Learning Conference Tackles The Next Big Thing! What can radio do to attract younger demos again? How do we keep radio on their radar screens? What technologies must radio embrace in order to meet the demographic challenges ahead? What platforms are radio companies building to move successfully to the next millennium? Join All-Access CEO, **Joel Denver** and his all-star faculty (**John Stevens**/Paragon, **Eric Murphy**/Pop2Life, and **Marv Nyren**/Emmis-Chicago) as they reveal the REAL problem 12-24s have with radio during "The Next Big Thing" at **Conclave 007: Radio Under Construction** on Saturday, June 30. Learn how to reach this audience by renewing/strengthening your brand using the Internet and incredible new technologies like the P1SMS mobile platform. And finally, with all this information in hand, learn the steps necessary to tackle the PPM headlong when it appears in your market! If you need a peek at the future – and who doesn't? - this hour alone will be worth the price of admission!

Power Created at 2007 Learning Conference! Geller Media International president **Valerie Geller** will provide proven practical and specific ideas to help broadcasters in news, talk or sports radio get and keep their gigs next month at the 32nd Annual Conclave Learning Conference in Minneapolis. "Creating Powerful News, Talk & Sports Radio" will take place June 29th at 2:30 p.m. at the Marriott City Center Hotel. Geller says her presentation will be based on three guiding principles: 1. Tell the truth, 2. Make it matter and 3. Never be boring. The internationally acclaimed consultant and author says attendees will learn about powerful aircheck techniques, building and maintaining audiences and improving writing and storytelling skills. The session will also offer insights into effectively targeting specific audiences, recognizing that men and women listen to and absorb information differently. Attendees looking to break into news, talk or sports radio will hear invaluable tips on landing that first job. Geller adds that the principles covered in the session can be applied to any format, but the focus will be on issues associated with news, talk and sports radio.

Sen. Herb Kohl (D-WI) has thrown his two cents in on the **Sirius-XM** merger issue. As Chairman of the Senate's antitrust subcommittee, he sent a letter to the **Justice Department's Thomas Barnett** and **FCC Chairman Kevin Martin**, asking them to oppose the merger as "unacceptable under antitrust law and as a matter of communication policy." His panel has listened to

testimony from Sirius CEO **Mel Karmazin**, along with many others lobbying that the relevant market for the merging companies is all audio delivery sources. However, Kohl states that "no other technology available today is a substitute for the satellite radio" and that "future technologies won't protect consumers from higher prices now."

Musicradio 89 WLS returns for a very special one day only event, starting at 5am this Monday (Memorial Day), featuring live broadcasts from **Larry Lujack w/ Lil' Tommy Edwards, Fred Winston, John Records Landecker, Jeff Davis, Chris Shebel** and **Tom Kent**. Helping to prepare and pull off a seamless presentation for The Big '89 Rewind" is a talented behind-the-scenes staff supporting WLS PD **Kipper McGee** and the WLS greats that will be on the air that day: **Bill Shannon**, Chief Musicologist; Rewind Coordinator **Jay Philpot, Scott Childers**, Lead Historical Consultant ; **Art Vuolo**, Videographer; **Michael Wolfgang**, Producer in Chief; Special Voiceovers, **Jeff Davis, Fred Winston, Bill Price**. The special will also feature the generous contributions of unique WLS airchecks from many fans, collectors and "**Uncle Ricky's Top 40 Repository**" at www.reelradio.com <<http://www.reelradio.com/>> ! You can listen to the live stream of the entire 18 hour broadcast at www.wlsam.com <<http://www.wlsam.com/>>

Learning Conference Rocks On In June! The 32nd Annual Conclave Learning Conference, "Conclave 007: Radio Under Construction," will feature a three part rock symposium titled "Ratings, Revolution & Revenue" on June 29 at 5 p.m. at the Marriott City Center Hotel in Minneapolis. The session, moderated by *Radio & Records* senior editor/rock format editor **Mike Boyle**, will include interactive marketing director for **Greater Media/Detroit Jennifer Williams**, VP of programming services and development for **Arbitron, Gary Marince** and Arbitron national PPM trainer **Jenny Tsao**. In Part 1 of the session — "Ratings" — Marince will lead an Arbitron PPM presentation about PPM data and how it relates to rock stations. He will also explain how smaller markets without access to PPM can learn from larger markets that currently use PPM. Williams will focus on how broadcasters can make the most of Web sites and new technologies for stations and listeners in "Revolution" in Part 2. Finally, in part 3 of the session — "Revenue" — Marince returns with Jenny Tsao will reveal what rock males are buying with a full **Scarborough** report. Each part of the session is expected to last 20 minutes. The last half-hour will be devoted to a Q&A session that covers all three parts. If you have ANYTHING to do with rock at your radio station(s), this is a session you cannot afford to miss!

Elroy C. Smith, whose responsibilities were streamlined under a new management realignment last March, has resigned after a 15-year stint at Urban WGCI, most recently concentrating on Urban AC WVAZ. He leaves next month at the end of his contract with **Clear Channel. Armando Rivera** will now serve as the interim V103 PD. Word on the street is that **Chuck Atkins**, formerly OM at Clear Channel/St. Louis, is up for the permanent PD position. **Chris Kelly** stays on as PD at WGCI.

CBS N/T WCCO/Minneapolis scored a coup yesterday (Thursday 5/24) by airing a candid up close and personal conversation with the 14th Dalai-Lama of Tibet, **Tenzin Gyatso**. WCCO Radio Midday host **Eleanor Mondale** traveled to a Buddhist Monastery just outside of Madison, WI where she sat down with his Holiness for an exclusive one-on-one interview. WCCO Radio was the only media outlet in the United States to be granted a visit with the spiritual leader on his latest visit to America. The exiled leader discussed his eternal quest for achieving peace, his environmental concerns for the World, and the compassion he has for all people. Since 1959, the Dalai-Lama has received over 84 awards, honorary doctorates, prizes – including the 1989 Nobel Peace Prize - in recognition of his message of peace, non-violence, inter-religious understanding, universal responsibility and compassion.

Rick Kaempfer, long-time Chicago radio personality, has used his experiences to create a satirical novel about the radio business. “**Severance**” tells the story of a morning jock whose owner wants him to get out so he won’t have to pay severance, and his resistance to the company’s attempts to make him too miserable to continue. Kaempfer was the Exec. Producer for **John “Records” Landecker, Steve Dahl** and **Garry Meier**, and co-wrote “**The Radio Producer’s Handbook**.” His latest work was published by **ENC Press**. You can email Rick at rick@rickkaempfer.com.

CBS Sports WSCR-AM/Chicago morning guy **Mike North** is stepping in for a two-day spot to fill in for the vacated morning slot at sister Sports WFAN-AM/New York. North’s show made headlines when he faced down a hot-tempered **Ozzie Guillen** last week, and is doing his bit in the former **Don Imus** slot Tuesday and Wednesday.

There were several Midwest filings with the **FCC** this week. **Radio Assist Ministry Inc./Edgewater Broadcasting** filed for FM translators for K300/Sikeston, MO; W289BB/Port Huron, MI; W225AW/Peru, IL; and K249DT/Atchison, KS. **James E. Martin, JR.** sold his 50% interest in **Intermart Broadcasting** of Pocatello, permittee of new FM facility KPPC/Pocatello, ID, as well as his 50% interest in **Intermart Broadcasting** of Twin Falls, permittee of KSNQ/Twin Falls, ID to **Patricia S. Woods** For \$20,950 for each station.

Midway Broadcasting Talk WVON-AM is bringing back “**The Good Guys**” from its days as an R&B station, with **Bill “Butterball” Crane, Richard Pegue, Pervis Spann, Lucky Cordell**, and **Wesley South**, all spinning retro hits for the day. WVON also signed on as flagship station for **Chicago Sky WNBA** basketball. **Les Grobstein** will be behind the mic.

The sale of **Joy Public FM Radio’s** five-station network to **Family Life Radio** for \$2.5 million has been closed. Included in the sale are KJTY/Topeka, WJTF/Panama City, WJTF/Macon, KJTA/Flagstaff, and WJTY/Dubuque.

The **FCC** has been urged by 14 members of Illinois’ congressional delegation to move in a “timely fashion” on **Tribune Co’s** request for temporary cross-ownership waivers, which would allow the company to hold onto multiple media properties in several markets while the Commission reviews its cross-ownership rules. Without said waivers, Tribune could be forced to sell some of its properties in its largest markets, as the company is sold to **Sam Zell** and an employee stock ownership plan.

The Conclave is proud to announce the recipients of its 2007 radio and music industry scholarship program, fulfilling one of the most important aspects of the Conclave’s ongoing mission to educate and find the best and brightest industry professionals of tomorrow. The recipients will be on hand at “**Conclave 007: RADIO UNDER CONSTRUCTION!**” and will be awarded their scholarships during the *Arbitron Awards Luncheon* at the Marriott City Centre in Downtown Minneapolis on Friday, June 29th. And make no mistake, these scholarships have value; collectively, the 2007 scholarships are valued at over \$70,000. The Conclave’s **Specs Howard School of Communication Arts Scholarship**, given in memory of the legendary Bill Gavin, is awarded to **Daryl Landry** of Waterford, Michigan, who will enter that school’s Radio & TV Broadcasting Diploma program in Southfield, MI. **Tyler Kes** of Minneapolis, Minnesota will receive the Dennis Becker Scholarship, given in memory of one of the Conclave’s founding fathers and a long-time Brown Institute educator. Kes will apply his scholarship to earning an Associate of Applied Science Radio Degree from **Brown College** in Minneapolis, MN. The **McNally Smith College of Music** scholarship this year has been awarded to **Shana Smith** of Chetek, Wisconsin. Shana will work to earn her Degree in Music Business from the St. Paul, MN based school. For 28 years the Conclave has been awarding these radio and music scholarships to deserving students. Within the next two weeks, the Conclave will also be announcing the recipients for the 3 annual **Doug Lee Memorial Scholarships**, made available to college students at three institutions of higher learning in the state of Illinois. The Conclave will also be announcing the winners of the **Dan Kieley Memorial Scholarship** and the **Marc Birger Memorial Scholarship**. In total, nine scholarships will be presented at the Arbitron Awards Luncheon on Friday, June 29th – along with the 2007 Rockwell Award, which will be presented to *R&R* Publisher, **Erica Farber!**

The **Illinois State Crime Commission** will honor ABC-talker WLS/Chicago afternoon host **Roe Conn** at their annual awards dinner, “A Salute to Those Who Make a Difference” on June 13th. Crime Commission Board Director **Art Hannus** stated, “We are proud to present Mr. Conn with our Award of Excellence in Media.” Congrats!

WNCY/Green Bay-Appleton-Oshkosh, a **Midwest Radio Group** station, held its **24 Hour Brat Fry** last Thursday and Friday at the **Festival Foods**, and raised over \$2,800, benefiting the **Green Bay Salvation Army’s Camp Hope**.

Clear Channel AC WHOF of Canton, OH, has fired morning show co-host/News Anchor **Jesse Johnson** for **The Gary Rivers Morning Show** over a "pre-recorded string of profane words" that aired on last Monday. Gary Rivers is scheduled to return to the air next Tuesday. WHOF Director of Programming **Keith Kennedy** stated, "We have handled it internally. We have a zero tolerance policy for this type of thing, some very strict guidelines. Johnson was pre-recording something, stumbled in the middle of it, thought he had recorded over and he had not, and it aired at 6:30a."

Shepherd Radio's Business News KBNN-AM/Lebanon, MO, is launching it's new local talk show for the 8-9 timeslot beginning on June 4, entitled "**Ozarks Talk With Andrew McNaughton**." McNaughton continues to serve as afternoon host on sister Country-News KJEL, and says the new show is a call-in that will aim at lifestyle topics for listeners in Lebanon, LaCleda County, and Lake of The Ozarks.

A multi-year extension of its agreement to sell network commercial time for Chicago-based **JamTraxx Media** has been signed by **United Stations Radio Networks**. JamTraxx produced customized Mix Shows to hundreds of affiliates around the globe for formats including Urban, Top 40, and AC. USRN has been providing representation for JTM to the national advertising community since early 2004, and this renewal extends that partnership beyond the end of the decade.

Envision Radio Network's "VIP Services" has added **Radio One** Top 40/Rhythmic WPHI/Philadelphia, in the form of their morning team **Pooch & Laiya In The Morning**. PD **Colby Colb** noted, "VIP is a great asset to my morning show. It gives us instant access to hard to reach celebrities. It definitely raised the profile of the show with listeners in Philly."

Condolences to family and friends of actor/comedian **Carl Wright**, who passed away in his home in Chicago at 75. Wright was a regular on the local **Pervis Spann** tv show, and had been cast as a minister in the movie "**Soul Food**." He also had recurring roles in the movies "**Barbershop**," "**Barbershop 2**," and "**Big Momma's House**." He is survived by his wife, **Shirley**, and three daughters.

This year's **Morning Show Boot Camp** will address the problems of controversial speech on morning shows lately, and they're assembling a special panel of show who've gone face-to-face with potentially career-ending situation for a session entitled "Crisis Management." Learn how they responded, what they did to turn things around, and how to avoid a crisis from happening. Boot Camp is Friday, August 10 in Chicago.

Greater Media AC WMGC/Detroit is joining forces with **The Children's Leukemia Foundation of Michigan** to form a special "Magic 105.1-FM Team" for the first "CLF Walk for Hope & Support." **Jim Paolucci** will host the event and formed the team "Paolucci's Pals."
