Air America Radio host and Minnesota native, **Al Franken** announced this week that he is organizing a tongue-in-cheek national anti-Bush protest, "The Great American Shout-Out," asking people to simultaneously shout the word "fuggedaboutit" out their windows on September 2, taking a stab at a parody on the "mad as hell" **Howard Beale** rant from the film "Network". Franken has also suggested regional variations on the theme, like Minnesotans yelling "oh, no, ya don't!" or Californians shouting "no way, dude!" Meanwhile, Minnesotan and **NPR's A Prairie Home Companion** host, **Garrison Keillor**, shared another opinion in a *Salon.com* interview this week, in which he stated that he wished Al would give up radio and seriously consider moving back to the land of 10,000 lakes to re-establish residency and run for the US Senate against **Norm Coleman** in 2008.

With over 3 million copies of their album sold worldwide, **Busted** makes a move in the US with this week's most added "**What I Go To School For**" - with a lyric that brings a smile to anyone and everyone who may have maximized recess a time or two in their lives. Among the throngs jumping on the "school" bus this week: KCHZ, WSNX, WIOG, KBEA, KKMG, KZMG, WWCK. **Universal**.

Minneapolis Summer Book, Phase 1 Trend. Richard Marx' continues his amazing return to the charts with strong Midwest airplay at **KYKY** 31x, **KS95** 24x, **KSRZ** 28x, **WKTI** 21x, **KFBZ** 30, and **WKSZ** 28x (with great research!). Tempo, familiarity, staying power - it's all wrapped up in "**When You're Gone**" on **Manhattan**. Get gone today!!

KS95/Minneapolis announced today that the new partner for **Cheryl Kaye** on the **KS95 Morning Show** would be **Hastings**, Minnesota native and veteran radio personality **Greg Thunder**! **Greg** will be replacing **Van Patrick**, who has spent the last six years on the **KS95 Morning Show**. **PD Leighton Peck** made the announcement and added, "Greg has had a very successful radio career in major markets including New York, Chicago and Minneapolis. For the last four years, Greg has been the host of the successful 'Greg and Shea' Morning Show on **Entercom's Alice 105.9** in Denver (**KALC-FM**)." **Greg** and **Leighton** share some background, too. They attended **Brown Institute** at the same time, and both worked for **KDWB** in the late 80's before **Greg** left the market. **Greg** returned in 1990 at **Emmis' WLOL** as PM driver (Radio trivia: **Greg's** show was the last heard on **WLOL** prior to it's becoming part of the Minnesota Public Radio empire.) He "returned" a couple of years ago as a voice on **Clear Channel's** classic hits station, **WLOL** (hmmm...will those call letters NEVER leave **Greg's** resume??). He'll start his new tour of duty in Minneapolis in October.

The new **Tim McGraw** album arrived in stores last Tuesday and with 1.6 million units shipped, you might say it represents a bit of a hit! The title song, "**Live Like You Were Dying**", will be in AC's hands next week for adds on 9/13. Thank **Curb Records** for making your fall programming a little easier...and much more successful!

Milwaukee Summer Book, Phase 1 Trend. **Journal N/T WTMJ** still nearly 4 points ahead of the rest of the market. **WTMJ-AM** 10.5 - 10.4, **WKKV-FM** 7.1 - 6.6, **WXSS-FM** 5.8 - 6.5, **WMIL-FM** 6.7 - 6.4, **WLZR-FM** 6.0 - 6.0, **WKLH-FM** 6.0 - 5.5, **WISN-AM** 4.9 - 5.0, **WMYX-FM** 4.2 - 4.4, **WKTI-FM** 4.5 - 3.9, **WJMR-FM** 2.9 - 3.8, **WOKY-AM** 3.5 - 3.6, **WRIT-FM** 3.3 - 3.4, **WLTV-FM** 2.9 - 3.2, **WJZI-FM** 2.7 - 2.5, **WFZH-FM** 1.7 - 2.1, **WLUM-FM** 1.8 - 2.0, **WFMR-FM** 2.1 - 1.9, **WEXT-FM** 1.5 - 1.7, **WIND-AM** 1.5 - 1.2, **WNOV-AM** 1.1 - 1.1, **WGN-AM** 0.8 - 1.0, **WAUK-AM** 0.8 - 0.9, **WTKM-FM** 0.7 - 0.8, **WMCS-AM** 1.0 - 0.8, **WEZY-FM** 0.6 - 0.8, **WGLB-AM** 0.6 - 0.6, **WBWI-FM** 0.6 - 0.6, **WRJN-AM** 0.5 - 0.5, **WWDV-FM** 0.5 - 0.4, **WDRV-FM** 0.6 - 0.4.

"35 with a bullet!" Are we talkin' about a middle-aged NRA member? Nah. That describes the where **Kimberley Locke** is on the **R&R CHR** chart! Regional spin leaders for "**Wrong**" include; **WHTS** 23x, **KKDM** 28x, **WZEE** 30x, **WIFC** 34x and **WQQB** 40x! **Curb**

We're Not In Kansas Anymore Dept. **Cumulus CHR/Pop KCHZ** (Z95.7)/ Kansas City **PD Dave Johnson** has been broadcasting his show live from Athens, Greece- home of the Olympic Games. **KCHZ** also did the afternoon show live, with **Cabana Boy**. **Dave** told **R&R's Kevin Carter**- "Probably the highlight of our trip was our Z95.7 banner proudly waving on the Today Show set last Thursday morning. Thankfully, I remembered to pack that thing! As **Matt Lauer** and **Katie Couric** discussed sandals or something, the Z95.7 banner served as their backdrop for several minutes. Because of the time difference in Athens- around 3:30pm- we had to rely on our friends in America to confirm that they saw it, and boy did they! Calls poured in from Z95.7 listeners who did in fact see the banner- and the very thick eyebrows of Cabana Boy- broadcast around the world." For their feat, the *TATTLE R* judges give the duo a 9.8, a 9.6, and a perfect 10!

The ears of **Dusty Hayes** have been the first to hear many a hit. That's why smart Hot AC PD's are paying attention to KAMX' discovery of **Low Millions** "Eleanor" on **Blue Note**. (To be fair, triple A has been spinning the track for a month or so with success. Just ask KBXR 22x, and KSQY 19x!).

Green Bay Spring Book. **Midwest Communications** gets the #1...and the # 2, 3, 4, 5, & 6 spots! WNCY-FM 15-14.1, WIXX-FM 9.9-12.3, WOGB-FM 5.1-8.5, WTAQ-AM 5.1-6, WLYD-FM 4.4-5.6, WOZZ-FM 4.7-5.3, WAPL-FM 5.1-4.9, WPCK-FM 1.1-4.9, WQLH-FM 5.5-4.2, WECB-FM 2.9-3.5, WDUZ-FM/WXWX-FM 3.6-3.2, WZOR-FM 3.3-3.2, WJLW-FM 5.1-2.8, WNAM-AM 1.8-2.5, WKSZ-FM 1.1-1.8, WNFL-AM 1.8-1.1, WTMJ-AM 1.1-1.1, WBDK-FM 1.1-0.7, WNGB-AM/WDUZ-AM 2.9-0.7, WROE-FM 0.4-0.7, WRVM-FM 0.7-0.4, WSFQ-FM 0.4-0.4. Leann Rimes f/**Ronan Keating** and "Last Thing on My Mind" makes an impressive jump from 17-15 on the AC chart this week and *Ratethemusic.com* research already reflects nearly 60% familiarity and only single digit burn, suggesting room for lots more spins at stations like; KSRC 18x, WFMK 15x, WLHT 12x, KEFM 9x, KRBB 8x! **Curb**

Talker WTDY/Madison weekend host **Casey Hoff** was issued a \$300 ticket by local police earlier this week for allegedly leaving a message on the answering machine of a local woman who opposes the controversial opening of a new **Best-Buy** store in Fox Point, a Milwaukee-area suburb. Hoff called **Linda Settler** after being turned down for an interview and then reportedly left a message calling Settler a racist. Some residents of the community are apparently fighting the in-bound store, claiming traffic and crime issues, with others insisting that the opposition is based on racism due to the fact that the store may replace a current outlet closer to Milwaukee and, as a result, could bring African-American customers to the largely white Fox Point area. The station has since reprimanded Hoff for the action.

Soon to crack the Top 10 on the AC chart (currently at 12), **MercyMe** and their bona-fide hit "Here With Me" also continues to make in-roads with savvy HAC stations. (Don't take our word for it either, WKTJ played it 32x this week!) **Curb**

The station loaded an entire semi with water and batteries, and took off to Florida with 'ZPL morning host **Dave Smiley** and his producer **B-Moore**. They arrived at Punta Gorda (the hardest hit community) on Wednesday and delivered the much appreciated goods.
