"BEHAVED OURSELVES ON THE VIKING PARTY BOAT"

It used to be that the best job security was to be GREAT at what you do, and do MORE than what is expected of you. However, in the 21st Century, that's just the price of admission. 25-year radio marketer and programmer, Kipper McGee, comes to Cleveland this Saturday, October 15 to share, **"Secrets to Making Yourself INDESPENSIBLE in the New Media Century."** McGee's presentation will be part of Conclave TalenTrak 2005, being held this weekend at the Cleveland Holiday Inn Select/City Centre Lakeshore. In this new media era, it may not be long before you find something important missing from your career. Your job may vanish, whether to voice tracking or a 'virtual' office. With the upcoming 'next generation' of ownership consolidation — the Mega-Media Shakeout — coming, maybe your company will go AWOL completely. That's reason enough to attend this session and the other activities planned for TalenTrak 2005! The secret tips and techniques shared here will go a long way in ensuring that you're among the last, best, and most highly compensated left standing, regardless of which job challenges impact our industry next.

For only \$59 at the door, attendees will gain valuable experience with McVay Media's **Daniel Anstandig**, along with **Kasper** of WAKS FM/Cleveland, **Tom Cook**, WSNI FM/Philadelphia, and **Don Hallett**, PD of WMVX/Cleveland, in telling radio personalities and students **"HOW NOT TO GET A JOB!"**

"Clear Channel/ Pittsburgh's, **Mark Anderson**, along with WMMS/Cleveland morning team **Christi Cantle & Shawn Kelly** and Kiss/Pittsburgh's **Scotty**, take attendees into **"...AND NOW FOR SOMETHING COMPLETELY DIFFERENT,"** and the TalenTrak 2005 luncheon keynote presentation will feature syndicated radio's most acclaimed

newcomer and WXTM FM/Cleveland morning maven, **Rover**.

The afternoon has been reserved for the ever-important Aircheck Clinic. A team of top-notch programmers from around the country will listen to scoped 3-minute CD airchecks brought to the seminar by attendees. The all-star programming team invited to share and serve as career guides and Aircheck Clinic mentors for the day, include: **Greg Ausham**, Envision Radio/Cleveland - **Jerry Boulding**, Conclave Board member and All Access urban editor - **Dr. John "Turk" Logan**, WCSU/Central State University (Dayton) - **Tracey Carroll**, Lanigan & Malone/Cleveland - **Tim Kelly**, Elyria-Lorain Broadcasting/Cleveland - **Mark Pennington**, WRIF/Detroit - **Mike McVay**, President/McVay Media - **Don Murphy**, Int'l Morning Show consultant - **Tom Cook**, Clear Channel/ Philadelphia - **Bruce Ryan**, Ohio Center for Broadcasting/Cleveland - **Slats**, Xtreme/Cleveland - and more. Once again serving as host for the day, **Bill Klaproth** from WLUP/Chicago!

To conclude the day, TalenTrak presents **"Great War Stories of Radio"**, an intimate glance at the trials and tribulations of some of the industry's most successful air talents, presented in story form! Then, TalenTrakkers can adjourn to enjoy hors-d'oeuvres and beverages at Happy Hour at the Holiday Inn. More info is found at www.theconclave.com. A limited number of hotel rooms are also available at the Holiday Inn Select for only \$89! Call the hotel at 216-241-5100 to reserve your room! Conclave's TalenTrak 2005 is being sponsored by **Nielsen/BDS, BitXchange/AudioXchange, Envision Radio Networks** and **PromoSuite**.

It would seem that **Elliot Spitzer's** "pay for play" settlement with **BMG** is beginning its ripple affect on the rest of radio. **Clear Channel** issued a press release on Tuesday (10/11) in regard to the termination of two employees naming "inappropriate conduct" as the reason behind the lay-off. No one, however, could have predicted the following day's memo from Sr. VP/Programming **Tom Poleman** in stating that WWPR/New York PD **Michael Sanders** was no longer with Clear Channel, effective immediately and wishing him "the very best in future endeavors". The memo went on to name VP/Urban Programming (and Conclave XXX Faculty member) **Doc Wynter** as the interim. Not long after this surprising pronouncement, **Diana Laird**, PD for KHTS/San Diego, was ousted. There was no replacement named.

Even sleep deprived opponents couldn't save the **White Sox** from defeat on Tuesday (10/11), and if you think the players were disappointed imagine how **Infinity** Talk WCKG/Chicago staffers **Ryan "mender" Mendenhall** and **Cark Klockers** felt; the two were arrested earlier that day for attempting to rouse Sox opponents the **Anaheim Angels** from their slumber at a nearby hotel.

Also in trouble with the law, former WRYV/Gallipolis, OH OM/jock **Steve "Rhino" Reinhardt**, who has been sentenced to a two-year prison term. He was convicted of stalking an unnamed 22-year old woman and entering her family home in order to steal her underwear, which he later left soiled in the victim's car. Reinhardt will also be required to apologize to the woman and her family.

KCBS went Jack, and now Jonathon's back at The Loop! WLUP/WKQX VP/GM **Marv Nyren** was excited about the hire, saying "It's the most exciting announcement in Chicago radio in five or 10 years. The one thing that (Brandmeier) brings is instant name recognition and popularity probably second to none in the history of Chicago radio."

Big Congrats to Minneapolis native **Tim (Tim Kelly) Sabean** who will join **Howard Stern** as Program Director on the new **Sirius Satellite Radio** show **Stern!**, effective 10/17. This means Sabean will exit his role as VP/Programming for the **Infinity/Philadelphia** cluster. **Sirius** President/Entertainment & Sports **Scott Greenstein** will oversee Sabean and said of his new employee, "No one is more suited to support Howard's vision for the channels than Tim Sabean. He has demonstrated exceptional abilities in developing talent and achieving great success in multiple markets. And given his history with Howard, we're confident that Howard's radio revolution is on its way."

If **Britney Spears** can sell her dirty flip-flops on e-bay, why can't a morning show from Toledo, OH auction off a pregnancy test they found while rooting through **Katie Holmes'** parents' garbage? Well, it would seem that they can. After the world was rocked with the announcement of Holmes being impregnated with the spawn of **Tom Cruise**, **Johnny D & the Morning Crew** of **Cumulus** Top 40 WTWR picked through trash in Holmes' old neighborhood until they struck pay-dirt. In a very large understatement, **Johnny D** said, "This is really gross." Don't worry, it's for a good cause! Proceeds go to local children with terminal illnesses.
