newman** in a two-hour on-stage demonstration of (8) different recipes.

Congratulations to **Carroll Broadcasting's** wacky Team Kick Cancer who held the 3rd annual 2nd Chance Prom last week (3/26). The 2nd chance prom is a chance for adults to "re-live" their prom (without sneaking in the booze) along with a silent auction fundraiser with netted over \$2300 for the Relay For Life. Over the past 3 years Team Kick Cancer has raised more than \$15,000 for the Relay, the signature money-raising event for the American Cancer Society.

Omaha Winter Book, Phase 2 Trends. **Clear Channel** country KXKT is up over a point in a market whose changes (within the **Waitt**, **Clear Channel** world) won't be felt for several trends. KXKT-FM 8.8-10.0, KFAB-AM 8.5-8.4, KEZO-FM 6.9-6.6, KGOR-FM 6.3-5.7, KSRZ-FM 5.9-5.5, KLTQ-FM 5.9-5.2, KKCD-FM 4.9-5.0, KQKQ-FM 4.7-4.7, KQCH-FM 4.4-4.4, KBBX-FM 3.3-3.4, KOMJ-AM 3.3-3.3, KEFM-FM 3.8-3.3, KRQC-FM 3.3-3.2, KKAR-AM 2.7-3.0, KBLR-FM 1.7-2.7, KCTY-FM 1.9-2.2, KOIL-AM 1.7-1.7, KOZN-AM 1.9-1.7, KOSR-AM 0.9-0.6, KZKX-FM 0.4-0.5, KMA-AM 0.4-0.4, KHLP-AM 0.5-0.4.

Most programmers agree: a song which is destined for top 10 in virtually every pop or rock format this summer is **Hoobastank** and "**The Reason**". If you're after a tune with high scores in a wide demo, and one which will score 60-70% familiarity in just your first callout result or two, **Island** has made it easy by releasing this ultra-Midwest hit.

Changes too. **Clear Channel's** WZEE/Madison has named **Steve Honacki** to the MD/mid-day post from the programming department at **Infinity's** WBBM/Chicago...KAZR/Des Moines MD **Jo Michaels** leaves for nights at rocker KISW/Seattle...WKHQ/Traverse City, MI has named **Mark Elliott** Dir./Programming and morning man, as PD/MD/afternoons **Ron Pritchard** remains in place...KLMY/Lincoln, NE has named former cross-town KFRX PD **Sonny Valentine** as PD...WLRK/Wausau, WI OM **Ed Paulson** has left to work for cross-town Country WYTE.
