You know how radio makes hits, but do you know what goes into making radio hits? You will after attending "BMI Presents: The Making of Radio Hits" at this summer's **Learning Conference: Conclave 007- Radio Under Construction**. Special guests for the Thursday (6/28) session are noted pop and country songwriting superstars **Jeffrey Steele** and **Bob DiPiero**, who'll share the secrets of creating hit songs for the radio. Expect a frank, but fun discussion with Jeffrey and Bob as they talk about the current state of radio from a songwriter's point of view and perform songs from their personal repertoire of hits! Jeffrey's hits have been recorded by top artists such as **Faith Hill**, **Tim McGraw**, **Trisha Yearwood**, **Randy Travis**, **Diamond Rio** and **Pam Tillis** – and include "She'd Give Anything", "Big Deal", and "Unbelievable". Bob DiPiero's hits include "American Made" by the **Oak Ridge Boys**, **Vince Gill's** "World's Apart", **Reba McEntire's** "Little Rock" & "Till You Love Me", **Shenandoah's** "The Church On Cumberland Road" and **George Strait's** "Blue Clear Sky". His songs dot the repertoire **Diamond Rio**, **Jo Dee Messina**, **Marty Stuart**, **Billy Ray Cyrus**, **Joe Diffie**, **Kathy Mattea**, **Martina McBride** and **Faith Hill**. You won't want to miss this first-time-ever session at the Learning Conference. Register today!

Who says there's no competition for the **Sirius/XM** merger? The companies issued a joint statement this week on the **FCC's** decision on its final rules for **HD Radio**, stating, "The FCC decision underlines that HD Radio on the AM/FM bands provides a real alternative to satellite and that the current audio entertainment market is broad, robust, and competitive. The decision will raise competition to a new level by stimulating the growth in HD Radio stations, enhancing its offering to consumers and establishing a process for free radio to offer a paid subscription service for the first time." CEO of Sirius, **Mel Karmazin** has cited HD and its subscription services as viable competition between terrestrial and satellite radio at the Senate's anti-trust panels.

Michelle Branch, half of country group **The Wreckers**, is safe today because the man accused of stalking her has been arrested. While onstage Monday night, Branch asked security during her concert in Sheboygan to have the man thrown out. **Dominick Giordano** was arrested by police outside the venue and charged with disorderly

conduct. The man has been harassing Branch since 2003 when he began sending her letters and following her around the country. He's also been caught backstage after lunging at the singer while she was signing autographs. He was under a restraining order until its expiration in 2004.

Dan Mason, 1998 **Conclave Learning Conference** keynoter, has been named President/CEO of **CBS Radio**. He will now oversee the 144 stations that make up CBS's spread, replacing **Joel Hollander** and reporting directly to CBS Corp. President/CEO **Les Moonves**. Mason is once again the head of facilities he's run before. From 1995-2002 he was the President of CBS Radio, where he successfully integrated CBS, **Group W**, **Infinity Radio**, and **American Radio Systems** radio stations. He joined **Westinghouse** as President of Group W Radio in 1993. Mason's return to radio hasn't severed any ties with his partner **Walter Sabo** in **Sabo Mason International Initiatives**; his agreement is to take the President/CEO position at CBS Radio and allows him to keep his international consultancy business. *Rumor: Might Dan make a return to the Learning Conference in June?*

Garry Meier has been confirmed to be the new late-AM host at CBS Talk WCKG/Chicago! From 8-11 weekdays, Meier will be at the mic, helped out by **Jim Turano** as contributor. **Opie & Anthony** will move back an hour. A former partner of **Steve Dahl**, Meier and Dahl broke up their act bitterly in 1993, when Meier moved beside **Roe Conn** for the next eight years at WLS-AM, resulting in another messy split in 2004. However, Meier did appear with Dahl last summer, sparking rumors that the two had buried the hatchet and were considering working together again. The hosts remain separate for the time being, although in the same lineup.

The war is on between popular radio personalities **Opie & Anthony** and the controversial **Mancow**. The pair called Mancow to task on his "Foundation for Responsible Radio" campaign, citing a Mancow interview in which he said the pair were "failing miserably." He went on to point out that O & A are in "last place in Chicago, and I told **Joel Hollander** to his face that would happen. These are no-talent individuals, and they cannot survive in a post-Janet Jackson, post-911 world." O & A took umbrage with this attack, and ripped Mr. Mancow a new one, pointing out the loss of his Chicago and Des Moines affiliates, using stunts on guests and staging calls, (including painting O & A sidekick **Jim Morton** as a child molester) and his jump to calling an end to "shock jocks." During the XM portion of their show, O & A tried to get Mancow on the show to have a show-down, although the bit ended up falling through. Anthony posed as a caller on the Mancow show as "Tony from New York," stating he was interested in the Britain-Iran crisis). He made it onto the air, but was cut off before he could get any shots in. He then called back as "Steve from Denver," but was outed by the screener. Anthony then challenged Mancow to talk on the air, and the call was aborted. When Opie called later in a more civilized manner, the Mancow screener informed him that he'd made the last half-hour of his life "a living hell," and hung up. Anthony then labeled Mancow as a "brave guy in print," while Opie called him a "pussyboy."

Jim Labarbara hosted his last show this week at **Cumulus** Oldies WGRR/Cincinnati. The radio vet has been a staple of listeners for 38 years, but was told on Wednesday that his contract will not be renewed. His replacement is **Keith Mitchell**, who's been PD at WGRR since Cumulus acquired the station in November. Labarbara said, "I'm just shell-shocked now, trying to figure out what I'll do next. They said it had nothing to do with me, or my ratings, or my age. They said corporate wanted to make a change." He's spent 14 years on WGRR, and has also been in the market on WLW-AM, WCKY-AM and WSAI-AM. Jim was inducted into the **Ohio Radio/Television Broadcasters Hall of Fame** in 2000.

As part of the reconstituted **CONCLAVE 007: RADIO UNDER CONSTRUCTION**, you're invited to grab your OWN work crew (co-worker) and get into the industries' premier learning conference at VERY special group "construction" tuition rates: 1) Register two crew members for one low price: \$350. 2) Register three crewmembers for \$450. 3) Register five crewmembers for the unbelievable rate of \$700! Entrance for one is still only \$199 until May 1, 2007. Register by calling 952-927-4487 or via www.theconclave.com to get in at these very special rates. Put on your hard-hats, and join us this summer for **RADIO UNDER CONSTRUCTION** in Minneapolis, right after your all-important spring book!

The calls at **Midwest Communications** in Kalamazoo have moved to sister Sports WQSN-AM, as Adult Hits WQLR/Kalamazoo flips to AC. They now call themselves WVFM.

The new board of directors for **American Women in Radio** has been announced! The board was put into effect on March 9, with **RAB EVP Mary Bennett** serving as the new National Chair. Vice Chair is **Pennsylvania Public Television Pres./GM Sylvia Strobel**. Controller for **CBS Radio/Los Angeles Valerie Blackburn** is the new treasurer, and attorney **Elizabeth Hammond** is Treasurer-Elect. The rest of the team includes **Chickie Bucco, Erinn Carter, Lynne C. Conlan, Catherine Corry, Christa Dahlander, Lauren Darr, Bill Diaz, Dick Kernan, Nia Mathis, Christine McLaughlin, Kathleen T. Ross, and Desiree Vanderwal**.

The Christian inspirational station WCDR/Dayton from **Cedarville University** has named **Marvin Sparks** as its new GM. He's the first new person at the helm of the station in 45 years, taking over for **Paul Gathany**, who steps into retirement March 31. Gathany started the station while studying at the university in 1962. What began as a 11.6-watt enterprise has become a whopping 30,000-watt, 14-station network, the **CDR Radio Network**. It is now heard in three states and streams on the internet. Congrats to both gentlemen on their accomplishments!

Journal's Adult Standards KOMJ-AM/Omaha has been purchased by **Cochise Broadcasting, LLC. Kalil and Co.** negotiated the deal. Journal has also closed on the purchase of **CBS** affiliate KMTV-TB/Omaha from Emmis, which they've operated under an LMA since December of 2005.

The results of the **NAB** board elections was announced this week! From the Midwest, **Bruce Goldsen, W. Russell Wither, Jr., Bob Bundgaard,** and **Matthew Mnich** were elected to two-year terms on the board, beginning their tour of duty in June.

Emmis/Chicago has raised some eyebrows by hiring a PR firm! Emmis RVP **Marv Nyren** reasons, "We know it's different for radio stations to go out and hire PR experts. But because what we're doing is so different, it really qualified as newsworthy. We're taking singularly unique approaches in both our programming and marketing, and we are prepared to talk about it." Emmis has asked MWW Group to create new communications initiatives for the Chicago station. They'll begin with an executive branding campaign, raising awareness and recognition of the stations' executives, touting them as innovative thinkers of the industry, especially in areas like fully-integrated and implemented 360-degree marketing, as well as the latest in PPM radio technology.

The new VP/Market Manager of **Entercom's** Madison cluster is **Amy Griesheimer**. Griesheimer's stations include Oldies WOLX, AAA WMMM and Adult Hits WCHY. She takes over for **Ron Raybourne**, and was previously with Entercom as GM of Active Rock KISW and Alternative KNDD in Seattle. She began her radio career with the company in Denver as VP/Sales.

The Kansas City T-Bones, the city's independent minor league team, has a done deal with **Entercom** Classical KXTR-AM/Kansas City to air their 96-game season, with sister Sports KCSP-AM simulcasting four of the games. **Tommy Thrall** is behind the mic with play by play.

Changes. **Scott Torgerson** signs on as Sports Director at **Radio One's** WBNS-AM/Columbus, OH, beginning April 4...PD **Ken Cunningham** has left **Radio Star** Top 40 WQQB/Champaign...**Mac Payne** has exited his post at **Entercom** Top 40/Rhythmic KDGS/Wichita as MD/night jock...PD **Keith Mitchell** returns on-air to the afternoon drive at **Cumulus** Oldies WGRR/Cincinnati. He had been doing mornings at WMOJ before it was sold to **Radio One** last year...Midday voice **Carson (Cindy Sellers)** leaves **Jayhawk Broadcasting** Hot AC KLZY/Lawrence. She's replaced by MD/night jock **Bobby Rock**...**Cumulus** Top 40 KROC/Rochester's morning team of **James Rabe** and **Cori Jensen** have left the station for a new station/market TBA..

Sam Weaver, PD for KRNB/Dallas, and frequent **Conclave Agenda Committee** member, has relinquished his duties at the station. Afternoon jock Shay Moore serves as PD in the mean time, although Weaver will serve as consultant for the station. You can reach Sam at 972-672-4812 or sweaver118@aol.com

The National Radio Hall of Fame has chosen its nominees this year! Nominees in the category of "Network or Syndicated Contemporary" include **Art Bell, Bob Kingsley, Marian McPartland, and Dr. Laura Schlessinger**. In the category of "Network of Syndicated Pioneer," the nominees are: **Jimmy Durante, "The Great Gildersleeve," Phil Harris and Alice Faye, and "Lum and Abner."** For Local or Regional Contemporary, the nominees are **Jerry Coleman, Bob Grant, Ronn Owens, and Donnie Simpson**. Finally, in the "Local or Regional Pioneer," category the list is **Bob Collins, Dan Ingram, Bob Sievers, and Rufus Thomas**. Ballots go out in May to members of the Hall of Fame, some radio executive, and broadcast historians. They have until August 1 to vote, and winners will be announced the week of August 6.

In other award news, the **Academy of Country Music** revealed its off-camera nominees this week for the **42nd Annual ACM Awards**. They will broadcast live May 15 from the MGM Grand Garden Arena in Vegas on CBS-TB at 8 pm. Midwest nominees include Major markets **Cornbread with Pat James/WIL-St. Louis, Edwards and Lee/WYCD-Detroit, Jim, Deb, & Kevin/WFMS-Indianapolis**. Medium markets: **Broadway/WBCT-Grand Rapids**. Small markets: **Frank Rush/WTHI-Terre Haute**. Major market station nominee: **KEEY/Minneapolis**. Medium market: **KXKT/Omaha**. No Midwest small market stations received nominations.

The awards keep on comin'! **The Gospel Music Association** has also announced its finalists for the **2007 GMA/Christian Music Broadcasters Radio Station of the Year**. Major, large, medium, and small market stations all receive awards, with the winners being determined by a panel of judges reviewing the following criteria: community involvement, ratings, air-check and industry leadership. The winners will be announced before the 38th annual **GMA Dove Awards** on April 25. Large market Midwest nominees include **WCVO/Columbus (Dan Baughman)**, while regional small market nominees included **KKJM/St. Cloud (Deb Huschle)**.

The Michigan Association of Broadcasters' 2006 Excellence Awards winners were honored last week, as **CBS News WWJ-AM/Detroit, Clear Channel Talk WOOD-AM/Grand Rapids, Lenawee Broadcasting AC WLEN/Adrian, and Midwest Family Stations Talk WSJM-AM/St. Joseph** all were recognized with Station of the Year honors in their own markets. The Public stations of the year were **WGVU/Grand Rapids and Michigan Radio**.

Morning man for **Triad Broadcasting's** Classic Country WIRL-AM/Peoria **Dan Dermody** was honored this week for his stellar career in broadcasting. For 45 years, (20 in Peoria), the popular personality has worked the industry! Before the Peoria City Council meeting last Tuesday, Mayor **Jim Ardis** made a proclamation in honor of Dermody, which can be heard at www.1290wirl.com.

Change is in the air for WARF/Akron this week! On the station's website, it proudly proclaims "The End of 1350 AM Radio Free Ohio is Friday,

March 30th at 8:58 AM." It goes on to say that while progressive talk radio has flourished in the rest of the country, Akron is an exception. **Sporting News Radio and Columbus Blue Jackets hockey** will be on the schedule for the new format.

"Autoscoop," has come to **Westwood One** stations in the Midwest. The weekly show is all about car buying, and is hosted by lawyer and car dealer **Adam Goldfein** and WVEE/Atlanta personality **Joyce Littell**. The show has been cleared for CBS "Free FM" Talker WKRK/Detroit and WCKG/Chicago, as well as several other major market stations like Washington, San Diego, Atlanta, and Philadelphia.

Why is everyone hatin' on poor **Sanjaya Malakar** of **American Idol**? The kid can't win, as another radio stunt in his name prevails at **Radio One** Top 40/Rhythmic KTTB/Minneapolis this week. Morning man **Tone E. Fly** is certainly "bugged," by him (get it?!) and has challenged his co-host **B-Right**, an avid smoker, to "**The Great B-Right Sanjaya Smoke-Out**." The deal is that B-Right can't smoke ANYTHING (ahem) until the beleaguered "Idol," is voted off the show. If Sanjaya happens to be the next Idol, however, B-Right has vowed to commit himself to an outpatient rehab program. That's kicking the habit in the name of karaoke crooners everywhere!

At least someone is showing the kid some love! **Radio One** Top 40 WGTZ/Dayton host **Scott Mallory** has thrown his hat into the ring in support of the Idol candidate; his Morning Z Team has organized a Z-93 **Sanjaya** Sit-In! Dayton listeners were asked to unite at a local nightclub, watch Idol, and cheer the kid on. (It is assumed that all the cheering drowned out the vocals...) then text like mad to keep him on the show. As Mallory reminded us, "People forget that votefortheworst.com actually kept **Taylor Hicks** on the show last year, and eventually his talent prevailed. We want to do the same for Sanjaya." Watch for more news next week to see how they (and Sanjaya!) fared.

Changes, Too. Mark "**Munch**" **Bishop** joins crosstown **Good Karma Sports** WKRN-AM, moving from **Clear Channel Oldies** WMJI, while WMJI's **Kenny Roda** moves to WKNR...**Justin Bond** leaves **Triad's** Class Hits WDQX/Peoria as their PD, leaving the spot open for **Joey Davidson (Joey D)**, formerly an account executive at crosstown **Regent...NextMedia** makes the switch today to Talk from Oldies-Talk at WHBC-AM/Canton...**Midwest Communications** Top 40 WIFC/Wausau is the newest affiliate to the **AudioBitxchange's** audio and production library, syndicated by **Envision Radio Networks**.

Boise State University has purchased a construction permit for an FM translator for its station K266A/Hailey from **Minnesota Public Radio** for \$7,500.

The winner of Power 95.7's Power DJ Search has been chosen! **Tanya Smith**, a local resident and medical assistant was hand-picked by listeners this week as **Talking Stick** Top 40/Rhythmic WYPW/South Bend, IN's station. **Chuck "DJ Manic" Wright** announced Smith's victory, and she's already begun weekend shifts at the station.

Morning team **Jim Johnson** & **Lynne Woodison** of **Greater Media's** Classic Rock WCSX/Detroit announced the WCSX \$20,000 Commercial Casting Call this week. Video entries can be submitted, with finalists listed online April 23, where listeners can vote for their favorites!

Clear Channel/Dayton VP/Market Manager **Chuck Fredrick** heads south to take over the lead at Clear Channel/Cincinnati. He steps in for **Karrie Sudbrack**, who resigned February 26 to move on to **Cumulus/Cincinnati**. Fredrick has 18 years in radio sales under his belt, and took over for Sudbrack in Dayton when she went to Cincinnati. The future of mornings at WYGY has surprises in store, promises PD **Marty Thompson**.

As we approach the 32nd annual Learning Conference in June, it should be remembered that the event would not be happening if it were not for the support of major sponsors of the Conclave, like Platinum Partner – **Radio & Record and Partners Arbitron, AudioXChange/BitXChange, BMI, Brown College, Jones Radio Networks, Lincoln Financial Media, McNally-Smith College of Music, MediaSpan, MusicMaster, Nielsen Entertainment/BDS Radio, PromoSuite, RCS, Specs Howard School for Communication Arts, Edison Media Research, Envision Radio, and Troy Research.**

Monday, Tuesday, **Yappy Days**... Thursday, Friday, Yappy Days... okay, so you won't find **Richie Cunningham** or the **Fonz**, or even **Joanie** and **Chachi** here, but the all-day doggie convention is a hit, and it reappears on Saturday at the Kansas Coliseum! Everything from doggie-friendly businesses to vendors and products to training classes will be at the festivities. Be sure also to check out the obedience seminars, "Ask the Vet" seminars, and find out what Bowser is thinking with an on-site pet psychic! The even is sponsored by **Clear Channel Radio/Wichita AC RBB, Classic KTHR, Top 40 KZCH, and Country KZSN.** Clear Channel Dir./Integrated Marketing **Stacy Wontorski** said, "We're amazed at the crowds who attend Yappy Days each year. People really bond with their dogs and that is evident by the more than 3,500 spectators who attended last year with over 1,200 dogs; we expect even more this year!" (Your editor's own maltepoos adds, "Roo roo! Two paws up!") Kanine-approved!

Wisconsinites are known for their free beer and hot wings...no, really! **The Free Beer and Hot Wings Show** debuted last week on **Maverick Rock WDRK/Eau Claire** to rave reviews! As Hot Wings enthused, "This is a great opportunity for us at another great station. I can't believe we're on one station, let alone this many." Keep it on the QT and very hush-hush, but could Free Beer & Hot Wings be making an appearance at this summer's **Conclave Learning Conference** in Minneapolis? Stay tuned...

More Changes. **Clear Channel** Top 40 WSNX/Grand Rapids has named weekender **Angie Vuyst** as the newest member of its morning

team...It's the new "Lite Rock 104.3," for **Leighton Broadcasting's** Hot AC KZLT/Grand Forks, ND, as they make the jump to AC! ...The voice of the **University of Alabama at Birmingham** baseball goes major league! **Cory Provos** will be heard as the new pre-game host and reporter for **Chicago Cubs** baseball on WGN...The **Ken & Kitty Morning Show** is out at **Bonneville** Country WYGY/Cincinnati, as their deal was not renewed.

Roxanne Steele has left **Woodward** Rocker WZOR/Appleton, WI because of restructuring at the station. You can reach out to Roxanne at 920-850-1326. **Joe Calgare**, the original WZOR PD and current heritage Rock sister WAPL programmer will step in as PD for both stations.

Condolences to the friends and family of **Carolyn Adams**, who died this week after her long, but courageous struggle with breast cancer. Adams was the former **Clear Channel/Chicago** Senior AE and **Tribune** Talk WGN-AM/Chicago marketing staffer. She most recently served as Superintendent of the **Illinois Lottery**, after being appointed to the position by **Gov. Ron Blagojevich** in 2003.

Lani & Jim

You may know, or know of, **Jim Steele**, OM for **Clear Channel/Lincoln**. For the past 5 years, he's been battling ALS while performing his radio chores from home. Last Sunday, *The Toledo Blade* ran a wonderful feature on Jim, his life, his family, and his job. The TATTLER encourages you to read it: <http://toledoblade.com/apps/pbcs.dll/article?AID=/20070325/COLUMNIST37/303250015>.
